During the week, three of the boys who went to China on the missionary experience to the orphanage, spoke to the girls at Killester College. The boys spoke with genuine sensitivity and compassion and we are hopeful of eventually travelling together with Killester on a combined experience.

Our involvement with Building Bridges commenced this week. This Year 10 Programme brings together students from the Jewish, Islamic and Christian traditions for sharing and friendship. We hosted the first of 6 gatherings and I am very pleased that the boys were so welcoming and helped the Programme make a great start.

This year marks the 150th Anniversary of St Eugene de Mazenod’s death. We will formally be celebrating this anniversary on Founder’s Day but I thought it would be good for us to begin our preparations for that event now. Here is the logo that has been created for the occasion.

All of the College Community is invited to the Mass on Friday, May 20 (2 weeks away) at 11:00am. Everyone would need to be seated by 10:45am and all are most welcome.

St Eugene de Mazenod was very committed to reaching out to those that society had rejected. He calls us all to stand in solidarity with the broken hearted and abandoned in our society. Through the works of Rosies, Prison Ministries, Parishes, Schools, Chaplaincies, Youth work and Education, the Oblates continue to work side by side with you. Please keep these ministries in your prayers and also pray that others may join the Oblates to continue this work.

The Oblates will hold a Vocations Weekend on July 1-3 and anyone interested is asked to contact any Oblate or Fr John Sherman O.M.I. on 0418 825 701 or email jsherman@oblates.com.au.

I must say that I was particularly pleased to see that the new traffic conditions have been embraced by the vast majority of parents. The safety of every boy has been significantly enhanced with the changes. Every change has been made to keep every student as safe as possible. Just a reminder that no vehicles are to enter Kernot Avenue from between 8:00am and 9:00am and between 3:00pm and 4:00pm. Further information is to be found on the College website (www.mazenod.vic.edu.au).

In conclusion, I would like to congratulate the Senior First 18 Football Team on their first ever victory over St Bernard’s College on Wednesday afternoon. It has been many years since the Senior Team had an ACC victory and there has been considerable effort to grow the sport at the College. I congratulate everyone involved and look forward to further improvement and commitment.

Take Care and God Bless
Fr Michael Twigg O.M.I.

SPORTS NEWS

During the school holidays Scott Gilmore (year 9) represented Australia in Table Tennis, on the World Junior Circuit at the Guam Junior Open. The tournament was attended by players from the Oceania region plus players from the Table Tennis “powerhouses” Korea and Japan. These two countries are regarded as the world No.3 & 2 respectively in juniors in the sport.

Scott played the world best juniors in 18 matches; impressively winning 13. A fantastic overall record at an international level. As a result of all the hours of training, hard work, dedication and perseverance, Scott and his doubles partner, WON A BRONZE MEDAL in the Under 15 Doubles event. The pair lost their semi-final to an extraordinarily strong Korean team, despite inflicting a very rare win over this team earlier in competition.

In the Under 15s singles Scott was a quarter finalists. Holding a match point in the final set but ultimately going down to the New Zealand U15 (No.1). The boy from New Zealand is a very talented player who went onto the final and is also the current N.Z. Mens Open Title Holder.

In the Under 18s singles Scott made it to the round of 16 before coming across Korea’s 4th ranked. The round of 16 clash was an epic battle with Scott taking the Korean athlete all the way to the final set before the Korean came out in front.

This was an outstanding achievement as rarely does an Aussie get this close to a player from Korea. To put it into perspective, from the age of 12 the Koreans and Japanese train for about 6 hours per day six days per week. From 12 years old they are professional players with 100% government backing where the Aussies are totally self-funded other than 2 weekends per year of government supported training!!!

The enormity of the experience and the personal development gained was fantastic. A life changing experience which will form a foundation for Scott to build upon in future situations, both personally and athleticism. During the whole tournament Scott carried himself very well playing tough but always displaying great sportsmanship.
Yesterday was one of the proudest days I have ever had with Mazenod sport! It nearly ranks with the best, along with our swimming performance this year. After many years, 11 long ones to be exact, Mazenod's Senior Football Team finally prevailed to defeat St Bernard's by 47 points. They say in life that you make your own luck; the boys did not rely on any luck to win yesterday. I asked our petition, our team mates and the College. We will again sell our senior debut after some impressive form in the Under 19 team. Sam [30pm; St Peter's Clayton, Sat 6

Last week though hectic, is one of the best weeks in Mazenod sport for the year. The excitement and energy of the 80 Year 7 students who represented Mazenod at the 3 rally days was sensational. Their willingness to participate and play was matched by their behaviour and sportsmanship. The boys performed with great passion and commitment, but more importantly fun. They went out and enjoyed the experience and the opportunity to play sport against other students, and with new friends. It did not matter whether they won or lost, as long as they had done their best. They were a great reminder that sport is not always about winning, but about performing at our best and being proud of what we do and who we represent! Big thanks to Mr Wright and Mr Phibbs who coached these teams on the day.

This week also saw Mazenod perform at the ACC Golf Championships at the Northern Golf Club. Led by our captain Sean Ong, and well supported by Travis Hatfield, Jack Sceney, Alex Urban, Daniel Lacey, Callam Manderson, Matthew and Adrian Coster. The boys all played exceptionally well and we were proud of their efforts. In particular we acknowledge the efforts of Sean who had a super round of golf, to shoot a 3 under score of 69. Sean has been part of our golf team since his year 7 days and this was the last time we will all get to marvel at his year 7 days and this was the last time we will all get to marvel at his fantastic skills and ability while representing Mazenod. Thanks Sean for your drive and willingness to raise the standard and profile of golf at the College.

The Sports Team

**Well Done!**

We currently have a number of students trying out for Victorian teams in football, and we wish each of them the best in their efforts. It is a fantastic effort just to make it to the squad stage and we hope all boys can make the most of their opportunities. We congratulate Alex Woodward and Matthew Arnot (U/18 Victorian Metropolitan Team), Thomas Gladman (U/16 Vic Team) and Alex Urban (U/15 Vic All Schools Team). Last weekend in Senior Division One of the Eastern Football League, Year 11 student Liam Welford made his senior debut for Mulgrave Football Club. Liam made an impressive start to his senior career by being named as one of his team’s best players. Ben King in Year 12 also has made his senior debut for Narre Warren in the MPNFL. Ben has acquitted himself well against the men playing every game so far!

**UNIFORMS**

All students selected to represent Mazenod will be issued with a jumper for the season. These tops come at a great expense to the college. We ask that your son keeps and washes the jumper for the season. If a jumper is not returned it will cost you $80, the cost of a new jumper. The Old boys are working at creating stronger links with the College and last week presented Andrew Di Petta and Joseph Michaud club pullovers for their best on ground performances in senior football for the college. Matthew Arnot and James Munro were the recipients of the award this week.

It is also very important that we all look the same and professionally. It shows our acknowledgement of where we have come from and what we expect in the future. We ask no more than their best effort and today we got all of it! Our Year 12 leaders were fantastic and it is so pleasing to see our TAC boys all contribute outstandingly. Their own football can only improve by being part of a team that expects to win.

Yesterday’s win was also made more pleasing by the fact that our Year 10 team also beat St Bernard’s by a goal on Tuesday. Mr Cunningham, making his ACC debut as Coach was able to get his team of enthusiastic players to come from behind and grab a great victory. Again it was pleasing to see all the boys involved in the TAC development squads lead by example and help the team get over our well respected opponents.

**MAZENOD OLD COLLEGIANS FOOTBALL**

The Old Boys had a disappointing loss to Monash Blacks on Saturday. The team was missing a few regulars and it was not able to stand up to the pressure of our closest rival. On a positive note for the day, Sam Jones who finished last year made his senior debut after some impressive form in the Under 19 team. Sam handled himself very well, and hopefully it will be the start to a long prosperous career. The Under 19’s unfortunately did not get a game, as Old Geelong forfeited on Friday night. It was great to see them all turn up a train Saturday afternoon.

The 3rd XVIII had some star students playing running around on the weekend with their big win over Richmond Centrals. Controlling the ruck was Mr Regan, who was playing his first game after chipping a bone in his wrist. Crumbing the ball from Mr Regan was the evergreen Mr Kelly who starred again with a couple of goals.

The Old boys are working at creating stronger links with the College and last week presented Andrew Di Petta and Joseph Michaud club pullovers for their best on ground performances in senior football for the college. Matthew Arnot and James Munro were the recipients of the award this week.
