The College is still enjoying the afterglow of a truly magnificent Musical Production of Beauty and the Beast. Just over 2200 people witnessed the Musical which showcased the fine talents of both schools.

Mazenod College and Avila College enjoy a very close relationship through the Musical and I would like to commend all of the students involved from both schools. That relationship of friendship and respect has been enhanced through the Production. I was also fortunate to be invited by Killester College to their Musical Production at the Drum Theatre in Dandenong. Killester’s Production was “The Silver Donkey”. I congratulate the staff and students on their production which was very daring and moving. I am particularly pleased that we have a very healthy and positive relationship with Avila and Killester. Along with Sacred Heart Oakleigh, Nazareth, Salesian and St John’s Dandenong, our region is rich in quality Catholic education. This is something to treasure.

At the end of every performance, I tried to thank those who made a valuable contribution to the Musical. We dare not even try to add up the hours involved as we would be overwhelmed. The costing, sets, props and make-up were stunning and required great work and effort. Ms Kaye Williamson, Mrs Cris Moroney, Ms Lynne Dickenson, Ms Jacinta Fox, Mrs Esther Herdina, Mr Scott Carruthers and a team of volunteers deserve our appreciation and respect. My apologies if I have forgotten anyone.

A special thanks is offered to Mrs Lucy Poretti (mother of Marcus, Christian and Lucas) who generously donated her time and products in the area of make-up for the musical. I had been kindly invited to the Poretti’s for dinner and Lucy happened to mention that she had some experience in make-up with Musicals. She willingly expressed a desire to help out with the Musical and we willingly accepted. Lucy also provided products and staff assistance and I want to acknowledge Atelier Make-Up (www.ateliermakeup.com) for their kind assistance.

During the week, two major parents’ events occurred. The first saw over 400 people attend the Year 11 Subject Selection evening and the second saw 20 people attend the combined Mothers’ and Fathers’ Association Mass and meeting.

While I was obviously pleased to see so many parents attend the subject selection, I had hoped that the Parents’ Association might have had more. I was humbled to be in the presence of mums and dads, who in spite of busy schedules, were giving of their time to continue to support the College. I sincerely do encourage all Mums and Dads to make an effort to attend the Meetings. This particular meeting looked at Solar Panelling for the school and an outline of some of the major developments of the College. It will be at these meetings that I seek feedback on the direction of the College and this is one of the ways to have an open and direct dialogue with the College. I will highlight the dates of the next meetings and hope that more parents may be able to come. I do appreciate that everyone has a very busy schedule, so I am very grateful for all those who make an effort to attend.

One announcement that I made at the Meeting concerned the way in which some of our Religious Education Programmes will be delivered next year. We have entered into an agreement to have a NET (National Evangelisation Team) resident in the College for 2011. The Vision of NET as contained on their website (www.netministries.com.au) is as follows:

Young people are screaming out for meaning and purpose and for something to believe in. This is the challenge that the teams from NET Ministries take up as they travel and live in cities and towns, in schools and parishes throughout this nation. The teams present a vision for life which challenges, equips and encourages young people in their day to day circumstances.

At the heart of the ministry is the personal witness of our team members, young men and women who have experienced in their own lives the transforming power of God’s love and the difference that this love can make. We offer young people positive life skills and leadership training as well as running programs which cover areas such as sexuality, social responsibility, peer pressure, self image, family issues and life purpose.

This peer to peer, value-driven ministry is very effective because it offers a radical alternative to what is offered by society at present. NET teams bring their own positive stories, struggles, willingness to listen and relate on a youthful level that is indispensable. Just as chaplains in schools are there, standing beside youth in their day to day situations, so too are NET teams. Whether that is by playing sport, lending a listening ear, connecting them to the help they need, teaching life skills or jamming on a guitar, the message to young people is the same - they are important, loved and valuable.

I am very optimistic about the tremendous value that the NET Team will bring to the community here at Mazenod. We have launched a programme of Youth Ministry already this year in Year 9 under the guidance of the CSYMA (Catholic Schools Youth Ministry of Australia) Programme. The NET Team will work in close collaboration with CSYMA to help support every student of the school. The NET Team will support Community Service Programmes, classroom teaching and liturgies among other things.

There will be an international team of 5 young people (3 boys and 2 girls) who have volunteered a year of their lives to come and be of service to the students, staff and families of the College. This is a genuinely exciting and wonderful opportunity to build on the already immense pastoral care provided here. Having an Oblate chaplainry of 4, a NET Team of 5 dedicated young people as well as an incredibly caring and supportive staff gives our students many aspects of service. The Team will be under the guidance and direction of Mr Jeremy Wright who is our Religious Education Coordinator – Faith and Mission.

I encourage you to look up the website of NET and as the new year approaches more details will be offered. www.netministries.com.au Please keep the date of August 29 free, as this will be the date of the Opening of our new Football facility. A full invite will be contained in next week’s newsletter.

Take Care and God Bless
Fr Michael Twigg O.M.I.

MOTHERS’ AUXILIARY

Thank you to all who attended this week’s combined Mothers’ Auxiliary and
Parents’ Association Meeting. The night started off celebrating Mass with Fr.
Michael and then a very interesting presentation with Mr. Nathan Baker and
Mr. Greg Collins from the College on solar paneling.
Thank you to Father Michael, Nathan and Greg it was very much appreciated.
The next Ladies Auxiliary meeting will be on Wednesday 25th August 2010
commencing with Mass at 7.30 pm followed by meeting and supper in the
Conference Room.

ALL WELCOME!
(No membership is required to attend)

Entertainment Books for 2010-2011 are in stock!
The Entertainment Books for 2010-2011 are now available and can be
purchased from the Front Office for $65.00.
(Only cash or cheque payments.)

OTHER NEWS

EMA APPLICATIONS FOR SEMESTER 2 2010

Application Forms for Education Maintenance Allowance are now
available for the second instalment for parents of new students
entering the College, for parents who were not eligible for the first
instalment or did not make an application for the first instalment.
Application Forms for Education Maintenance Allowance are available at
the College Office.
To be eligible to receive the EMA you must
• be either a parent or guardian of a primary or secondary
school student up to the age of sixteen; and
• be an eligible beneficiary of a Centrelink pension, allowance or
benefit within the meaning of the State Concessions Act 2004
or be a Veterans Affairs (TPI) pensioner or be a foster parent
The above eligibility criteria must be met as at the first day of 3rd term
(12th July 2010). Your original card must be presented with your
application for photocopying.

THE LAST DATE FOR APPLICATIONS IS 6th AUGUST 2010

St Peter’s Clayton
The Saturday evening VIGIL MASS will be at 6.00 pm
as from 31st July 2010.

Mazenod College
Warmly invites all parents, especially Mothers and
Grandmothers to celebrate the College Mass in
honour of Our Lady

CAREERS AND PATHWAYS

Monash University Update:

2011 SCHOLARSHIP APPLICATIONS TO OPEN SOON!
VTAC applications for 2011 Coursework Scholarships and Bursaries open
Monday 2nd August. Details of the Monash scholarships and bursaries available,
including the eligibility and selection criteria, can be found in the 2010
Coursework Scholarships Guide or on www.adm.monash.edu/scholarships/
Year 12 students must submit a scholarship application via VTAC
www.vtac.edu.au/scholarships.html to be considered for a range of merit and
equity based scholarships. Students deferring their tertiary studies in 2011
should submit an application for scholarships via VTAC this year. A number of
scholarships are only available to current Year 12 students and may be
delayed. Applications close 5:00pm (AEST) Friday 29 October 2010.
More information: Erin Cotton on 03 9905 9122 or visit the website:
www.monash.edu/scholarships/

DIPLOMA OF TERTIARY STUDIES
The Diploma of Tertiary Studies, a one-year pathway program offered at the
Gippsland, Berwick and Peninsular campuses, enables students to become
eligible for entry into Monash University degrees offered by the faculties of Art
& Design, Arts, Business, Education, IT, Nursing or Science. For entry in 2011
onwards, applications for the Diploma course (DoTS) will be made via VTAC.
Students interested in pursuing a Monash degree from one of the previously
mentioned faculties should consider selecting a DoTS program as a back-up
tertiary option among their VTAC preferences. This will ensure that they have a
tertiary pathway option as well as their ‘dream course’. Students need to
lodging a separate preference for each of the campuses on which they would like to
undertake DoTS. In addition to selecting their VTAC preferences DoTS applicants are required to:
• Complete and submit the Monash University DoTS supplementary
information form
• Download the DoTS ‘School Report’ form and submit it to their
Principal, Principal’s delegate or VCE Coordinator for completion
and submission to Monash University by 3 December (direct
submission from Principal’s office).
  o Very late applications and applicants who add this
course during Change of Preference period must
submit the form and school report by 20
December.
• Ensure that they apply for any SEAS (Monash Special Entry
and Access Scheme) bonuses (where applicable).
To download forms go to the DoTS website:

DoTS INFORMATION SESSIONS
These sessions are a must for any intending applicant. Academic staff as well as
Monash Selection Officers will be in attendance to provide valuable
information and advice. Dates are as follows:
  • 15 December – Berwick 10am -12pm / Peninsula 2pm – 4pm
  • 16 December – Gippsland 10am – 12pm
More information: T: 03 99026339 or 03 51226339, or email
humcass.info@monash.edu or visit the website:

FACULTY OF BUSINESS AND ECONOMICS – NEW COURSES UPDATE
1. New Commerce degree for high achieving students
The Bachelor of Commerce (Deans Scholars program) is a new program
developed for high achieving students, and will be available in Semester 1 in
2011. This alternate version of the Bachelor of Commerce, offered at the
Clayton campus, and includes a $6000 per annum scholarship, mentoring by
senior faculty staff and opportunities to attend guest lectures and seminars.
Interested students must apply through VTAC, further detail will be available
shortly.

2. New Bachelor of Business degree at Peninsula
Campus: Peninsula
Prerequisites:
• Study score of 25 in units 3 and 4 and Maths (any) and a
study score of 25+ in English or 30 in ESL.
Duration: 3 years full time
The new Bachelor of Business is a problem-based learning degree that will
develop prospective students into critical and creative scholars who will be
capable of producing innovative solutions to problems, apply research skills to business challenges and communicate effectively and perceptively. The degree offers two majors: Business Strategy and Tourism. It also allows students to complete a second major in another Monash faculty, at another Monash campus or participate in study abroad programs. This degree does not use a traditional lecture or tutorial format; instead students discover information, analyse and critique that information, create an argument and defend it by working through real life problems and scenarios with a small team of fellow students and an academic mentor. This type of learning requires creativity and the ability to think logically and conceptually. For this reason it suits high performing students who like the challenge of problem solving. The Work Integrated Learning component of the PBL structure means that students get hands on experience before they leave university. Importantly, the work integrated component of their course is aligned to their chosen major, meaning that their experience is directly related to their future career direction and their experience is specific to the industry they wish to work in. The Bachelor of Business comprises of 6 core units, a major of 8 units, 8 units of complementary study and a work integrated learning placement or industry project equivalent to 2 units. More information: annabel.oneli@buseco.monash.edu.au.

FACULTY OF ARTS UPDATE

1. New in 2011 - Bachelor of Arts (International)

Duration: 3 years full time

Campus: Clayton and Caulfield

Entry Requirements: ATAR as for the Bachelor of Arts

Beginning in semester 1, 2011 the Bachelor of Arts (International) is a course with an international focus and a compulsory language component. As with the Bachelor of Arts (Global) there is also a compulsory overseas study component for at least one, but up to three semesters. The course aims to produce students with high levels of language proficiency and a deep understanding of intercultural language. It will be attractive to students who may want to live, work or travel overseas extensively in their working lives, those who come to university with language skills that can be enhanced and those who want to develop cross-cultural skills and knowledge and engage with other societies and cultures directly. By strengthening communication skills between different cultures, the BA International will also develop graduates who can contribute to social cohesion in Australia by promoting the value of languages and cultures in our diverse community and equip them with skills that will enable them to function effectively in an increasingly multicultural society.

2. NAME CHANGES

- The Bachelor of Communication will now be known as the Bachelor of Professional Communication, and this also applies to all double degrees with this course (Monash course codes 1275, 3909, 1945.)
- The Bachelor of Arts (Communication) will now be known as the Bachelor of Arts (Professional Communication), and this also applies to all double degrees with this course (Monash course codes 1708, 3911, 2130, 4040)
- The Bachelor of Social and Community Welfare will now be known as the Bachelor of Community Welfare and Counselling, and this also applies to all double degrees with this course (Monash course codes 1731, 1806, 1802, 1798)

3. NEW COURSES

- 4073 - Bachelor of Arts and Social Sciences (this has replaced the Bachelor of Arts at Gippsland)
- 4074 - Associate degree in Arts and Social Sciences
- 4075 - Bachelor of Social and Community Welfare and Diploma of Community Services (Alcohol, Other Drugs and Mental Health)
- 4076 - Bachelor of Social and Community Welfare and Diploma of Disability
- 4077 - Bachelor of Arts (International)

FACULTY OF MEDICINE, NURSING AND HEALTH SCIENCES UPDATE

New High Performance Programs in Biomedical Science

- Bachelor of Biomedical Science Scholars Program
  Campus: Clayton
  Prerequisites: VCE Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 40 in Chemistry and one of Physics, Mathematical Methods or Specialist Mathematics.
  2010 Clearly-in ATAR: 99.00
  Duration: Three years (can be accelerated)

- Bachelor of Biomedical Science (Advanced Honours)
  Campus: Clayton
  Prerequisites: VCE Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 30 in Chemistry and one of Physics, Mathematical Methods or Specialist Mathematics.
  2010 Clearly-in ATAR: 96.60
  Duration: Four years

These high performance programs offer:

- Special mentoring and guidance;
- Unique experiential opportunities;
- Pathway to PhD programs; and
- Accelerated pathway to an Honours degree (Scholars Program).

More information: www.med.monash.edu.au/biomed

CORRECTIONS TO THE FACULTY’S UNDERGRADUATE COURSES 2011

Brochure

Please note that the Course Guide published specifically for the Faculty of Medicine, Nursing and Health Sciences contains some errors in the ‘Preamble’ section and should read as follows:

Bachelor of Emergency Health Science (Paramedic) - Page 7
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and Maths (any)

Bachelor of Midwifery - Page 16
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, VCE units 1 and 2 one of General Mathematics or Mathematical Methods (either) or VCE units 3 and 4 Maths (any).

Bachelor of Nursing - Page 17
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, VCE units 1 and 2 one of General Mathematics or Mathematical Methods or VCE units 3 and 4 Maths (any).

2010 Clearly-in ATAR: 78.25

Bachelor of Nursing Practice - Page 18
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, VCE units 1 and 2 one of General Mathematics or Mathematical Methods or VCE units 3 and 4 Maths (any).

Bachelor of Nursing Practice and Bachelor of Midwifery - Page 19
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, VCE units 1 and 2 one of General Mathematics or Mathematical Methods or Units 3 and 4 in Maths (any).

Bachelor of Nursing (Psychological Studies) - Page 20
Prerequisites: VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, VCE units 3 and 4 Maths (any).

Bachelor of Nursing and Bachelor of Emergency Health (Paramedic) - Page 21
Prerequisites: VCE units 3 and 4 of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in Maths (any).

Victoria University Update:

NEW COURSE BACHELOR OF INFORMATION TECHNOLOGY (NETWORKS AND SYSTEMS COMPUTING)

The Bachelor of Information Technology (Network and Systems Computing) equips students with skills and support required to gain a graduate level position within the IT industry. It fills a growing market need for graduates skilled in systems administration with networking expertise. For further information contact Grace Tan, email: grace.tan@vu.edu.au

NEW COURSE BACHELOR OF ENGINEERING SCIENCE (SPORTS ENGINEERING)

The Bachelor of Engineering Science (Sports Engineering) equips graduates with the practical, academic and technical skills necessary for a career in key industries and organisations connected with Sport Engineering. These include professional sports associations and clubs, institutes of sport, equipment manufacturers, sport infrastructure and elite level sports research, and athlete development. For further information contact Ian Fairweather, email: ian.fairweather@vu.edu.au

La Trobe University Update:

NEW DOUBLE MAJORS IN BUSINESS DEGREES

La Trobe’s Faculty of Law and Management will offer three new double majors in 2011 as part of its new Bachelor of Business (Event Management) and Bachelor of Business (Tourism Management) courses:

- Event Management/Marketing
- Event Management/Tourism Management
- Tourism Management/Marketing.

Read more about all new La Trobe degrees at www.latrobe.edu.au/study/la-trobe/new-courses

Fri 06 Aug Stella Reichichi, Karen De Wilde, Rosie Jurina

SPORTS NEWS

The term has already started to get away from us and we are only three weeks in to term 3. Congratulations to the 6 students who competed in the Victorian All Schools Cross Country. Well done to Thomas McMorrow who finished 16th in the U/20 age group and Rehan Najar who finished 26th. Thomas is now in line for State selection.

Our Year 7 swimming dynamo Joel Watson enjoyed a very successful carnival at the Australian Institute of Sport recently in Canberra. Joel won 4 gold medals
and 2 silver medals. Joel in doing this broke records in the 50m and 100m backstroke. We congratulate Joel on his efforts!

Jack Cummings in Year 11, came 3rd in the Victorian Cycling Championships held recently, competing in the road race. This was a fantastic effort given Jack was unable to train for 2 weeks leading up to the event due to a fractured eye socket and check bone received in a cycling accident when he dodged a car door and his front tyre exploded. So next time you curse a cyclist just remember it could be one of our own students!

Scott Gilmore in Year 8 also had a sensational result at the Victorian Table Tennis Championships winning the U15 Mixed Doubles title with his playing partner Rosa from Killester College! Scott has an outstanding talent and has excelled in the ACC competition in his short time at Mazenod, not losing a single game.

All our table tennis teams have started their respective season extremely well winning every match we have competed in. Thanks largely to staff such as Mr Peter Riley, who had to watch over 60 year 7 students try out and then narrow a squad to 12 players! It is a very difficult process and Peter puts a lot of time into ensuring each student has a fair chance to make the team. At times students and parents are disappointed that they do not make the final cut and we endeavour to give everyone a fair chance in the short time we have to prepare teams. With so many students trying out for teams, you would compare the process to a student trying out for a representative team. It is a very competitive process where the elite stand out.

This certainly does not mean we don’t get it wrong sometimes either! Students can slip through without being noticed in the rush. All staff do their utmost to ensure we see every student, but circumstances sometimes prevent this from happening! Students can also have an opportunity to shine at a tryout and may just be having an off day. I would encourage all students in this position to keep striving and training to show everyone their full potential!

I have certainly been encouraged by the large number of students who have tried out for sports in 2010. We have a number of carnival sports starting at the moment, with Cross Country and Swimming (2011). The coaches have planned a number of training sessions and we are encouraging students to get to as many as they can! Yes as many as they can, not everyone. A lot of students get scared off by the training for cross country, as an example. We never have, and do not expect, your son to complete every session, but come and talk to staff about a realistic program. We understand that many students are still involved in sport outside the school and we endeavour to work with your son so that he can represent both the College and his local team.

For most students, the Cross Country event involves a 3 km race. Hardly a spot if they keep winning. The seconds and U/19s are not too bad either! Students can slip through without being noticed in the rush. All staff do their utmost to ensure we see every student, but circumstances sometimes prevent this from happening! Students can also have an opportunity to shine at a tryout and may just be having an off day. I would encourage all students in this position to keep striving and training to show everyone their full potential!

**Sportsman Night 2010/ Change of date**

Due to the ever increasing calendar and the demands on our Year 12 students in late October we have decided to move the Sportsman Night to **Wednesday, September the 15th**. This night is to acknowledge the efforts of our ACC sporting teams and to present trophies to those students who have been lucky enough to win one. The night will be held at the Drum Theatre, Dannongen. Invitations will be sent out to students in the near future. Those students who compete in Term 4 sports will receive their awards at a special assembly at the end of the year, as we have done previously.

**OLD COLLEGIANS FOOTBALL CLUB**

The Old Boys had one of their best wins in years when they defeated the top team Caulfield Grammar on the weekend. In a tough and fierce contest the Old Boys pushed away from their opponents in the last quarter. 150th game player, and former student Dave Hansen put some polish on his achievement by kicking the winning goal. Lachlan Allen, Stuart Inglis, Peter Stanley, Jace Kelly and Thomas Bailey all played exceptionally well. The senior team was inspired by the seconds who also knocked off the top team by 50 points. Michael Regan, John Fahey and Fred Deegan were amongst the best players. The U’19’s continue to march to the finals with a comfortable 6 goal win, with Sam Jones booting a lazy 6 goals. The Old Boys travel out to Sunbury this week and still have a chance to grab 4th spot if they keep winning. The seconds and U’19s are nearly assured of Finals action!

**OLD COLLEGIANS CRICKET CLUB**

Training begins soon for both senior and junior teams. The seniors start on August the 28th at 10 am here at the College nets. Any student wishing to play senior cricket is welcome to come along. The next session is on Wednesday the 1st of September at The Clayton Cricket Centre at 8pm in the indoor nets. You can check their website for details and keep an eye on the newsletter for further details.
