Dear Mazenod Community,

It was with great pleasure that I went out to Tullamarine Airport to welcome back our World Youth Day Pilgrims. While looking tired, I could see the enthusiasm and joy in their eyes as they had just experienced something very worthwhile. I am sure that they will give a detailed account here in the newsletter when their jet-lag has subsided. I would like to thank Joe and Mary Moore, Emilio Montoya, Fr Slawełk (Sunshine Parish) and Fr Christian for caring for our boys so well.

They sound like they have had a wonderful time celebrating their faith, culture and life with fellow young people from all over the world. Essentially their pilgrimage brought them to St Eugene's hometown of Aix-en-Provence in Southern France, to Lourdes, Malaga in Southern Spain for the Oblate Youth Encounter and finally to Madrid for the World Youth Day itself.

It was also great to hear that the 22 Oblate Martyrs of Spain who were killed during the Spanish Civil War are to be declared Blessed. Both young Oblates training to be Priests and their Oblate teachers were killed over several days during the Spanish Civil War in 1936. They will be declared blessed on Saturday, December 17, 2011.

Welcome back our weary pilgrims and thank you for keeping us in your prayers.

menALIVE Weekend Thanks and Update

Last weekend, Mazenod College held its first ever menALIVE Weekend. The weekend attempted to support dads within the school to get back in touch with their relationship with self, others and God.

Some of the feedback was as follows:

- Thank you for a great weekend.
- You have inspired my faith.
- You have helped me find Gods Purpose for my life.
- You taught me how to use scripture and prayer to make personal life more meaningful.
- This program has helped me confront the issue of being a man. I highly recommend it.
- The sharing in the small groups was the most important part of the weekend for me.
- Exceptional weekend. I did not know what to expect and have come away a different person

We plan to hold another weekend in early 2012.

Enhanced Study Opportunities

Every week there are academic activities that are held at the College in order to provide the boys with more time and opportunity to succeed. I thank those staff who willingly and lovingly provided these further opportunities for the boys and I thank the boys for taking it up. During the past week over 200 boys in Year 11 and 12 have taken up the invitation for further support. It is this hard work and dedication that give the boys the best chances to experience success.

Year 12 Retreat Day

I would like to express my appreciation to Mr Jeremy Wright, Mr Luke Kenealy, Mr Alan McAlister and the entire Year 12 staff and students on an excellent Retreat Day that focussed on masculinity and becoming a good man. It focussed on respect for self and others and confronted some very challenging areas that the boys have to face. The boys were respectful, engaged and the presenter Jonathan Doyle from Canberra commented on their excellent ethic and approach to the day. Once again, I was very proud of them all.

Melbourne School Bands Festival

I was very pleased to be able to support the Music Programme by watching our Stage Band perform. They were very focussed and performed very well. The feedback provided by the adjudicator was outstanding and highlighted the importance of not only playing the notes, but more importantly, playing the music. There is much room for reflection on this feedback and I will elaborate in future newsletters. Well done to all involved.

Mazenod Chess Success

Chess plays a crucial and central role within the life of the College. Over many years, we have forged a strong and sustained level of success. I congratulate our three teams who finished first and second in Division 1 and first in Division 2. At all times, our boys played with dignity and respect and I was once again very proud of them. They all do the College very proud.

Parent Liaison Support

Recently I asked for some volunteers to act as Parent Liaison Support and I am happy to report that we have had some response. I have included the details of parents who have indicated that they would be happy to be contacted for advice, a chat or support. Of course, every family is welcome to contact the College for any area of support, however these generous parents can also become another avenue of contact.

Margaret Kerr – 0419 339 535
Nila Fernando – 0411 519 373
Deb Malmo – 0431 481 437
Glenda Rebeiro – 0417 513 481

I thank those families who responded last week concerning holidays during school term and your input has formed part of our overall response which will be communicated within the next few months. As the College and families are working in partnership for the best opportunities for the boys, any family member is welcome at any time to make a contribution to any aspect of College life.

Prayers for Daniel Haining and Family (Year 7)

Please keep Daniel Haining (Year 7) and his family in your prayers as they mourn the loss of Daniel’s dad Bill who died recently. Daniel has a brother and sister at St Simon’s. May Bill now rest in Peace.

Amen

Take Care and God Bless
Fr Michael Twigg O.M.I.

Online registration is available now for both events on www.latrobe.edu.au/events/2011/vce-parents-information-

**Breaking News – World Champion and Record Holder**

We also learnt during the week that Jack Cummings came 6th in his personal event and is now ranked 6th in the world. It is an amazing effort to consider that Jack is the best in Australia and 6th in the world for his event! We look forward to welcoming Jack back to the College and publically recognising his efforts!

**General News**

On Monday we held our Intra-School Cross Country event for students in Years 7 to 10. The weather was fantastic and the boys were asked to run 3km or 5km depending on their age group. It was fantastic in this day and age where obesity and negative comment is made in reference to the declining fitness level of teenagers. No doubt the Herald Sun would not come out to such an event because it would have had too much of a good story to it! The Year 7, 8 & 9 boys are to be congratulated on their enthusiasm for the event and energy in which they ran!

The following 4 students need recognition for winning the event at their year level.

The day was a great success and the experience was enjoyable for all those who competed. It was no shock that most of our talented ACC Sportsmen were at the top of their year levels and this reinforces that most of the sports we participate in are running based! If your son has aspirations of playing soccer/AFL/Basketball/Hockey/Athletics etc., then running is the base upon which their skill level is developed. All the testing now done by elite squads will be using 3km time trials and beep test results to form information on whether certain athletes will make it or not!

From this event students will be asked to represent Mazenod at the ACC Cross Country event on Wednesday 14th September at Bundoora Park. We would expect that any student invited to run would have the expectation that they will run for the College. We ask that they attend some training if possible and we will work with their other sporting commitments to ensure they have a balanced training load. Training is still on every Friday morning and Mr Bedwell is still making his delicious pancakes!

**Semester 1 ACC Sport Awards**

On September 20th after School we will be holding our Semester 1 Sports Award evening! Unlike previous years we will be holding it in the afternoon here at the College with an Awards Ceremony and then a meal. The afternoon will start at 4 pm and conclude at approximately 6 pm. I realise this will make it difficult for parents to attend, but you are all most welcome!

Attached to this newsletter is a list of all the students that have won awards for Semester 1!

As you can see it is a very extensive list and covers a big percentage of our School populations. We congratulate each and every one of them and will present them with their award here at the College.

**Sore Bodies!**

Many students present for PE and Sport with notes saying they cannot involve themselves due to soreness from weekend sporting commitments. It is common knowledge from numerous research projects that Athletes should involve themselves in some physical activity in the days after a game. It allows the body to break down the build-up of lactic acid (cause of muscle soreness) and remove it from the body. In particular swimming is a great way to recover. For students to feel better and get back to full training they should involve themselves in sporting activities for a quicker recovery, rather than sit idle for days.

**Hockey Requirements / Safety Issues**

A reminder to all parents and students that are participating in Hockey teams, that you will only be allowed to play as long as you have a mouth guard and shin pads. The school has some limited pairs of shin pads and some mouth guards for sale. From experience I would say Hockey has the highest rate of injuries of all the ACC sports and it is imperative that all the protective equipment is worn for everyone’s safety.

**ACC Swimming Training**

The 2012 defence of the ACC Title has begun every Tuesday and Thursday morning at the Monash University Pool. The session begins at 7 am and concludes at 8 am. Students are to get dropped off at the pool and we will organise a bus to return them. We do provide a breakfast pack but would encourage the boys to bring some of their own food! All students are invited to turn up and train!

**Football and Soccer Jumpers**

A reminder that as your season concludes all jumpers must be returned to your coach or Mr Bedwell. Coaches will collect jumpers after teams complete their last game, but some teams have just finished and some students due to injury may not play in these games. Student will be billed a $100 for any top not returned. Thanks for your support and cooperation.

**Oblate Cricket Carnival**

The Oblate Carnival for 2012 will be held in Queensland and hosted by our brother College Iona. The dates for the competition have been confirmed from Sunday 15th January to Thursday 19th January. It is hoped that there will be 4 days of cricket. At this point in time fellow ACC School Whitefiars will also be attending. We have made some preliminary bookings for flights, transport, clothing and equipment and it will cost each family approximately $800 for the trip plus any additional spending money. The boys will be billeted out to families from Iona, just as families from Mazenod generously took on students from our brother Oblate colleges in December. We will have 2 to 3 staff members travelling with the party of 13 students. Training details will be given out soon as we begin our training and selection process. Training will be after school once a week at the indoor facility at Clayton.

**MAZENOD OLD COLLEGIANS FOOTBALL NEWS**

**Semi Final U/19’s vs. Old Xaverian’s @ Moorleigh Res. Seniors vs. Monash Uni @ Monash Uni**

The U/19 team had another good win over MHSOB to finish their season undefeated! It has been an amazing effort given the amount of injuries that have had. They won again on the weekend by over 15 goals. This week they play Old Xav’s in a semi-final to determine who goes directly into the Grand Final. We wish current students Stephen Welsford, Pat Flanagan and Andy Di Petta every success over the coming weeks and encourage as many students as possible to get to Moorleigh Res, Bignall Rd Bentleigh at 11.30 am to watch on Sunday!

We congratulate Mr Dan Kelly who was part of the Club XVIII Grand Final team that won on Sunday morning. Mr Kelly played a significant role in the team and the win and was at school Monday morning with a very satisfied grin! The seniors had a hard fought win against Fitzroy to sew up 3rd position in the 4. They play their last game this weekend before preparing for a knock out final next Sunday week!

**CONGRATULATIONS**

Well done to Kieren McKeogh of Year 9 who last week represented Victoria in Volleyball. Kieren made the State U/15 team. The team and Kieren performed exceptionally well of over the tournament and the Victorian Team placed 3rd overall.

Travis D’Souza of Year 10 is currently training with the Victorian U/16 Cricket Team. Travis was spotted during the summer for his spin bowling and electrifying hitting. We wish him all the best as he attempts to make the final squad.
