Dear Mazenod Community,

One of the advantages of a lengthy transition period between Fr Michael Twigg and myself, is that it has given me the opportunity to see and assess the environment that I am about to become a part of. During the first Term I took the advantage to interview 120 of the 160 Staff associated with Mazenod College. During Term 2 it is my intention to complete these interviews. The interviews have been invaluable in getting a snapshot of the school, and to observe the areas that are going well and areas which need improving.

I am very happy to say that the majority of things are going well but it is important to move into the future with a clear vision and goals in mind. Over the course of this year the College will develop a Strategic Plan to work towards the College’s 50th Anniversary in 2017.

An important part of this process is the School Improvement Framework (SIF), so it is timely that we are currently under a College Review as part of the SIF. On Monday, 4th May external reviewers will be visiting the College to conduct focus groups and seek feedback from the whole School Community. We are seeking 8–10 parents who would be willing to take part in a focus group from 2:45 pm – 3:15 pm on Monday, 4th May 2015. If you would like to participate, or would like further information, please email Mrs Kimberley Twilley at ktwilley@mazenod.vic.edu.au by next Wednesday 29th April.

ANZAC Day, each year, but in particular this year, offers an opportunity to appreciate the freedom and many blessings we have in our nation built on the sacrifice of those before us. This evening, (Friday, 24th April), 90 Students and Staff will be participating in Camp Gallipoli, a once in a lifetime opportunity to commemorate the 100th Anniversary of Gallipoli by sleeping out under the same stars as the original Anzacs did 100 years ago. Saturday morning, along with many other Australians around the country, will commemorate the event at an early morning vigil. I would like to thank particularly the staff who have volunteered to supervise our students and to also congratulate the students taking up this opportunity.

Other important events in the life of the College that are important to support would be the:

ACC ATHLETIC AWARDS
At our Assembly today we officially celebrated our Athletics Carnival success with the presentation of the trophies and flags that represented the team’s overall success. We also acknowledged the outstanding performances of some of our students who excelled in their events on the day. With such a successful day we would like to acknowledge all our students but this would be impossible. What we will be doing is holding a lunch for all our athletes in the Cafeteria to re-live the many wonderful highlights on the day and to hopefully begin our momentum for 2016.

ACC UNIFORMS- SHORTS AND SOCKS
All students who are representing Mazenod in ACC Football and Soccer need to purchase their own shorts and socks. Jumpers will be provided by the College and we ask that these jumpers be cleaned and looked after and returned at the end of the season. For those requiring socks and shorts. The Uniform Shop is open every Tuesday and Thursday 12:30 pm - 4 pm for purchases. Junior Football (Years 7-10) require royal blue shorts and socks. Senior Football needs black shorts and socks. Soccer teams need (Years 7-10) royal blue socks and black shorts (No pockets). Senior boys wear black shorts and socks.

HOUSE SPORT NOTICES
Students are reminded that it is compulsory to wear their House Polo during all House Sport. Failure to do so results in a one hour detention Wednesday after school. Some parents will have seen their son bring a detention slip home and on the last week of Term over 80 detention letters were issued for a host of infringements. Just as students are expected to be punctual and organised for theory classes they are also expected to be punctual and organised for Sport. Students do not turn up without pens for class so they should not be turning up without their top. We also have a number of students who have missed buses or gone to the wrong Sport. No excuses will be tolerated.

WEEK 3 ACC SPORT
Some great shots by Mr De La Zilwa at Tuesdays match Whitefriars vs. Mazenod at Year 10 Football. A reminder that all match results and ladders can be found on the ACC website under the result vault tab: www.accmelb.com.au.

I would also remind parents and students that they can also confirm venues and times of matches on this site. The website is the most up to date site for information as Colleges will change venues and times at late notice to cater for the large number of games that are played every week.
