From the Rector

Today we have celebrated the Founder’s Day Mass and I thank all involved in its preparation and celebration. It was great to welcome so many friends of the College and it was great to celebrate our culture here at Mazenod through a moving and reflective liturgy. I thank Fr Harry Dyer O.M.I. and all of the visiting Priests for their presence among us in the Year for the Priest in 2010.

This weekend sees the Church celebrate Pentecost. This major celebration within Christianity celebrates the descent of the Holy Spirit upon the Disciples 50 days after Easter. It marks the birth of the Christian Church and provided the early disciples with the courage and strength that they required to continue the message of Christ after his death and resurrection.

What happened at Pentecost?

Ten days after Jesus ascended into heaven, the twelve apostles, Jesus’ mother and family, and many other of His disciples gathered together in Jerusalem for the Jewish Harvest Festival that was celebrated on the fiftieth day of Passover. While they were indoors praying, a sound like that of a rushing wind filled the house and tongues of fire descended and rested over each of their heads. This was the outpouring of the Holy Spirit on human flesh promised by God through the prophet Joel (Joel 2:28-29). The disciples were suddenly empowered to proclaim the gospel of the risen Christ. They went out into the streets of Jerusalem and began preaching to the crowds gathered for the festival. Not only did the disciples preach with boldness and vigour, but by a miracle of the Holy Spirit they spoke in the native languages of the people present, many who had come from all corners of the Roman Empire. This created a sensation. The apostle Peter seized the moment and addressed the crowd, preaching to them about Jesus’ death and resurrection for the forgiveness of sins. The result was that about three thousand converts were baptized that day. (You can read the Biblical account of Pentecost in Acts 2:1-41).

The main sign of Pentecost in the Catholic Church is the color red. It symbolizes joy and the fire of the Holy Spirit. Priests or ministers & choirs wear red vestments, and in modern times, the custom has extended to the lay people of the congregation wearing red clothing in celebration as well.

Why we celebrate Pentecost Today?

Every Catholic and indeed every Christian would be aware that Christmas and Easter are the two major festivals in the Church’s life. But many would be unaware that Pentecost is such an important feast day. God the Father’s wonderful Christmas gift of His one and only Son, and Christ’s Easter triumph over the power of sin, death, would be of no benefit to us if the Holy Spirit did not give us the gift of saving faith. Through the Word and Sacraments, the Holy Spirit gives us the faith to believe and trust in Christ as our Saviour. This precious gift of faith in the saving work of our Lord Jesus Christ is the reason Pentecost is the third major festival of the Church and why we celebrate it with such joy and thanksgiving.

Mazenod College’s Pentecost Challenge

This is a celebration not to be missed and we would like to encourage every Mazenod family to make a special effort to attend Mass this weekend. This is a celebration of the birth of our faith. I also encourage you to wear red as a visible sign of your understanding of this celebration.

We are also encouraging each family to take a photo of their presence at this celebration in their Parishes and these photos will be included in the College Annual (Mazenodian). It would be great to get a photo with your Parish Priest as well. Please send these photos through to the College. The Mass times of our local parishes are extended to the College. The Mass times of our local parishes are included here for your convenience.

Mazenod College 2010 – Receive the Holy Spirit

21 May 2010

Good Shepherd Parish (Mulgrave) Sat – 6pm & Sun 8, 9:30, 11, 6pm

Please keep the Ephraums’ family (Hayden Year 10 and Nathan Year 9) in your prayers as they mourn the loss of their father. May he rest in peace.

Take Care and God Bless
Fr Michael Twigg O.M.I.
DATES

May 2010
Fri 21 May Feast of St Eugene de Mazenod
Fri 21 May Founder’s Day Mass (half day for students
buses have been ordered)
Sun 23 May Pentecost Sunday
Mon 24 May Year 9 Exam Week Commences
Mon 24 May Year 12 TIS Afternoon
Tue 25 May Year 7 & 8 Exams
Wed 26 May Year 7 & 10 Immunisations
Fri 28 May Year 9 Exam Week Concludes
Fri 28 May Father Son Communion Dinner
Mon 31 May Year 12 English SAC

June 2010
Tue 01 Jun Last day for Year 10 & 11 classes
Wed 02 Jun Year 10 & 11 exams commence
Fri 04 Jun Last day Year 12 classes
Tue 08 Jun Year 12 Mid Year Exams
Thu 10 Jun Year 11 & 12 GAT
Fri 11 Jun Student Free Day – Correction Day
Mon 14 Jun Queen’s Birthday – Public Holiday
Tue 15 Jun Fathers’ Committee Meeting
Tue 15 Jun Semester 2 begins for all classes
Tue 15 Jun Year 10 Work Experience commences
Tue 15 Jun Year 11 Business Week commences

More dates will be added progressively

FATHERS’ COMMITTEE

Mazenod Father and Son Communion Dinner
Places are still available for our Father and Son Communion Dinner, featuring special guest comedian, comedy writer and Old Boy Gerard McCulloch.
Mass will be held in the College Chapel at 7.15pm, followed by Dinner in the Founders Building at 8.00pm.
Tickets are $35 per family, all inclusive.
There is a FREE PIZZA LUNCH incentive for the Homeroom that provides the largest number of attendees - so get your bookings in by Monday 24 May.
More information - John Macaulay - 0408 416 839,
j.macaulay@unimelb.edu.au

LOTE NEWS

The LOTE department wishes to advise the Mazenod Community about the proposed arrival of 13 students, 10 boys and 3 girls together with one staff member from Japan. The group from Daisho College, our sister school will be here for one week, from Thursday July 22 until July 29.

We are now looking for Mazenod families prepared to host these students for 7 days. If interested could you please call Mr.Fuji at the College on 95600911.

2 WEEK SCHOLARSHIP TO JAPAN - for students aged 15-18 at the time of application. You need to apply directly on the online http://www.afs.org.au/aus_en/view/10592

All costs will be covered by the Japanese Government.

Mr. Robert Trafficante
LOTE Coordinator

MOTHERS’ AUXILIARY

The next Mothers’ Auxiliary meeting will be a movie night at Pinewood Cinema on Wednesday 9th June. More details to follow in the coming week’s newsletter.

Entertainment Books 2010-2011 have arrived!
The Entertainment Books for 2010-2011 are now available and can be purchased from the Front Office for $65.00.
(Only cash or cheque payments.)

OTHER NEWS

2010 Knox Public Lecture

Wednesday 19th May at 7.30pm
Rev Dr Gerald O’Collins sj AC
“Jesus Our Priest: How can and should we describe the priesthood of Jesus himself?”
Bookings and Information: email rtc@ctc.edu.au or phone 9412 3314.
RSVP Friday 14th May
Catholic Theological College, East Melbourne

THE SECOND HAND UNIFORM SHOP WILL BE OPENED
Monday 24th May 12.00 – 1.30 pm
We are in need of more good condition school and sports uniforms, ties, school bags, sports bags etc. Only good condition items will be accepted. Clothing must be clean and blazers dry-cleaned. Items can be left at the Front Office with contact details clearly attached.
Nancy 0418 553 191 nancy.mete@optusnet.com.au
Amanda 0401 194 799 diamanta@bigpond.net.au

School Uniform Supplies.
Please note the slip inserted in this newsletter details the operations of Klad Clothing including their hours of trading and price lists. The College will provide Klad Clothing with a facility on campus that will enable parents and students to purchase new uniform items.
The Second Hand Uniform Shop will continue to operate from its current location.

Mazenod has been very supportive of the Co-Op and had every intention of continuing its association. This association enabled us to authorize the suppliers of our uniform to ensure quality and affordability. Our decision to change suppliers was done when it was made very clear to us that the Co-Op was unable to continue as a viable concern.

The College has been very appreciative of Klad Clothing and their willingness to purchase current stock at the Co-Op’s purchasing price in a deal that will hopefully afford the Co-Op the opportunity to honour several of our suppliers that have provided our uniform needs in good faith for many years. Klad Clothing have agreed to work with us to ensure that all school items are approved by the school in the future.

CAREERS AND PATHWAYS

La Trobe University Update:

EXPERIENCE LA TROBE
One of La Trobe University’s most popular annual events for future students and their parents, Experience La Trobe is on again in 2010, with programs at three campuses.
- Friday 18 June: Albury-Wodonga
- Tuesday 6 July: Melbourne
- Thursday 8 July: Bendigo

Each program includes talks by current La Trobe students, information on student support services, campus and accommodation tours, and a fantastic range of workshops that give participants a hands-on experience of the La Trobe courses and disciplines. At the Melbourne and Bendigo campuses, there are separate information sessions and campus tours scheduled for parents, so they can find out all they need to know to help and support their children through course selection and the transition to uni life.

IMPORTANT NOTE ABOUT DENTISTRY PREREQUISITES
The Faculty of Health Sciences has advised that prerequisites for the Bachelor of Health Sciences in Dentistry/Master of Dentistry cited in the 2011 Undergraduate Course Guide are incorrect. The guide lists ‘at least 35 in Biology or Chemistry’, when applicants need at least 35 in Biology and Chemistry. La Trobe University apologises for this error. Students and parents can access the correct information in ‘CourseFinder’ at www.latrobe.edu.au/coursetfinder

RMIT University Update:

NEW BACHELOR OF HEALTH SCIENCE (ACUPUNCTURE AND CHINESE MANUAL THERAPY) - BP267
A new degree combining acupuncture and Chinese manual therapies (also known as Tui Na or Chinese remedial massage) will commence at Bundoora campus west from 2011. This is the first degree program that combines two commonly used treatment methods. The Bachelor of Health Science (Acupuncture and Chinese Manual Therapy) qualifies students to become registered acupuncturists and practitioners of Tui Na therapy which is recognised by professional associations. The four year program covers the philosophy and theories of Chinese medicine and medical sciences courses. Practical hands-on training in acupuncture, remedial massage and exercise therapy comprise a significant portion of the program. Clinical training in Australia will be required and students have the opportunity to work in a teaching hospital in China. Contact: Ms Suzi Mansu, Tel: 03 9925 7318 Email: suzi.mansu@rmit.edu.au
NEW IN 2011 - BACHELOR OF APPLIED SCIENCE (EXERCISE AND SPORT SCIENCE) FORMERLY KNOWN AS HUMAN MOVEMENT
The Exercise and Sport Science degree provides students with knowledge and practical skills in the areas of exercise prescription, health promotion, physical activity, injury and disease, sport science and human performance, and a strong understanding of clinical situations and conditions. Students will complete field experience throughout the degree, including an extended placement in years 3 and 4. The degree has strong links with the Victorian and Australian Institutes of Sport (VIS and AIS), sporting clubs, rehabilitation centres and other community settings. For more information, visit: www.rmit.edu.au/medicalsciences

NEW - ASSOCIATE DEGREE IN BUSINESS
RMIT’s new Associate Degree in Business allows students to obtain a Higher Education qualification in just two years. Students benefit from work integrated learning, academic skills development and support and small class sizes. Career opportunities for graduates exist in private and public sectors, small and large enterprises, and across all industries. Upon successful completion of the program, students will be eligible to apply for entry into year three of the RMIT Management degree. Commonwealth Support Places (CSP) are available. Contact: Teresa Lyford, Tel. 9925 5444, Email theresa.lyford@rmit.edu.au

NEW IN 2011 - BACHELOR OF SCIENCE (GEOSPATIAL SCIENCE) FORMERLY GEOMATICS
From 2011, RMIT will offer an exciting new program in Geospatial Science. Responding to industry demand, the Bachelor of Science (Geospatial Science) incorporates studies in geomatics, cartography and elements of information technology. This four year program replaces the Bachelor of Applied Science (Geomatics). Please note there will be changes in selection criteria in future years. Please refer to the upcoming 2013 VICTER Guide for further details. For further information, contact the School of Mathematical and Geospatial Sciences (9925 2283) or email: SMGS@rmit.edu.au.

FOLIO PREPARATION AND CAREER DISCOVERY SHORT COURSES
RMIT offer a range of Career Discovery and Folio Preparation Short Courses. Career Discovery: you will get to experience relevant projects and exercises in a typical studio or workshop setting. These short courses give insight into the industry, study options available and selection procedures. Folio preparation: you will learn new techniques to build a folio. Preparation courses are a great way to help you decide which area of design is right for you. For more information or to enrol, go to www.shortcourses.rmit.edu.au or phone (03) 9925 8111.

BACHELOR OR CLINICAL SCIENCES, BACHELOR OF MEDICINE AND BACHELOR OF SURGERY
Course Profile
The first intake to Flinders University’s new Bachelor of Clinical Sciences, Bachelor of Medicine and Bachelor of Surgery degree happened this year. This unique pathway allows students to complete a Bachelor of Clinical Sciences along with a Bachelor of Medicine and Bachelor of Surgery at Flinders without completing an undergraduate degree first.

In the first two years of the degree students choose either: a medical science focus learning about the biomedical sciences that relate to all fields of medical science, or a health science focus applying knowledge gained about biological and psychological sciences to a health and healthcare context. These two streams prepare students for the four year Bachelor of Medicine/Surgery section of the degree.

In the Bachelor of Medicine/Surgery students get the opportunity to complete clinical placements after the first two years. During the first two years there are three broad themes covered: doctor and patient; knowledge of health and illness; and thirdly, doctor, the profession and society. In third year, students work alongside clinicians as apprentice doctors. All students study the key areas of the medical discipline – Medicine, Anaesthesia and Surgery, Paediatrics, Obstetrics and Gynaecology, General Practice and Psychiatry. In third year there is an opportunity for a small number of students to go on exchange to St Georges Medical School in London. In the final year students choose their programs and continue the practical application of their learning throughout the year’s 7 six-week attachments. There is also the option to complete two electives abroad for those who like to travel.

Course applicants are ranked based on an entry score combining TER (90%) and a Undergraduate Medicine Admissions Test (UMAT) derived score (10%), which will be based mainly on sections 1 and 2 of the test. Registrations for the UMAT open in April and close on June 4, with the test held in July. This is the only opportunity to sit the test each year. This course offers a fantastic opportunity to learn in one of the most progressive schools of medicine in Australia and prepares graduates for exciting careers in medicine.

Find out more: Students can talk to the faculty about their future plans and what Flinders has to offer. Telephone: (08) 8201 3074 or 1300 657 671 (local call cost within Australia) or Email: success@flinders.edu.au

General Careers Update:

GAP YEAR INFORMATION EVENING - VOLUNTEERING OVERSEAS - PROJECTS ABROAD
Projects Abroad is holding an information evening for interested year 12 students in Melbourne. It is aimed at anyone interested in volunteering overseas during their summer break or as part of a gap year and will be a lively evening where students can meet fellow volunteers and find out a lot more about the opportunities with Projects Abroad.

The event details are: Tuesday 15th June, 6.30 - 7.30pm (plenty of time for questions afterwards) 364 Church Street, Richmond, 3121. Anyone interested should reserve their free places at: www.projects-abroad.com.au/more-info/meet-us

If you require any further information, please contact Will Pashley, Projects Abroad Australia & NZ on 1300 132 831 or visit the website: www.projects-abroad.com.au

SPORTS NEWS
ACC SPORT
This being Founders Week, is another big occasion for all sporting teams at the College. All our teams in both Football and Soccer will present a medal to a player that the coaches think displays the spirit of our Founder, courage, passion, community and leadership! All these qualities stand young men out from the rest, and I have no doubt that all coaches will struggle to award such an honour, when so many are already displaying such characteristics. I will print next week, all the winners of these medals and they will be presented at a full College Assembly.

This spirit was no more evident in both our senior Football and Soccer teams last Wednesday, when they all played with great spirit and determination against high quality opposition. The football team played against the best team Whitefriars, and battled very courageously. They were in the game up until the final minutes! The soccer boys were two players down due to injury, and playing against last year’s fellow grand finalists, were able to hold them to a 4 all draw. What fantastic display of persistence and determination from our students.

Our senior soccer team played yesterday against Salesian, and had a very convincing win! It was great to see the sportsmanship displayed by both teams, and credit to all for the high quality game. It was a wonderful sight to see Mr Davie there to present the “Egan / Davie” trophy back to Mazenod. This trophy marks the great contribution both Sport Directors have had in establishing soccer in our respective schools. As is the tradition of all our senior sporting contests, both teams came together after the match to share a drink and bite to eat. It was great to see young players mix after playing with such determination during the game, and gain a greater respect for each other! Congratulations to Mr Montoya, and the soccer team who finished on top of their Pool and wait to see whom they will play in the Semi Final.

We also congratulate Matthew Arnot of Year 11, who last week represented the Mazenod Old Collegians in the senior team. We believe Matthew is the youngest player to have represented the Mazenod Old Boys senior team. He joins a list that includes Heath Black, Dean Kelly, Nick Lewton, and Gus Patti who have all debuted for the Old Boys while still being a student at the College.

We believe Matthew is the youngest player to have represented the Mazenod Old Boys senior team. He joins a list that includes Heath Black, Dean Kelly, Nick Lewton, and Gus Patti who have all debuted for the Old Boys while still being a student at the College.
This is a great achievement for Matthew who also plays for the Oakleigh Dragons in the TAC Cup competition. Matthew has played every game possible for the College on a Wednesday and also been able to perform at his best on the weekend being named in the best players on a number of occasions. It shows that with correct training and monitoring, players can play both competitions at once.

While on the ACC competition, it is also worth noting that over the past 3 weeks, the Senior Football team has played in front of recruiting representatives from Essendon, Hawthorn, Eastern Rangers U/18 and St. Kilda. We know this because they have approached us regards the numbers and names of players. It shows again that the ACC competition is a highly regarded grooming ground for future AFL players, and I would hesitate to say that most of our boys would have more chance of being seen by AFL recruiter by playing in the senior team.

SPECIAL INVITE
Fr Michael has already written about some of the initiatives for this weekend at Central Reserve as the Old Boys take on Rupertwood in the Founders day clash. Everyone is invited to enjoy the day, it is a great time for current and past students to come together in celebration of the College. With all four teams playing on the day I am sure you will see some amazing talents and feats by current and former students.

Last weekend the senior team got back on the winners list with a hard fought win against Fitzroy. Matthew Arnot was named in the best, with a former premiership coach of the club expressing that he thought Matthew was Mazenod’s best player. The reserves had another big victory with Mr David Regan starring with a best on ground performance. The Under Nineteens had their first loss of the season.

Results

Soccer
Seniors 12 vs Saleian 2
Goals: Greco 3, Begashaw 2, Fotopoulos 2, Holmes 2, Coulter 1, La Greca 1, Marino 1
Best: La Greca, Greco, Holmes, Coulter, Rest of team. Mazenod finish on top of their Pool.

Senior Seconds 3 vs Parade 1 – (currently sit on top of their Pool.)
Goals: Bassy, Ng, Rice
Best: Pahor, Ng, Rossello, Sibrava, Morales

Year 7 Div 2
Best: Boissezon, Quintal, Miciuk, Velupillay, Jurina
