As we come to the end of a Term, we realise just how much has already been experienced. There are many tired boys, staff and families and it will be good to have a rest.

This week has seen another wonderful range of experiences on offer for the boys.

Sean Hyatt of Year 12 was selected to represent Australia at the World Debating Championships in Queensland and is continuing to do the College proud. Fr Andrew Chen O.M.I. accompanied Sean to Queensland and has been supporting Sean in a coaching and mentor role. We are all very proud of Sean.

Wednesday night saw the Mission Action Day Music Gala take place in the Founders’ Complex. This was a wonderful occasion where the boys generously gave their time, and their families gave generously of both their time and money. All money raised will go to Mission Action Day and will eventually reach people in genuine need. It was great to see boys of different ages and backgrounds working together to produce some really great pieces. I thank the Staff who also gave of their time and supported the efforts for Mission Action Day.

You will be receiving this newsletter after our annual Mission Action Day and I would like to thank every family who made a contribution to its success. Next Term’s newsletter will contain a breakdown of money raised and where it will end up. Your support of those in genuine need is an essential element of our College culture. Every family in the College knows what it means to struggle at times, and yet, every family of the College is also asked to support those in need. On behalf of all those who will be helped, I thank you very much.

I thank Ms Tina Giacco, Mr Tony Rolfe, Ben King, Terence Huynh and all of the staff and students involved in the preparation, organisation and celebration of Mission Action Day. The best way to describe the day for new parents to the College, is that Mission Action Day (MAD) is what a Parish Fete would look like if 17 and 18 year olds ran it. It is an amazing mix of activities and fun, while at the same time raising funds and awareness of poverty within our world. Our NET Ministries Team as well as students from the College led a powerful liturgy aimed at focussing our attention to the love that God has for us all and why that love should compel us into action for others.

This love reaches its climax at the Easter Ceremonies over the holiday break. Could I please encourage every family to make an extra special effort to attend as many of the Easter Ceremonies as possible? The celebrations begin with Palm Sunday on April 17 and include Holy Thursday (April 21), Good Friday (April 22), Easter Vigil (April 23) and Easter Sunday on April 24. If you would like to find out the times for Easter Ceremonies in your own parish, I suggest you look up the following website http://www.cam.org.au/mass-times/ where each Parish will have contact details. The Easter Ceremonies are an essential part of our faith journey as they reveal the fullness of God’s love for us. Jesus was executed by fear, intolerance, self-righteousness, arrogance and injustice. He was murdered by the authorities and crowd and yet his love for them was with him until the end. It is so very important that we do not judge our ancestors in faith, as we too are all capable of the above actions. The overriding message of Easter is that Life is Greater than death. The resurrection of Jesus was a resurrection for all humanity. This salvation event has already occurred and that is why we call it the “Good News”.

I encourage you to attend the St Mary’s Seminary Stations of the Cross at 62 Jacksons Road, Mulgrave at 10.00 am. These outdoor Stations of the Cross are beautifully presented and are a moving way to participate in the Good Friday Ceremony (April 22).

At the end of the Term we farewell Anthony Au (22 years), Peter O’Hara (19 years) and John Challis (3 years) from the Maintenance and Cleaning Departments of the College. On behalf of all at the College, I would like to thank them for their years of service. They have worked hard to make the College presentable and have regularly assisted us all. After consultation with their families, they have all decided to transition into the next phase of their lives. We owe them a huge debt of gratitude and wish them well into the future.

Your prayers are asked for Fr John Maher O.M.I. who is currently in hospital and not well. Fr Maher was the Rector of our Seminary and is presently Parish Priest at Sunshine and he is in need of our prayers. Fr Maher also taught Mathematics here at Mazenod with distinction. On behalf of all the community we wish Fr Maher a speedy recovery.

This year marks the 150th Anniversary of St Eugene de Mazenod’s death. We will formally be celebrating this anniversary on Founder’s Day but I thought it would be good for us to begin our preparations for that event now. Here is the logo that has been created for the occasion.

Founder’s Day is a wonderful celebration of the values of St Eugene de Mazenod. His life was one of passionate commitment to the poor and those who are left out of society. He challenges each one of us to listen particularly carefully to Jesus message of solidarity (to stand alongside) with those who struggle.

Even though it may have been 150 years since St Eugene de Mazenod died, his life and legacy live on in many people and in many places around the world. We are one living manifestation here, but we are part of a wider group, both Oblate and Faithful people all over the world. St Eugene calls us all to be community oriented and to reach out to those in need and to help them discover who they are in the eyes of Christ. He asks us all to help people realise that they have a dignity and that dignity comes from the God who loved them into existence.

Over the first week of the Easter break, I ask you to keep the Flood Recovery Volunteers in your prayers as we head up to North West Victoria. Over the course of the 4 days of our experience, we will give the equivalent of 160 days of service. While we are there, we will represent everyone in our community. In that sense, you are all there with us.

I pray and hope that each family has a Safe, Happy and Blessed Easter and that it is a time of genuine family nourishment. (Not just chocolate and Eggs, but real nourishment).

Take Care and God Bless
Fr Michael Twigg O.M.I.
**MISSION ACTION DAY 2011**

In an attempt to assist the Oblate Missionary work in the Developing World, Mazenod College will be holding its annual Mission Action Day on Friday 8th April.

As this is the College’s one big appeal for the Oblate Missions, each family is asked to support the day with a donation of at least $40.00.

The needs of the poor in the Developing World are dire. These have been intensified by both the current global recession, as well as, by the natural disasters which have had a devastating impact on the lives of so many people. We assure you that EVERY cent raised by our Mission Action Day will be distributed to the poor in the Developing World.

Moreover, in order to make this year’s Mission Action Day the most successful ever, we would appreciate any donations or goods which we might raffle as prizes, and / or monetary donations.

If others would like to contribute to this very worthy activity, please send donations to either Ms. Natina Giacco or Mr. Tony Rolfe. Individuals and Companies will be acknowledged to the Student Body and School Community.

Many thanks for the donations which we have received thus far. We will acknowledge the rest of them in the second term. May God Bless you for your generosity!
