Even though many of us look forward to holidays very much, work can still be a necessary and rewarding experience for us.

There is a great dignity in work and the Catholic Church has this principle as one of its major social teachings.

In a marketplace and society where too often the bottom line takes precedence over the rights of workers, the Catholic Church believes that the economy must serve people, not the other way around. Work is more than a way to make a living; it is a form of continuing participation in God’s creation. If the dignity of work is to be protected, then the basic rights of workers must be respected - the right to productive work, to decent and fair wages, to organize and join unions, to private property, and to economic initiative.

Respecting these rights promotes an economy that protects human life, defends human rights, and advances the well-being of all. The Church’s social teaching is a rich treasure of wisdom about building a just society and living lives of holiness amidst the challenges of modern society. It offers moral principles and coherent values that are badly needed in our time.

In this time of violence and diminished respect for human life and dignity in our country and around the world, the Gospel of life and the biblical call to justice need to be proclaimed and shared with new clarity, urgency, and energy.

Taking the above into consideration, I have had the honour of visiting several of our Year 10 students on Work Experience placements. These students were working in Hospitals, Universities, Building Sites, Factories and the Automotive Industry. In each and every place I visited I saw the great dignity of work and the sense of fulfilment it can bring. It was a wonderful and refreshing reminder that life does exist outside my own workplace here at the College.

The experiences of the boys were also very enlightening. Some were learning how to make a bed (Hospital), change a tyre (Auto Mechanic) and construct a house. All of the boys said that they felt extremely tired at the end of the day and maybe, just maybe, they have had a greater appreciation for the hard work and sacrifices that their parents make in providing them with all of the opportunities that they do.

My visits were part of a larger effort from the ent...

OTHER NEWS

Transport Problem at Springvale

The College has received several complaints about students pushing to get to the front of the queue at the bus stop near Springvale Station. It has turned into a practice that is seen as “a game” by some boys, but someone is going to get hurt if it continues. Grendas has offered a few possible solutions. These include: having inspectors check the boys on to the bus one by one; closing the doors and leaving the boys at the stop if they are unruly or having them met by a staff member at the College to collect names of those travelling on the bus when unruly behaviour occurs.

Staff have been travelling to the location but of course the students’ behavior is exactly what we would expect when a staff member is in attendance. It is not practical or logistically possible for parents or teachers to be supervising students travelling to and from school. We expect them to be responsible. The students have been made aware of the problem and we expect the problem to be resolved.

### Holmesglen Institute of TAFE Update:

**DIPLOMA OF NURSING**

Starting in February 2011, Holmesglen will be commencing the Diploma of Nursing. The Diploma will replace the current Certificate IV in Nursing in Victoria, in line with other states and territories throughout Australia.

**Course length:** Full-time: 18 months.

**Location:** Moorabbin campus

The Diploma of Nursing provides training for registration as an enrolled nurse. There are 26 units of study in all, delivered over three semesters. Students will be allocated 400 hours of clinical placement at accredited healthcare facilities throughout the study period. The Diploma of Nursing provides an entry pathway for students to the Bachelor of Nursing, which may be an attractive option for those students who initially do not meet the entry requirements for the Bachelor of Nursing.

**Career opportunities:**

Enrolled nurses are employed throughout the health and community sector in hospitals, aged care, rehabilitation, and mental health and community facilities.

**Prerequisites:**

All applicants will be required to

- complete the application form
- pass an entrance exam administered through VETASSESS
- attend an interview
- be motivated to work in the health care sector.

**How to apply:**

Apply directly to Holmesglen.

**Commencement dates:** February and July

**Further information:** Health Science & Biotechnology Department,
Telephone: 9209 5606, Email: info@holmesglen.edu.au

### MID-YEAR COURSES

Holmesglen offers over 120 courses which start midyear. Applications are still opened with most courses commencing on 12 July 2010. For further information, Telephone: 1300 MY FUTURE, Website: [www.holmesglen.edu.au/midyear](http://www.holmesglen.edu.au/midyear)

### VICAL YEAR 12 - DIPLOMA OF NURSING

**Why would I do this course?**

This is a great pathway for those students who really want to get into nursing, but have not completed a VCE year 12. Previously nursing would not be possible unless you had a VCE year 12 pass, or waited until you were mature age. This also opens up the possibility of moving into the tertiary sector to complete a Div 1 course at university, and receive credits for your Diploma. A Diploma of Nursing qualification leads to many different career options, and the opportunity for further study.

**Where:** Berwick TEC

**How long does it go for:** Full Time year 12—completing the Diploma the following year.

**When does it start:** February 2011.

**What do I need to get in:** Year 11, and VET Asses test at Diploma level.

You can obtain further information by attending the information evenings at Berwick TEC or by calling 9212 4577:

Information sessions will be held on:
- Wednesday 21st July - 6.00 – 8.30 pm.
- Wednesday 18th August - 6.00 – 8.00 pm.
- Saturday, 16th October: 10:00—12:00pm.

**SPORTS NEWS**

**ACC SPORT**

As I write this, we are preparing for our two Year 8 Soccer Teams to play off in their respective Grand Finals against St Bernard’s and Parade College. Both teams have performed extremely well and we wish them every success. By the time you read this the results will be known, so fingers crossed they are both positive results! All our junior results will follow in next week’s newsletter!

On Wednesday our Senior Seconds team played off in their Grand Final at Darebin Soccer Centre. In a dramatic ending, we unfortunately lost in extra time with a golden goal from St Bernard’s. The boys were trailing all day, and with minutes to go were able to score the equaliser thanks to a great goal from Robert Morales. The game went into extra time and as luck would have it St Bernard’s were able to use the strong breeze to advantage and score. It was very pleasing to see that the Mazenod boys were very gracious in defeat and the sportsmanship shown by each was a credit to them. A big thanks to Mr David May for coaching the boys throughout the season.

We also thank the Montoya brothers, Marco and Emilio, as well Mr Jason Crabtree for taking on the job of coaching these teams. Both teams have been prepared as well as they can be, and I am sure they will get the result they deserve.

All our other ACC Teams have now completed their seasons and I thank all the boys who represented Mazenod for their time and efforts. I am sure each is richer for the experience and I thank each of them, and the staff involved for their commitment.

We received news the other week that Year 8 student, Alex Urban has been selected in the Under 15 Victorian Schoolboys Football team to play at the National Championships in July. It has been an exhausting program for Alex with school and club commitments. Alex has risen to the challenge and also been prepared to attend the numerous try outs and practice games to gain selection in the final squad!

While on Year 8 students, Anthony Ziino and his brother Joseph have again been selected for the second time this year to represent Australia at the World Taekwondo Championships/ Expo in Korea. This is a fantastic achievement by both boys and we wish them all the best. Another reminder that all jumpers need to be returned washed and cleaned. In particular the soccer tops need to be returned ASAP as they are required for Hockey in term 3. If jumpers could be returned by each was a credit to them. A big thanks to Mr David May for coaching the boys throughout the season.

**JOHNSON/DAVIS CLASH**

A reminder that everyone is invited down to Elsternwick Park next Wednesday evening the 23rd of June to watch our Senior Football team take on Salesian College in this annual clash. The Combined Mazenod team will play the Mazenod Panthers in a curtain raiser at 5pm, followed by the senior clash at 6.15pm.

**OLD COLLEGIANS**

The Old Boys enjoyed a rest on the long weekend! Former Old Boy Rob Mann was selected to represent the Victorian Amateur U/21 side in Queensland, and by all accounts played very well in a game that plenty of AFL talent scouts were at! This week the Old Boys have a very important clash at home against Ormond in what is looming as an early final. Try and get down and enjoy the game.
