Last week I announced the significantly great news of funding for Catholic Schools, which forever depoliticises funding from election issues. Both Labour and the Coalition agreed to link funding to the Government sector (25%). The Greens policy is to focus on strengthening the Public Education System “so that it sets the standard for education across the State”. It would be good to see that all students across Victoria benefit from Education resources and funding.

Funding for schools is only one of many issues confronting our choices in the election. Recently the Victorian Catholic Bishops Conference published a resource to assist voting. The Bishops are not advocating any political party. That is not their role. They do however raise some issues and questions which you may wish to address to the candidates for election in helping inform your decision on whom to vote for.

The issues that were presented were handed out to each of the boys to be brought home and can be found at http://www.cam.org.au/stateelection.

The issues surrounding Life are of particular concern. The Bishops write:

Democracy means government, not only by the people, but for the people. For that to be so, every member of the human family must be treated with equal respect, no matter their level of ability or their age. Australia will be judged by our treatment of our most vulnerable, the unborn, the aged, the disabled and the sick. No person is a burden or a problem if every individual’s value is truly appreciated. The destruction of human life can never be an acceptable solution which is why the Church remains steadfast in its opposition to abortion and euthanasia.

Questions that could be addressed to your local candidate might be:

- Will you oppose any attempt to legalise euthanasia and assisted suicide whatever it may be called? What is your attitude to abortion?
- Will you work to provide better support for expecting and new mothers in our community?
- Do you respect the rights of conscience of health professionals, opposed to abortion, to refuse to refer for abortion?

Other issues that the document raise are: Family, Housing, Children, Education, Health and Aged Care, Community, Criminal Justice, Drugs and Alcohol and Religious Freedom. Please feel free to use this valuable resource to assist you in deciding where your valuable vote will be given.

I would like to commend the current effort at bringing in food for the St Vincent de Paul Christmas Food Drive. The efforts of the Mazenod Community will provide approximately 4000 items of food for Christmas Hampers.

Every family is asked to make a contribution to the Food Appeal if they can so that those who will struggle this Christmas may share in its joy.

May I also ask you to consider supporting the Oblate Mission to orphaned babies in China. Later in the year Mr Tony Coghlan, Fr. Andrew Chen O.M.I. and I will be accompanying 14 students to work in this orphanage as an alternative to schoolies. The information on supporting this work with babies who have severe disabilities and illnesses is contained elsewhere in the Newsletter but I do sincerely commend the work of this Mission. This support can double as a wonderful and meaningful Christmas gift.

While on the topic of giving, could I please ask all families to consider billeting one of our interstate cricket visitors here for Oblate Cricket Week. It is our turn to host the event and we are in need of some more families to assist in this gesture of welcome. The dates are Saturday 4th of December to Wednesday 8th of December and we would really appreciate any assistance, even if your son does not play cricket. Would you please contact Mr Adrian Connolly on 0488 788 276 if you are able to help?

The Mothers’ Auxiliary and Fathers’ Association recently held their Annual General Meetings and I thank them sincerely for their dedication and service to the Mazenod Community.

The following people have been elected to positions of leadership.

- Presidents: Sandra Mancini and Danny O’Hara
- V-Presidents: Amanda Mustica and Greg Tout
- Secretaries: Nancy Mete and John Macaulay
- Treasurers: Josie Morando and John Rodrigues
- Committee: Joe Kiss, Bill Coster, Darren Buswell and Tony Patti
I thank those parents who have finished their time as parents at the College and have their roles in the Mothers’ Auxiliary and Fathers’ Committee. I particularly thank Joelle Bruce and Julie Third for all of their time and generosity.

I would like to encourage as many people as possible to become involved in these fine groups as there are so many wonderful benefits in being involved.

During the past few weeks, we have undertaken consultation with both students and staff to elect our new School Captain for 2011. The role of Captain of the College is one of great significance and importance. It gives me great pleasure to announce that our new student leader for 2011 is Stephen Welsford of St John Vianney’s Parish. The Vice-Captains for 2011 are Sean Ong and Nevin Fernando. I congratulate each of the boys and wish them well in their new leadership roles. We will finalise the new Prefect positions at the end of the Year 12 Retreat/Camp in January and I will annouce them in the New Year.

Take Care and God Bless
Fr Michael Twigg O.M.I.

Mazenod College Newsletter
The College Newsletter will now be sent to you via email. For those Parents who have not supplied their email address, please ensure you provide this to the Front Office as soon as possible. For Parents who do not have an email address, a hard copy will be available for collection by students or parents each Friday after 8am from the Student Counter.

Textbook Sales
This year MazBay has been set up to assist the exchange of secondhand textbooks. Students have been issued with a username and password to log onto the site and enter details of the items they have for sale. They don’t need to login to buy. MazBay is offered as a service to the Mazenod Community. All sale agreements are personal between the seller and the buyer, so students are encouraged to check the details carefully. Library staff can assist with queries.

MOTHERS’ AUXILIARY

Mothers’ Auxiliary 2010 Christmas Party
Thank you to all that attended the last of the Mazenod Mothers’ Auxiliary function for 2010 with a “Christmas Party” on Wednesday night. It was so nice to see so many familiar and new faces attend this great evening.

The committee would like to sincerely thank Fr. Michael for starting the night celebrating such a beautiful Mass, acknowledging the Mothers throughout the service.

Danny Kennelly for attending and coordinating the music and hymns which were enjoyed by all.

The evening was a great success with good food, drinks and most of all great company. Congratulations to those who won door prizes. Acknowledgement was also given to Steve Putrino for all the help and support that he gives the Mothers’ Auxiliary throughout the year. It is greatly appreciated.

A Farewell and acknowledgement was given to Joelle Bruce and Julie Third for all their help and support as they leave the College after several years. And a thank you was also given to Margaret and Virginia for their help and support in making canteen duty a joy to attend.
The University of Melbourne Update:

**CHANGE OF PREFERENCE PERIOD: 29 NOVEMBER – 20 DECEMBER 2010**

The VTAC Change of Preference period provides students with the opportunity to add, remove or rearrange courses on their list of preferences for study in 2011. Students who achieve ATAR results higher than expected are among those who may choose to change their preferences during this period. The University of Melbourne Year 12 Change of Preference Guide, containing information on applications, VTAC and University key dates, courses, fees, scholarships and entry standards, can be accessed from the Change of Preference website at:

www.futurestudents.unimelb.edu.au/ugrad.cop

**SHOPPING CENTRE VISITS**

During Change of Preference week the University of Melbourne will be at a shopping centre near you. Keep an eye out for details on the Change of Preference website shortly.

**Course Information Day 2010**

**Thursday 16 December 2010**

Timed with the release of final Year 12 results, Course Information Day is the perfect opportunity to gather vital information about courses, alternative pathways, entry requirements and fees to help students make an informed decision about their future. Many of the sessions will be presented by leading academics from faculties and Graduate Schools. Students will have the opportunity to find out about their area of expertise and why they chose Melbourne.

Join the tailored course information sessions, guided campus tours and experience all aspects of the University campus and student life. Register for Course Information Day at:

www.futurestudents.unimelb.edu.au/events/vic/cid.html

**ACCOUNTING STUDENTS GAIN INDUSTRY MEMBERSHIP THROUGH BACHELOR OF COMMERCE**

While students can now pursue graduate study in accounting at Melbourne, the Bachelor of Commerce Accounting program remains the most direct pathway to working as a professional accountant in Australia.

Upon completion of the degree, students qualify for associate membership with accounting industry bodies. Many Melbourne graduates go on to pursue employment with one of the ‘Big Four’ accounting firms.

The Bachelor of Commerce has much more to offer than a straight accounting degree. Accounting students can complete an additional Commerce major within the three-year degree, as well as pursue interests in other disciplines. Fancy learning a language? Students will also have access to unique extracurricular opportunities, including consulting for real-world firms, travelling overseas, participating in case competitions, being mentored by top CEOs and working on student-led projects around the globe.

With its strong international reputation, the Bachelor of Commerce prepares students for a career in accounting and introduces them to a world of opportunity outside the classroom. Find out more about accounting in the Bachelor of Commerce. Visit the new Bachelor of Commerce website:

**RMIT University Update:**

**BACHELOR OF PHARMACY – APPLY VIA VTAC**

The new pharmacy degree at RMIT prepares graduates for a career in pharmacy and related industries. On graduation, students will have the knowledge, skills and attributes to enter an approved intern training program (one year), which leads to registration as a pharmacist. Please note applications will be via VTAC, not direct to RMIT as previously anticipated. Interested applicants will need to add this program to their preference list.

Pathways into the Bachelor of Pharmacy from 2012 include:

- Bachelor of Biomedical Science
- Bachelor of Biomedical Science (Pharmaceutical Sciences)
- Bachelor of Applied Science (Laboratory Medicine)

Students who successfully complete the first year of any of the above RMIT programs, may apply for entry into the second year of the Bachelor of Pharmacy. Places are limited and will be offered on a competitive basis for students who achieve a high GPA. Applicants can read more about the new Pharmacy degree and find the four easy application steps at

www.rmit.edu.au/medicalsciences/pharmacy

Pharmacy staff will be available to speak with at the Change of Preference information session:

**Date:** Thursday 16 December

**Time:** 11 am - 3 pm

**Location:** RMIT Storey Hall, 336 Swanston Street, Melbourne (next to Info Corner)

**Contact:** Medical Sciences, Tel. 03 9925 7075 Email: medicalsciences@rmit.edu.au

**RMIT PHARMACY DEGREE**

VTAC code: 31191

Prerequisites: Units 3 and 4 English (any), Chemistry and Mathematics (any) or Physics

Extra requirements: All applicants must complete and submit an RMIT University Pharmacy Supplementary information form by 20 December - obtain from:

www.rmit.edu.au/programs/vtacorm

**CHANGE OF PREFERENCE INFORMATION – 1800 117 648**

The Change of Preference Info line is available for students to speak with experienced staff members about their study options. The Info line will be open Monday 13 December to Friday 17 December from 8.30 am - 5.30 pm and on Monday 20 December from 8.30 am – 12.00 pm. RMIT is providing face-to-face advice during the Change of Preference period.

**ENGINEERING TAFE INFORMATION SESSION**

Students interested in Engineering are encouraged to attend the Change of Preference Engineering TAFE information session and learn about the various pathways into their preferred field of study.

**Date:** Thursday 16 December

**Time:** 12 noon (30 minute presentation followed by a tour of facilities)

**Location:** RMIT Storey Hall Theatre, level 1, 336 Swanston Street, Melbourne (next to Info Corner)

**Contact:** Engineering (TAFE) Tel. 03 9925 4648

**BACHELOR OF SCIENCE (GEOSPATIAL SCIENCE)**

From 2011, RMIT will offer an exciting new degree in Geospatial Science. Responding to industry demand, the Bachelor of Science (Geospatial Science) incorporates studies in geomatics, cartography and elements of information technology. This four year degree replaces the Bachelor of Applied Science (Geomatics).

**Duration:** Four years

**Location:** City campus

**Prerequisites:** Units 3 and 4 – English (any) and mathematics (any)

**Contact:** Mathematical and Geospatial Sciences, Tel. 9925 2283, Email: SMGS@rmit.edu.au

**PRE-APPRENTICESHIPS – A GREAT WAY TO GAIN AN APPRENTICESHIP**

RMIT Engineering (TAFE) offers pre-apprenticeships in Plumbing, Electrical and Refrigeration/Air-conditioning. Students who complete a pre-apprenticeship have a higher success rate in gaining an apprenticeship. With multiple intake periods throughout the year and a central location, RMIT Engineering (TAFE) is the ideal place to start a trade.

**CAREER OPPORTUNITIES FOR SCHOOL LEAVERS – PRE-APPRENTICESHIP ENGINEERING (MECHANICAL TRADE)**

RMIT University is opening the new Advanced Manufacturing Precinct at the City campus in 2011. This facility provides leading edge machinery and manufacturing tools for RMIT engineering students to use and produce projects in collaboration with industry. Industry employers are seeking people who are capable of demonstrating a passion for the industry and a willingness to learn, in this highly skilled and technical career. School leavers are encouraged to apply for a pre-apprenticeship leading to Apprenticeships and Diploma programs in engineering at RMIT. Pre-apprenticeships commence early next year, register your interest online at:

  - The Monash 2011 website is dedicated to providing the current Year 12 students with up to date information and resources:
    - www.monash.edu/monash2011
  - Change of Preference Expo
    - Wednesday 15 December
    - 11 am – 3 pm
    - Building H, 500 Dandenong Road, Caulfield Campus
  - Monash University will be holding a Change of Preference Expo to give Year 12 students a final opportunity to investigate Monash’s course, campus and pathway options. Representatives from all 10 faculties of Monash will be available to answer student questions. Presentations will also be held throughout the Change of Preference Expo from a number of faculties, detailing course information as well as pathway options. Change of Preference Expo is a great chance to find out further information to help students make an informed choice about their further study options. The program of presentations is now available on the Change of Preference website. The event is free and it is recommended that all students who would benefit from assistance before they finalise their VTAC preferences should attend.

SPORTS NEWS

Last Friday I attended an ACC Director of Sport meeting. The meeting involved preparations for 2011, but it also gave us a chance to say Farewell to 4 Sport Directors from the other Colleges. Between the 4 Directors we lose 43 years experience of leading the ACC Competition. At the end of the meeting we went out for dinner which was a great opportunity to thank them personally for all they have contributed. In my 11 years at the College, I have had a number of things to do with each of them and they have all been consummate professionals while upholding the values and traditions of the ACC Competition.

Without a lie, as I spent time with each of them, they all said that if one school they respected most and admired it was Mazenod. It took me by surprise, the praise they had for our students and the program we provide. They commented that whenever they come to our school they are always made to feel welcome and that the positive and respectful way they are treated by competitors and other students was always a positive experience. They mentioned also that they admired the positive manner that staff always have had when dealing with our students and theirs, and it was also very apparent the support given by all the Rectors and administration. I have mentioned before in one of my articles that we are the only school within the ACC that provides a sports program throughout the entire school. None of our fellow ACC schools have a weekly sport programs for their senior’s students, yet we still have the best VCE results. They are all truly amazed at this and it shows great foresight by our former Rectors that sport be such an important part of our curriculum and school life balance. Lastly, the other factor that stood out in their eyes was that Mazenod did not seem to have a sport that they would consider us to be very good at. They felt over time that we were the most consistent performing school in the ACC. They mentioned how well we have improved and performed in all the carnivals and that apart from Volleyball where we have been dominant for many years, there was not another sport that we have performed badly in from Year 7 to 12. It was very humbling to hear such positive accolades for what we do and though at times we all get frustrated, we all work together to give our students the best opportunities in sport. The praise I heard was reflection of all aspect and partners of the College, Parents, Students, Staff and Administration, all led by our past Rectors and continued by Fr. Michael. It also speaks very highly of the sports programs that run in union with the ACC Competition. I have no doubt our reputation in the ACC Competition is enhanced, supported and is continually improving due to our House sport program and the Physical Education programs all our students participate in.

This week concludes our ACC commitments for Term 4 and for 2010! I will go into more detail next week as to our results and efforts. As you can see on Tuesday we won our first Year 9 Cricket Premiership and also won another Tennis Premiership at Year 9. Our Volleyballers also had a great day out winning 3 of the 4 premierships. Well done to all who tried out and played.

OBLATE CARNIVAL

A reminder that training continues with our coaches Mr David Regan, Mr Dirk Van Heer and Mr David Bedwell on Monday nights after school, for approximately an hour. A preliminary squad will be announced shortly. We are still seeking parents who can billet students from our 2 brother schools Iona College and Mazenod WA for 5 nights over the carnival.

BILLETTING REQUIRED

As we are hosting both our brother schools we will soon be ringing parents to see if they can help out with hosting 2 boys from one of the Mazenod Colleges. We are asking that you can host them for 5 nights. Thanks to those who have already rung and offered assistance it is greatly appreciated. If you would like to help you can contact Mr May at the College on 8561 1164 or dmay@mazenod.vic.edu.au

OLD COLLEGIANS CRICKET CLUB NEWS

Poor cricketers again, far too much rain for them to play! Fingers crossed for this week!

FOOTBALL COACHING OPPORTUNITY AWAITS

If there is a parent or Old Boy out in our community that has a passion for AFL. Football and would love to start or continue a coaching career, the Mazenod Old Collegians Football Club may be the place for you. The Old boys are currently looking out for an enthusiastic and passionate Under 19 coach for 2010. The Team were runners up this season just losing the Grand Final, and is full of talent. If you are interested, you can contact me here at the College and I will pass on your details.
