From The Rector

In welcoming you all back to the College, I acknowledge all of the hard work and care that went into Term 1. There were many activities that launched the year and Term 2 will see a consolidation of that start. One of the great joys of being Rector is the opportunity to witness the great variety of talents and team-work of Staff, Students and Families. Whether it be on the stage, sporting field or classroom, it has been wonderful to be a part of the many activities on offer.

During the holidays we were pleased to welcome Mazenod Western Australia to the College for our Football Oblate Cup. It was good to be able to return some of the fine hospitality that we received on our visit to Perth. There were two games (Year 9 and Year 12). While Mazenod was always assured of victory, it was the Victorians who won the Year 9 Football and the Seniors Trophy was won by Mazenod, Western Australia. As the scores were locked at 1 match each, I suggested a Volleyball match would be a fair way to decide the overall winner. Surprisingly this suggestion was not taken up. I am not exactly sure why. As a Queenslander and Iona College graduate, I should have been impartial in my support after spending 7 wonderful years in WA and in Vic. However, I was not impartial at all and was supporting the Victorians quite loudly I am told. It was a great coming together of our cultures and it is our hope to make the return trip to WA for the first time in nearly 20 years next year. Under the direction of Mr Connolly, we had over 60 boys present for these Football Matches. This is testimony to the esteem with which we hold Mazenod WA and also to the pride we have in Australian Football at the College. Our aim is to earn respect in the ACC with team oriented and disciplined displays. Training is very important and may I remind all sportsmen of their responsibilities for training. I thank Mr Connolly, Mr Byrnes, Mr Wright, Mr Bertino and Mr May for their dedication to the boys.

We are still finalising the final donations for Mission Action Day and next week’s newsletter will be dedicated to thanking you all and sharing the good news of your great generosity and where the money will be distributed. There are still some contributions to come in and I encourage those to come in promptly.

I would like to commend the wonderful achievements of our Athletes who recently competed in the ACC Athletics Carnival. Through hard-work, dedication and commitment to their school, each other and themselves, we were able to achieve our equal highest ever finish. We finished in second place behind St Bernard’s who thoroughly deserved their victory. One of the most pleasing aspects of the entire carnival was the relay work where we achieved 6 victories out of 7 and demonstrated obvious depth, precision and trust. There are so many things that need to work right for a relay victory. I was proud of the entire Athletics Team and I commend the work of Mr Jason Crabtree and all his Assistants in providing another wonderful opportunity for the boys. There were songs being sung in his honour all along the Monash Freeway and I was again pleased to see and hear that every member of the team thanked their coaches for their contribution. As I have said before Sport does not build character, it reveals it.

A very pleasing event occurred on Wednesday afternoon that I was very proud to witness. The Mazenod College Choir under the direction of Claire Patti competed in the South Eastern Arts Festival at St Margaret’s College in Berwick. This was our first entry into a music festival. Claire chose two very difficult pieces for the boys to perform and they performed them a capella (without accompaniment – ie with just their natural voices and no instruments). The boys received special commendation from the judge for both the selection of difficult pieces and for the daring risk of singing a capella. When you sing without accompaniment your voice is the only instrument and every slight wavering of notes are heard. I was so extremely proud that we both chose these difficult pieces and we used our God given abilities for this activity. We received a highly commended award and received some valuable feedback from the judge which we will learn from. The competition was won by St Margaret’s College and we congratulate them, however we will compete in further competitions and continue to seek to improve.

When I was at Iona College as a student in Year 12, I was the only member of our school who both played Rugby League and Union as well as a member of the choir. At Iona in the late 1980’s this was unheard of and both groups were very suspicious of each other. This culture has certainly changed at both Iona and also here at Mazenod. I was very happy to see a number of people in the choir who participate and involved in nearly every aspect of College life. This pleases me greatly.

In any family there are always times of great need and also times of great support. Your prayers are asked for the following members of our community and their intentions.

Would you please remember and keep them in your prayers: Thien Huynh (Year 12) whose father passed away over the school holidays; Fr. Andrew Chen OMI, Matthew Tancredi (Year 9) and Michael Tancredi (Year 11) whose grandfathers passed away recently.

There are a number of members in the community who are very ill at this time and your thoughts and prayers are asked for the Ephraums Family (Hayden Year 10 and Nathan Year 8) as their father faces serious illness.

There are also many families who are facing difficult situations who have yet to communicate those with the College. All of these families are in our prayers.

Take Care and God Bless
Fr. Michael Twigg O.M.I

FACULTY OF MEDICINE, NURSING AND HEALTH SCIENCES
BACHELOR OF MEDICINE / BACHELOR OF SURGERY – INTERVIEW PROCEDURE UPDATE
In 2009 the Faculty of Medicine Nursing and Health Sciences undertook a review of the MMBS student selection process. One of the main outcomes of this review was the decision to replace the traditional interview with a Multiple Mini Interview (MMI). This format has been used by Monash University for graduate-entry intake at Gippsland for the past three years with great success. Monash Clayton MMI will, most likely, consist of 8 sequential ‘stations’ plus 1 rest station. In each station the applicant will be interviewed by 1 interviewer for 8 minutes followed by 2 minutes for scoring/changeover (i.e. 10 minutes per station). Therefore, each ‘circuit’ of 9 stations will take 90 minutes to complete with each applicant will be assessed by 9 interviewers. Interviews will take place over the same time period as previous years (i.e. late November-mid December). More information: If you have any questions regarding the new interview process please feel free to contact medicineadmissions@med.monash.edu.au

CHANGE IN PREREQUISITES FOR BACHELOR OF BIOMEDICINE 2011

Please note there is a change in the Bachelor of Biomedicine prerequisites for 2011 entry.

This change in prerequisites to require VCE mathematics reflects the strong focus on experimental design and data analysis in the first year of the Bachelor of Biomedicine. The continued requirement of Chemistry emphasises the prerequisite knowledge required in the quantitative sciences.

Victorian Certificate of Education (VCE) prerequisites:
Units 3 and 4: a study score of at least 25 in any English/English Language/Literature or at least 30 in ESL and a study score of at least 25 in Chemistry and Mathematical Methods or Specialist Mathematics.
This change is listed in VICTER 2011.

THE AUSTRALIAN DEFENCE FORCE (ADF) GAP YEAR 2011 INTAKE
The Australian Defence Force (ADF) Gap Year program is for students or recent school leavers. Individual programs run across Navy, Army and Air Force and are designed to give students detailed insight into how the ADF operates. Think of it as a once in a lifetime work experience placement in the ADF. Due to the enormous popularity of the program, the application process in place provides a fairer selection by considering a complete pool of applicants and the abilities they can bring to the experience. Gap Year is opening from 1 May to 30 June 2010 for the 2011 intake. All applications must be received online from the 1 May and will be based on a merit system. SPORTS NEWS

ACC Sport Term 2
It has been a very busy time for sport at Mazenod and even over the holidays, we had football games against our brother school Mazenod Western Australia. As I write this we have just begun the ACC season for senior football and our Year 7 students are off to rally day competition tomorrow in football, soccer and badminton.

We would also like to acknowledge some outstanding efforts by our students in the sporting field.

Over the next few weeks, we will feature some of these boys and their achievements. Luke Greco is now the Australian U/17 400 meter champion. Jack Cummings won National titles in cycling and has been added to the AIS cycling program. David Burgess recently competed in the Australian Junior Swim titles and ranked in the best 10 breaststroke swimmers in the country. Liam Coulter in Year 10 was also invited by Fulham Soccer Club in England to spend 3 weeks training and trialing for them over the holidays. We also congratulate Matthew Arnot and Alex Woodward who have made the final list at Oakleigh Chargers and Sandringham Dragons respectively in the U/18 TAC Cup football competition.

Going back to the end of last term, we had a very exciting and successful finish to the Term one. It started with our success in the senior Grand Finals winning every one we participated in. As you would have read congratulations to Mr Jeremy Wright and the Tennis boys on a very exciting win over St Bernard’s 7 sets to 5. We also saluted our volleyball teams under the guidance of Mr. Joe Moore and Mr Damian Schuman. The
boys were successful in both the A and B finals against St Bernard's winning 3 sets to 1. All boys should be congratulated for their behaviour and sportsmanship on the day and over the season.

At the end of the term we also learnt that one of our Volleyball students Sam Alves in Year 12 was selected in the Australian Junior Volleyball Team. A wonderful achievement for Sam and all the hard work he has put in since Year 7. Sam will travel with the Australian team to Malaysia in the next fortnight to compete in his first international competition. Our best wishes to Sam from all at Mazenod.

Athletics
On the last Wednesday of term Mazenod achieved its equal best ever finish in the ACC Athletics at Olympic Park finishing second to overall winner St Bernard's. It was a sensational day for our Head Coach Mr. Jason Crabtree and the team. It had been very close all day and we finished off very strongly winning 6 of the 7 relays we participated in. Every other school commented on our enthusiasm and execution and it was a credit to all involved. We had many winners on the day and they are mentioned below.

Football
On the last Friday of the holidays we played host to Mazenod College Western Australian in both a Year 9 and senior games of football. I would especially like to thank Mr. Wayne Francis President of the Mazenod Old Collegians Football club for hosting the game at Central Reserve. On a fantastic ground and in beautiful football conditions our Year 9 team coached by Mr. David Byrnes ran out victors in a close scoring game 9.7.61 to WA 5.6.36. Congratulations to Liam Riley who was judged best player on the ground. A special mention must go to Year 7 student Trent Castledine, who not only volunteered to play in the game, but also was judged to be one of our better players.

In the senior game we were not as fortunate and were beaten by a well drilled team. The final score line was WA 13.16.94 defeated Mazenod 5.5.35. The game was very physical and played in great spirit. Well done to Matthew Arnott who was judged best player on the day for Mazenod.

ACC Football Season
Our senior Firsts and Seconds both commenced this week. It was very pleasing to see the senior boys Rally after the disappointment to push last year’s premiers Parade College all the way. The seconds battled hard all day against Salesian College’s First XV.

Senior XVII
Mazenod 10.8.68 lost to Parade 15.7.97
Goals: B Woods 3, L Greco 2, S Mirra 1, M Arnott 1, L Scammell 1, S Welsford 1, B Castledine 1
Best: T Brennan, M Arnott, L Greco, S Mirra, S Welsford, J P Malietzis, M Young
Senior Seconds
Mazenod 2.8.20 lost to Salesian 26.7.163
Goals: T Kenny, J Verblya
Beat: R Nazar, J Michaud, L Narduzzo, J Pitts, C Vong

Next week’s games:
Wed 21/4 – Senior vs. De La Salle @ Home 1.30pm
Wed 21/4 – Senior Seconds vs. De La Salle @ Waverley Park 1.30pm/return 4.30pm
Thurs 22/4 – Yr 8 Div 1 Soccer vs St Bernard’s @ Essendon / return 4.30pm
