Dear Mazenod Community,

During the past few weeks every student in the College has been participating in exam preparation and performance. Many boys have put in a tremendous amount of work to be ready for these exams and the Reports will carry news of the boys’ progress.

We have also just completed the VCAA Exams for some of the Year 12 subjects and the feedback from the external supervisors has been very positive. The boys have followed instructions and have maintained a wonderful respect for the whole process. We remain confident in the boys’ ability to do the right thing.

Our Year 8 Scholarship Tests also took place this week and the results will be published early in Term 3. There is sometimes significant pressure placed on students and families to look for scholarship opportunities elsewhere. The College results over the past 20 years have demonstrated that every effort is made to assist every student in achieving the best academic results possible. This effort is through dedicated staff, flexible programmes, hard work by students and loving support from families. I wish all the Year 8’s well in their Scholarship Exam at Mazenod.

I encourage every family to look at the Annual Report for 2010 that the College happily produces to meet our Government requirements. This report has been prepared by Mrs Marilou Flores in Administration and also Mr Noel Jenkinson, our Deputy Principal and offers a very insightful reflection on 2010. It can be viewed at: 

http://www.mazenod.vic.edu.au/content/annualreport

This week also saw the Year 10’s complete their studies for the Term. The next two weeks will see them participate in the College’s two week work experience.

This very significant opportunity is offered to every Year 10 student and will see them exposed to the great joys and challenges of the workplace.

The Programme has been coordinated by Ms Vivian Seremetis. There has been significant assistance from Mr Ben Cunningham and Ms Joanna Phillips and I thank them all for their effort and dedication in helping to facilitate this experience for the boys. I am genuinely looking forward to visiting the boys in the next two weeks. This visiting of the students by staff is a further demonstration of the great affection and support for the programme that exists within the College.

With all of the paperwork, regulations and safety concerns, many schools have decided that they would cease such a programme. Safety is such an important part of the experience and each boy has completed a work preparation course and also each workplace has made a commitment to safety.

The boys all fully understand the great responsibility that they have in maintaining and promoting our College reputation in such a wide variety of occupations. In each of the workplaces, the initiative, behaviour, attitude and work ethic of the boys will be on display. We genuinely realise that our boys get things right much more than they get things wrong. We know that the boys come from families that value honesty, hard work, cooperation and respect. It will be these qualities that are the trademarks of every workplace of integrity.

There is a great dignity in work and it is our genuine hope that the boys get to experience that dignity. The choice of opportunities is wide and varied and may assist in future career choices. It may also help the boys to realise that maybe they need to change career aspirations. I remember in Year 10 doing my work experience at the Queensland Ambulance. While I found the other workers to be wonderful people and dedicated to caring for the community, I discovered that my inability to look at injuries or blood probably meant that this was not the career for me! Such discoveries are why

Last week I thoroughly enjoyed watching Year 8’s involved in two very worthwhile activities. I was able to witness the Music Enhancement Class in their solo performances and I heard and saw great talent and commitment. I thank Mrs Andrea Kyriots and all of the music staff involved for their care and support of the boys. The talent was wonderful to see and the audience were treated to a great demonstration of skills.

The second event I witnessed was the Year 8 Badminton Team involved in the first year of ACC competition. Sean Ryan in Year 9 had requested that we form a Badminton team and see if it could become an ACC Sport. Through his suggestion and the avenues of the ACC, Badminton was introduced into Year 8 for 2011. As Sean was in Year 9 he missed out on realising his dream personally but was very happy to see the sport represented in the College Programme. I was able to witness the top of the ACC, Badminton was introduced into Year 8 for 2011. As Sean was in Year 9 he missed out on realising his dream personally but was very happy to see the sport represented in the College Programme. I was able to witness the top of the ACC Programme. OTHER NEWS

Mazenod-Avila Musical 2011

Bye Bye Birdie

One of those classic award-winning American musical comedies with an equal emphasis on the music and the comedy. It is a satire - it uses wit as a weapon to ridicule social aspects of American society. It pokes fun at rock stars, their behaviour, their managers, their entourage and their fans. It is set in America in the 1960s and the story was inspired by the most popular singer of that time, Elvis Presley, who despite his talent and his fame received a draft notice into the Army like any other American teenager could. Our rock star, Conrad Birdie has been drafted to the army. As a farewell, he is scheduled to sing his manager’s song One Last Kiss and kiss a teenage fan from Sweet Apple, Ohio live on the famous Ed Sullivan TV Show. It nearly happens despite opposition from many sources but somewhere the story gets complicated by a conniving secretary, a jealous boy-friend and a domineering mother.

Bye Bye Birdie was written during the craze that was Rock’n’Roll and was first performed on Broadway in 1960 and ran for 607 performances (not a musical phenomenon like some but was voted Best Musical in 1961). This musical is one which is extremely suitable for school productions where large casts are involved especially with most playing the part of a ‘teenager’. We hope you might come along and enjoy the fun. It will be presented at Alexander Theatre Monash on August 3, 4, 5 and 6. Order forms with details of ticket prices will be out in next week’s Newsletter and will be available from the Student Counter.

I would like to seek assistance in billeting two students from our Oblate College in Hong Kong. They will be here for three weeks commencing on July 22nd (just after the holidays) and will return home on August 14th. This cultural exchange greatly enhances our relationship with the Hong Kong and China Oblate Missions and we are pleased to be of assistance. There is some financial support offered to assist in the placement. Please consider the cultural benefits to your own family as well. The boys will be in Year 11, however, the Host Families can come from any year level or area. You may wish to billet one or both the boys.

If anyone has an interest in helping out, would you please contact Mrs. Aylene Robinson on 8561 1103.

Thank you in advance for any assistance you can offer.

Fr. Michael Twigg O.M.I.

LIBRARY NEWS

Mazbay – textbook sales

Next week is the commencement of Semester 2. Students who are changing subjects are encouraged to use MazBay, the Mazenod College textbook sale site, to buy and sell textbooks.
http://mazbay.wikispaces.com/

If buying, simply go to the site and check to see if the textbook you need if available for purchase and contact the seller.

If selling, log in with your Mazbay username and password to enter the details of your textbook or calculator.
Contact the library if you need help or have forgotten your password. New students and Year 7 students will be given their password by their homeroom teachers.

Cybersafety

“It’s your life and you’re in control” – is a cybersafety message that’s been launched by the Australian government. Full details are on the [cybersmart:] website. Included is a video How Cybersmart are you? that’s useful for a family discussion about internet safety, identity protection, cyberbullying and similar topics. Families are also encouraged to explore the Wise up to it resources for other relevant videos.
NEW COURSES IN PSYCHOLOGY AND SPORT SCIENCE
Swinburne is now offering a Bachelor of Arts (Psychology and Sport Science) and a Bachelor of Social Science (Psychology and Sport Science) commencing in 2012. The course will focus on the application of psychology to aspects of sport. Students will gain an understanding of how psychological factors influence performance in a sport setting, how statistical techniques are used to evaluate sport performance and predictions, and interaction between sport and social relationships. A background in sports psychology will provide students with a clear advantage when applying for jobs in the sports industry. Details will be available later in the year. Please contact Dossington, Faculty of Life and Social Sciences on (03) 9214 5662 with any questions.

GUARANTEED ENTRY SCHEME - CHANGE TO BACHELOR OF FILM & TELEVISION PATHWAY
The Advanced Diploma of Screen and Media and the Diploma of Screen and Media have been removed from Swinburne’s Guaranteed Entry Scheme (GES) as a pathway into the Bachelor of Film and Television. Please note this pathway was published in the 2012 Undergraduate and TAFE Course Guide, but is no longer available. Students can view the most up-to-date pathways included in Swinburne’s Guaranteed Entry Scheme by visiting www.swinburne.edu.au/ges

COURSE PROFILE: ADVANCED DIPLOMA OF ENGINEERING TECHNOLOGY - CIVIL
The Advanced Diploma of Engineering Technology - Civil gives students the skills to pursue a career in civil engineering. They could find themselves working for contract drafting companies, local councils, local water authorities and other related businesses. Major areas of study include surveying, water reticulation systems, structural drafting, construction and computer-aided drafting. Pathway opportunities into university are available through Swinburne’s Pathways program.

COURSE PROFILE: BACHELOR OF APPLIED ICT
Swinburne’s Bachelor of Applied Information and Communication Technology (ICT) is a unique degree that is integrated with a Diploma of Information Technology. This means students will gain vocational training on top of a university degree – and exit with two qualifications in three years. Students can choose to study their first year at either the Lilydale or Wantirna campus, with the final two years of the degree based at Hawthorn. This course is ideal for students looking for a smooth transition from secondary school into tertiary study. Students will spend their first year at TAFE getting to know the in’s and out’s before moving into a university environment.

MEET MELBOURNE 2011 GLEN WAVERLEY
Information session for prospective students and their families
Each year the University of Melbourne visits centres around Melbourne and regional Victoria as part of Meet Melbourne. Meet Melbourne gives future students and school communities the opportunity to gather information about studying and life at Melbourne in a location close to you.

Find out about:
- Courses and careers including the Melbourne Model study options and pathways
- Unique opportunities to enhance your degree such concurrent diplomas, student exchange and community involvement activities at Melbourne
- Scholarships and course costs
- Information for Indigenous students
- Entry requirements and how to apply
- Housing options
- Transition and orientation programs
- Events and programs for future students.

Date: Wednesday 27 July 2011
Time: 6:30 – 8:00pm
Novotel Glen Waverley 285 Springvale Road Glen Waverley
Cost and registration: Admission is free but places are limited.
Register to secure a place at www.futurestudents.unimelb.edu.au/meetmelbourne

2011 GATEWAY LLEN “YOUR FUTURE” VOCATIONAL PATHWAYS EXPO
Gateway LLEN in conjunction with Whitehorse Council, Youth Connexions & Centrelink Box Hill are set to deliver the first “Your Future” expo for all Students in Years 9 – 11 who are interested in learning more about vocational education e.g. VET, VCAL and the employment and training options that these provide.

Thursday 23rd June 2011, 2.00 – 5.00pm, Box Hill Town Hall. For more information check out: www.gatewayllen.com.au

UNDERSTANDING TERTIARY FEES... A COMPREHENSIVE & UNDERSTANDABLE GUIDE TO FEES!
Important information for students & parents – HELP Loans – which courses? FEE-HELP applies to Higher Ed (degree) courses only (i.e. Associate Degree and Bachelor Degree). FEE-HELP can be up to full deferment of course fees – a very helpful option to make Degrees at Private Institutions or TAFE financially accessible for all.

VET-FEE-HELP applies to VET/TAFE Skills Deepening courses only (i.e. Diploma, Advanced Diploma and Vocational Graduate Certificate courses) There is no HELP loan for Certificate IV courses. Students must pay fees upfront. Note: Fees are DRASTICALLY reduced if a student (aged 16-24) has a Health Care Card. Fees cut from $2000 a year to $100 a year! Take a look at the full details about each scheme on Box Hill Institute website.

- FEE-HELP www.bhtafe.edu.au/courses/Pages/FEE-HELP.aspx
- Degrees www.bhtafe.edu.au/courses/Pages/degree-course-fees-domestic.aspx

It is important for students to know they have the FEE-HELP options available to them when they’re looking at applying for courses. This knowledge may open some windows & give students great opportunities for their future that they may have thought impossible otherwise.

5-DAY SCHOOL HOLIDAY PROGRAM - AN INTRODUCTION TO 3D MODELLING & ANIMATION FOR VIDEO GAMES & FILM
This program is for Years 9 -12 students. Students will learn:

- Techniques for modelling their very own characters
- Applying textures to models in 3D
- Rigging and animating basic 3D characters
- Posing and animating an industry standard 3D character rig

All software & resources used in the program can be freely downloaded and installed on students own computers, so they can continue learning these techniques.

Classes run from 9am – 4pm (lunch 12 – 1pm) Cost: $245
Please contact Mat Caithness for more info: m.caithness@boxhill.edu.au or 9286 9830

BOX HILL INSTITUTE SHORT COURSES - ‘GET A SUMMER JOB!’

- The Responsible Service of Alcohol (RSA) Certificate is a 1 day course, open to anyone over the age of 16. Students can apply for work in restaurants, bars, and cafes. Cost: $70
- Forklift Driving is a 5 day course – great for a warehouse job over the busy Christmas period. For school leavers as students must be 18 years of age. Photo identification required. A Vic Roads driver’s licence is not required for this course.

Box Hill Institute’s Short Course Brochure July – Dec 2011 out soon! Enrol during June or July, and pick up some great vouchers: www.bhtafe.edu.au/news/Pages/short-course-competition.aspx
CAREERS PROGRAM AT HEALESVILLE SANCTUARY
Do you want to work with animals? Healesville Sanctuary presents a full-on day of activities for aspiring zookeepers where you get to spend a day working alongside our Zookeepers. Learn more about the busy lives of keepers, meet beautiful animals and visit the secret off-limits areas where keepers work. Find out how you can make a difference and help care for Australia’s wildlife.

Dates: School holidays, Year 7-8 July 5th, Year 9-12 July 6th and 12th.
Bookings: 9285 9406

SPORTS NEWS

ACC Sport heads into our culminating weeks, with teams playing for home Finals and Grand Finals. Our Senior Soccer Team after a slow start to the season has started to hit it straps and has a knock out Semi-Final next week against Whitefriars. Mr Montoya has used time between exams to work on a few new set plays and develop some excitement, and from where I sit the boys are responding well. We wish them all the luck they deserve and hopefully another Grand Final awaits them.

Our Soccer program has really blossomed again thanks to the enthusiasm of Mr Montoya and his coaches, but also the new synthetic pitch that Fr Michael has had built. The new pitch has certainly reignited the schools passion for the World Game and there seems to be more boys playing soccer on the yard than ever before.

This year, we have added a second team to the Year 7 and 8 competitions, and have 8 Soccer Teams representing Mazenod each week. I am amazed at how talented some of our boys are and at how good some of our teams are! Our Year 9 team still has me in awe! If we could keep this team together and in play them in both midweek and weekend Soccer they could become anything and everything. The way they team together and seem to know each other’s movements is something to behold.

It is more though than just playing a game for these students. I have been their bus driver a number of weeks and stepped as manager while their regular coach Mr Marco Montoya was unavailable. Thinking I had to have some inspirational words or tactics I tried to organise my thoughts driving out to Parade. I jumped off the bus and before I locked the door they were all changed and starting their warm up. Not just a short kick, but getting together as a group and doing some running and stretches, then some skill work and then a quick fire reflex drill. They started to walk towards me and I was prepared with my John Kennedy inspired speech, when Jordan Marizale, an injured player brought them all in, gave them their positions and some final instructions on how to play the wider ground. Wow!!!

The boys all listened and offered advice and encouragement and went out and played. Jordan kept the enthusiasm up by yelling encouraging advice from the side and getting players to respond to certain situations in the game. Though the score was level at half time he calmly reinforced the teams values of strong defence, no skill errors and then to get the ball into attacking positions. Jordan made some positional changes which they all respected and accepted, and they went out and kicked 3 goals in 10 minutes to win the match quite comfortably. It spoke highly of each individual in that team that they all respected each other and the part they had to play, whether on the ground or off. They truly represented the adage that a champion team will always beat a team of champions.

CONGRATULATIONS
Joseph Michaud was recently selected to represent his zone in the Victorian Baseball Championships at Geelong over the holidays. Joseph plays for Sandringham on the weekends and was selected as the third base and 4th hitter. We wish him every success. We also hope that a number of our talented Footballers did well over the long weekend in their representative matches.

FOOTBALL AND SOCCER JUMPERS
A reminder that as your season concludes all jumpers must be returned to your coach or Mr Bedwell. Coaches will collect jumpers after teams complete their last game, but some teams have just finished and some students due to injury may not play in these games. Student will be billed a $100 for any top not returned. Thanks for your support and cooperation.

OBLATE CRICKET CARNIVAL
The Oblate Carnival for 2012 will be held in Queensland and hosted by our brother College Iona. The dates for the competition have been confirmed from Sunday 15th January to Thursday 19th January. It is hoped that there will be 4 days of cricket. At this point in time fellow ACC School Whitefriars will also be attending. We have made some preliminary bookings for flights, transport, clothing and equipment and it will cost each family approximately $800 for the trip plus any additional spending money. The boys will be billeted out to families from Iona, just as families from Mazenod generously took on students from our brother Oblate Colleges in December. We will have 2 to 3 staff members travelling with the party of 13 students. Training details will be given out soon and we would hope to have a squad finalised by early Term 4 to allow parents the chance to save. I will announce more details as they come to hand.

MAZENOD OLD COLLEGIANS NEWS
The Old Boys have recently been told by the local council that their current ground arrangements at Central Reserve will not continue and that the Club will be forced to move into a new facility on the North Oval at Central Reserve. Though a new building sounds exciting it is being built primarily for the Richmond Cricket Club and the facility is not big enough to share 7 teams in Football season. The Football Club is asking all local residents of the Monash Council to please contact your local zone member and express your disappointment in this decision. You can contact the MOFCC President, our own Mr Matt Johnson on mjohnson@mazenod.vic.edu.au to gain a letter that has been drafted to send to all council members.

THIS WEEK: Mazenod vs Rupertswood Sunbury @Sunbury, U/19 vs Melbourne High School @ 5th Yarra
