Dear Mazenod College Community,

It is with great enthusiasm that we begin the second half of the 2012 Academic Year. I sincerely hope that the holiday period was a productive one for all of our families.

I would like to inform the community of some very sad news for the Oblate Community with the unexpected death of Br Jason Duck O.M.I. who was an Oblate Seminarian (student training to be a Priest). Br Jason was just 40 years old and was about to make his final preparations to become an Oblate of Mary Immaculate for life. Our entire Oblate family was devastated by his death and we pray for his father Gerry, his family and his friends. Br Jason accompanied our students to World Youth Day in 2008 and attended many College functions. *May his soul rest in peace forever.* We also pray for any young men from our community who may be considering joining the Oblates, for without generous young men entering the Oblates, the mission ultimately ceases, including here at Mazenod. We ask Br Jason to continue to keep us in his prayers.

During the two week break, 9 Staff and I attended a conference run by the International Coalition of Boys’ Schools, of which we are a member. The Conference theme was on *Unearthing Creativity* in boys and providing the atmosphere for that creativity to flourish. The Conference was held at Scotch College and we were warmly welcomed by the Staff at Scotch. There were approximately 550 delegates from all over the world. Approximately 15 of our students were invited to participate in a panel and sharing with the delegates, I believe that they all found it worthwhile. The Conference looked at the challenges to creativity posed by a very prescriptive Year 12 course and also challenged the School to continue to find ways for technology to be used wisely. The Conference once again placed the relationship between Staff and Students as one of the highest priorities for boys in their pursuit of learning. We will attempt to share with the College Community any of the many insights we discovered.

Our Year 11 VCE Vocal Ensemble (Choral), comprising of Tishan Lokuge, Dwight Rogers, Patrick Ryan and Martin Nguyen were recently named the winner of the audience vote for the ABC FM Classic Radio Vocal Romp. We congratulate the four boys as well as Claire Patti for their outstanding achievements. All four boys will be performing in this year’s College Musical, *The Hot Mikado*, which begins next Wednesday evening, 25th of July and runs till Saturday evening of the 28th. It would be great if you were all able to attend and I strongly encourage you to contact Georgina or Leela on 8561 1108 to book your tickets. The Students and Staff have been preparing since February and I certainly can guarantee that you will enjoy the performances.

I would like to express my gratitude to Adriana and Vince Paterno (Tristan Year 10 and Bronson Year 8) for their generous donations of Yucca trees to the College. These trees have provided some wonderful additions to the gardens and we are very appreciative of the donation. These trees provide a great shape and look and everyone in the College will benefit from their presence here. If you get the chance at any stage to come and visit the College, please have a look at the great work that has been done in the gardens by Brendan Rolfe and Steve Charman. The College grounds are looking wonderful and they have worked very hard to maintain a great look in the College. For those who don’t know what a Yucca Tree looks like, there is a picture above.

Marc Johnson and Michael Tancredi (our Maintenance Team) have both been very busy constructing a new deck for the boys to use as an outdoor classroom as well as a recreation facility during the holidays. This deck will hopefully prove to be another great asset to the School. I thank them for their hard work and commitment to the College. I once again thank Greg Collins and his entire team for the great care and dedication that they provide to the College Community. It is genuinely obvious to see that they do care about the environment within which we operate.

With a recent run of good weather, there has been significant progress on our new building. The basement has now been completed and 50% of the ground floor has been concreted. When the ground floor has been completed the steel work will come in and we will finally begin to see the building take shape. Some new photos will be available next week.

I also wanted to put in this Newsletter, my great appreciation for all of the work done over the School holiday period by many Staff, including the Administration Staff, Music Staff, IT Support Staff, Dave Bedwell, Mal Bradbury, Merry De La Zilwa, School Counsellors, Grounds and Maintenance Staff. A significant amount of work has been done and I sincerely express my appreciation for the great effort. You may notice some of it obviously (deck, gardens etc) and much of it is unseen (files, server upgrades etc). All of it is appreciated. I also thank everyone involved in the Mazenod Chess Championships conducted over the holidays. This tournament doubles as a selection tournament for our ACC, State and National Teams. Every day during the holidays, Volleyball team was also preparing for the State Championships to be held shortly. The dedication of the coaches and teams is ultimately why we have achieved such outstanding results. I express appreciation to everyone involved.

I was very pleased to hear the many positive stories coming from our first ever overseas Music Tour to New Zealand. We were extremely grateful to our Brother School Iona in Queensland for allowing us to accompany them on this tour. Our two Schools combined to form a very impressive ensemble, which along with the cultural and scenic tours proved to be a great highlight. Under the direction of Doug Leutchford and Danny Kennelly, the boys were a credit to themselves, their families and their School.

In conclusion, I invite any families who felt that their sons report contained any errors to contact the College. Every effort was made for them to be as accurate as possible, yet I also know that errors can occur. I remain hopeful that the reports can be catalysts for new practices and efforts in Semester 2 and that there will be some genuine and obvious improvements for each and every student.

Welcome Back and God Bless,
Fr Michael Twigg O.M.I.

The following times have been set aside for families:

6:50 for 7:00pm start: students from 10 Coghlan, 10 Fitzpatrick, 10 Foynes, 10 Gavvin

Work Experience

Work Experience has concluded for another year and I would like to take this opportunity to thank all the staff, students and families involved for their efforts in visiting students, working as role models of the College, getting your son’s to their workplaces. Hopefully it was a worthwhile experience for all the boys. There are some students who are still to complete their two week placement and I will follow those boys up before the term concludes to ensure everything is in place for their final placement in the next term holidays.

Year 11

Year 11 students will BEGIN their subject selection in the coming weeks. It is imperative that Year 11 students make use of the resources available in the Careers Office and speak to teachers and where possible Year 12 students. Year 11 students will receive a hard copy of the Open Day Information that is outlined below, this week.

Year 12

Term 3 is crunch time for Year 12 students who will be deciding on VTAC preferences in the last week of term. NOW is the time to make an appointment with Mr. Kenealy to get your course information together or to start thinking about it. Below are the dates for Open Days for tertiary institutions in Victoria. Please make the most of this. This is the third time these dates have been published for students and it is certainly the time to consider visiting several of the institutions that students might be thinking they would like to attend. It is also not too early for Year 11 students and Year 10 students to begin the process of visiting some of the institutions. A few dates have already passed but the majority of Open Days occur in August.

SPORTS NEWS

Term 3 Sport starts up again and in many ways this is the most exciting Term of the year. For our Senior students it is the last time they get the opportunity to represent Mazenod in an ACC event. Like the entire student body they get the chance to play Hockey, Basketball or Table Tennis in ACC Competition and the chance to be part of the ACC Cross Country team in the second last week of Term. It is a very busy Term as many students will also be involved in other activities such as the Musical and it is important that students communicate with Staff regarding their commitments to events. Many students will also have final commitments for their local Clubs and we are more than willing to SUPPORT this in balancing School commitments as well.

We have a number of big events coming up during the Term which are listed below. The first is the House Cross Country this Monday and the Mazenod Panthers vs. Mazenod All Stars game is always a highlight on the calendar.

HOUSE CROSS COUNTRY: MONDAY 23rd JULY
This Monday ALL student’s in Years 7 to 10 will compete in the House Cross Country event to be held around the surround of the College. This event is being staged for the 3rd year in a row. Students in Years 7-9 will compete over a 3km course while the Year 10 students a 4km event. Students from Years 11 and 12 have been invited to compete in a 5km event.

This event is designed for a number of reasons. Firstly it goes towards our overall House Champions Shield which includes all the Carnivals conducted this year. Secondly in is a way for us to identify students with the talent to train and represent Mazenod at the ACC Cross Country in the second last week of this Term. Thirdly it is another way to promote health and fitness as a daily part of everyone’s lifestyle. The majority of students at Mazenod are involved in some sort of team activity here or locally. All these Sports involve running as part of their physical aspects and the Cross Country event is another way in which to improve your sons overall fitness.

Johnson/Davis Cup Game vs. Salesian College
On Wednesday 1st August, the Mazenod Senior Football team will take on arch rivals Salesian College in a game under lights at Elsternwick Park, Glenhuntly. The game will commence at approximately 6.30 pm and be completed by 8 pm. Unfortunately the game was not played last year and all the boys are excited about renewing this fierce rivalry. Details will be in the student bulletin from next week. We would love as much support as we can get on the night.

Mazenod All Stars vs. Mazenod Panthers (FIDA Team)
The curtain raiser to this game will be the annual Mazenod Panthers vs. Mazenod All Stars game. This match will start at approximately 5 pm on that Wednesday night. The Mazenod Panthers compete in the Football federation for intellectually disabled people. The game will be played against a Mazenod team comprising of any student from Years 7-12 who would like to play. Students can register their interest by seeing Mr Connolly in the PE Office. This game has been a highlight for students every year and again we look forward to the support of students and parents to get this game going.

Holiday Achievements
During the last week of the School holidays, Year 10 Student Alex Urban represented the Victorian Metropolitan Region at the Australian U/16 Football Championships in Adelaide. Although the Victorian team did not have as successful Carnival as they would have liked, winning 1 game and losing 2, Alex was named Best on Ground in the first game which Victoria won and was also named in the Best for the last game.

OBELATE CRICKET CARNIVAL
This is another reminder to parents of interested sons that the Obelate Cricket Carnival will be hosted by Mazenod WA from Sunday 9th of December to Friday 14th of December. We have started to put together an initial squad to start training in Term 3 and parents will receive a letter soon notifying you and your son. The early notice is also to inform parents that the trip will cost approximately $900 for everything, including team clothing and equipment. We hope to have our final squad of 13 selected by the end of Term 3.

RUNNING CLUB— In preparation for the upcoming cross country in Term 3 and to promote health and fitness we have started a running club. Those interested are invited to come to the Mazenod Tan Monday and Friday lunchtimes and Wednesday mornings at 7.30 am. We will supply a warm breakfast for those who make the effort. We will have plenty of incentives for those who train regularly.

JUMPERS—FOOTBALL AND SOCCER— It seemed only weeks ago we were getting started, but as time flies the ACC season is starting to finish up for a number of teams. Year 10 Football and Soccer as well as senior Football all finish their seasons in the coming weeks. Could I remind all students to please get their jumpers washed a returned to the College within 2 weeks. Students who do not return jumpers will be issued with an invoice for $100 to offset the cost of ordering replacement tops.

Old Collegians News

Mazenod United News: The team continued with its fine form over the holiday period winning all games it was involved in. The team currently sits on top of the division with plenty of games left. The Reserves are also on top of the ladder despite losing their first game.

Old Collegians Football Club - The Senior team enjoyed much success over the holiday break defeating the top 2 teams in their competition. Those 2 wins have put the team now just 2 points out of the four. This week they play 4th team Old Camberwell in what shapes as an elimination final.

The U19's have again shown great resilience and despite having 18 players available continue to win games of Football. Last week they eventually lost to the top team by 4 points and if they had of kicked straight, they would have notched another victory.

U/19 Players - The Club is looking for more U19 players to help with a long season ahead. If you would like to play but cannot commit to training that is fine as we understand students need to balance work with Sport. The team is playing in an 8 team competition in Division 3 and it would be great to see more current students join Liam Riley and Cristian Mangoni on our playing lists. Interested students should see Mr Connolly.

Results

Well done to a number of our teams who started the Term 3 season with some fantastic victories. In particular it was great to see our Senior Hockey team win convincingly and the hard work of Mr Crabtree and the boys looks like it is paying off. The Year 10 Hockey team kicked off its Premiership defence also with a great win on Tuesday. Our Year 9 boys had a draw. Mr Fox is again passing on his wealth of knowledge with Basketball.

The U/19’s have mixed results. No pressure on our Table Tennis teams who all against the highly rated De La Salle team. Our Year 9 boys had a big win also and those 2 wins have put those teams at the top of the ladder.

The Year 10’s had mixed results. No pressure on our Table Tennis teams who all won.

Well done to a number of our teams who started the Term 3 season with some recorded victories during the week. We are yet to lose a Table Tennis game at any level for over 12 months. No pressure.

Our Junior teams have another week of tryouts before our Year 7 & 8 A teams begin next week. The Year 7 & 8 B teams begin on August 9th.
