This weekend, the following Pastoral Letter by the Bishops of Victoria will be delivered in every Parish. As the letter is very important, I thought it would be good to present it here in full, so that as many people as possible would get to see it.

**Pastoral Letter on the Victorian Government Inquiry into the Handling of Child Abuse by Religious and other Non-Government Organisations**

Dear Brothers and Sisters in Christ

Over the last thirty years our society has become increasingly aware of the extent of sexual abuse of children, and of its terrible consequences. We know that the impact of abuse on children and their families can be devastating and lasting. The January 2012 Report on Protecting Victoria’s Vulnerable Children (the Cummins Report) indicates the extent to which the abuse and neglect of children is a significant community issue and concern.

The suffering and trauma endured by some children who have been in the Church’s care, and the effect on their family members, is a matter of continuing shame and dismay to all Catholics.

Let us be very clear. The sexual abuse of a child was, and always will be a crime, and is contrary to all we believe in.

We know that parents especially feel an intense betrayal of trust, that even one child could have been so grievously hurt by people whose call it is to serve others.

The Church has apologised for these failures. Today we renew this apology to victims and their families.

We are deeply sorry.

We promise you that we will act on our apology by continuing to take decisive action to protect our children and to respond when abuse has occurred. From the late 1960s the Church in Australia began developing procedures for responding to complaints of abuse, culminating in 1996 with the Melbourne Response and Towards Healing as formal protocols to deal with allegations of abuse. These processes continue to be refined, and have as a central element the encouragement of victims and their families to report criminal matters to the police.

A Prayer For Healing

God of endless love, ever caring, ever strong,
always present, always just:
You gave your only Son
to save us by the blood of his cross.

Gentle Jesus, shepherd of peace,
join to your own suffering the pain of all
who have been hurt in body, mind, and spirit
by those who betrayed the trust placed in them.

Hear our cries as we agonize
over the harm done to our brothers and sisters.
Breathe wisdom into our prayers,
soothe restless hearts with hope,
steady shaken spirits with faith,
Show us the way to justice and wholeness,
enlightened by truth and enfolded in your mercy.

Holy Spirit, comforter of hearts,
heal your people’s wounds
and transform our brokenness.
Grant us courage and wisdom, humility and grace,
so that we may act with justice
and find peace in you.

We ask this through Christ, our Lord.
Amen.

In April the Victorian Government announced a Parliamentary Inquiry into the processes by which religious and other non-government organisations respond to the criminal abuse of children.

The Church respects the Parliamentary process and will co-operate fully with the Inquiry.

It will be a challenging and difficult period for victims and their families, for us as a Church, and for other religious and non-government organisations who work with children across our community. During the Inquiry you may hear disturbing reports of cases in our past when Church processes to prevent and respond to abuse failed the children in our care. We need to learn from these failures to continue to ensure we do everything in our power to protect children.
Much good work is being done across our Church – in our parishes, education, health and welfare agencies and in the careful implementation of policies and practices to provide the best possible protection for children in our community.

In this ‘Year of Grace’ for the Church in Australia let us all use this opportunity to be renewed in our concern for the suffering of others.

Yours sincerely in Christ.

LIBRARY NEWS

Author in Residence

Last week, as part of our Book Week activities, Year 7 and 8 Students had the fantastic opportunity to listen to and work with our Author in Residence, Michael Pryor. Michael has written upward of 30 books as well as 50 short stories and is best known for writing fantasy. His new book, 10 Futures, is currently being read by many Students in the College.

Michael spoke to the boys about the experience and process of writing a novel – from the “thinking” stage all the way through to the finished product. Along the way, the Students heard stories of battling knights in the past and ninjas hiding in trees. It seems that the life of a writer can be full of excitement.

80 Students were selected to attend writing workshops with Michael where they learnt techniques for planning and writing stories of their own. Each Student came away from the workshops with a map of a city of their own devising and an idea of character development, and some have even started writing! We look forward to reading their stories.

CAREERS & PATHWAYS

There are plenty of opportunities available for students to sample different career opportunities at many of the tertiary institutions in Melbourne at the moment. It is never too early to start the ball rolling so make an appointment via the intranet or simply drop in and speak with Mr. Kenealy about your subjects or tertiary study.

Year 10

ALL year 10 students should have completed career counselling interviews this week. It is concerning to see some students only starting the process of completing the required information this week. Students need to be themselves aware of the requirements that courses require and if they are unsure they should have sought assistance from their subject counsellors.

The subject selection sheets have been given to students this week if they have completed their interview. These need to be signed by parents and students then complete their selections online at school, print out a copy and return the two forms to their Homeroom teacher.

Final Date for subjects to be entered into the online system is Friday 31st August.

Some students have been having difficulty locating the section of the job guide required for their career research section. I have included below the section of the job guide from the internet where students can find this.

Once students have accessed this page they need to click on the individual categories to see what careers fall under each of them and the skill levels required. If students have difficulties doing this they can always visit me in the careers room and we can work through it.

Year 11

Year 11 students began their subject selection this week with an initial year level meeting and explanation of the processes involved in making their selections for 2013. It is imperative that Year 11 students make use of the resources available in the Careers Office and speak to teachers and, where possible, Year 12 students. Year 11 students have received a copy of the Open Day Information that was published in last week’s newsletter.

Year 12

It is great to hear of the numbers of students attending Open Days and getting that firsthand information that is so vital to their decision making. Students should continue to visit institutions even if they think they might not choose to attend them.

VCAA candidate numbers are available from Mr Kenealy, Mr Rolfe, Mr McAlister and Ms Caldwell. Students must have these to complete their VTAC application forms.

Interview times are continuing to fill up quicker than expected and already I am looking at interviews this week down the track. Students needing assistance must make an appointment time with Mr. Kenealy ASAP to ensure you get some advice before the end of term deadline for VTAC preferences.

Students are also reminded to register with VTAC as soon as they can on the VTAC website: www.vtac.edu.au

Open Days

This weekend sees the continuation of Open Days but also the last weekend where the major institutions are open. Below are the institutions open this weekend:

Saturday 25th August Australian National University 9:00 - 3:00
Sunday 26th August – Australian Catholic University Ballarat Campus 9:00 – 3:00
– Box Hill Institute of TAFE 10:00 – 4:00
– La Trobe University Bendigo campus 10:00 – 4:00
– University of Ballarat 10:00 – 3:00
9:00 – 4:00

Deakin University & MIBT Burwood Campus

Students should be trying to visit as many campuses as they can to get a feel for what each institution offers.

Apprenticeships

For any students from Year 11 or Year 12 who might be interested in a career in hairdressing, a Mazenod Old Boy has offered an apprenticeship to any boy who might want to pursue this as a career. For more information about this please see Mr Matthew Johnson or email him mjohnson@mazenod.vic.edu.au.

As any new information regarding dates and institutions becomes available about Open Days contrary to the above it will be relayed to students via the weekly newsletter, daily bulletin announcements and flyers posted in relevant year levels. Please remember to check Careers Noticeboards regularly.

Luke Kenealy – Careers Coordinator
Last week, I had a very polite Year 7 student come to see me regarding changing his Sport options next Term. I asked him why he wanted to change and he said that after talking to his dad that he would not try out for ACC Cricket in Term 4 as he was already playing Club Cricket on a Saturday and he felt that this may conflict with his training and playing performance.

I certainly admire the confidence and honesty of this young man. He has made a decision that seems very logical. The ACC runs a very unique competition that unlike the many other private Colleges of Melbourne it does not have compulsory Sport on a Saturday. The compulsory nature of this Sport is very restrictive to all Students as for all those at these Colleges are not able to represent any of their community clubs on a weekend. I have also had a recent discussion with key Staff at Under 18 TAC Football level where they are now reluctant to take APS and AGS Colleges because they cannot commit to a full season. A member of the Sandringham Dragons Club in this competition said that they would now select a player from the ACC Colleges or public schools ahead of a Private school Student solely on the basis that they are available all season.

The ACC for years has tried to get games against the Private Colleges but they refuse to play. They do not take part in any State College run competitions either. There is no doubt that the ACC Colleges are just as competitive if not better than some of our Private Colleges. Just last year our Senior Cricket Team defeated Mentone Grammar in a 50 over game. We have beaten all these Colleges in State Volleyball games.

So I asked this very enthusiastic Year 7 student why not play Cricket in one of Melbourne’s best competitions. The experience of playing against students of the same age and ability can only enhance and improve your Sport. By playing mid-week it also allows you to take the valuable lessons learnt from mid-week Cricket into your weekend Cricket. We understand that training loads will need to be monitored but we are happy to communicate with outside Clubs and coaches to ensure that students can perform at their best for all teams.

We certainly do not want to become like our Private School cousins and make representative Sport compulsory. For years here at Mazenod the tradition of playing and representing Mazenod at EIS now at ACC level has always been a strong motivation of all students. We believe that any student good enough to be playing weekend competitive Sport is also good enough to play mid-week competitive sport as so many already do. Why not take the opportunity to improve yourself against some of the States most talented juniors, rather than let the opportunity pass you by.

This is a reminder to Parents and students involved in senior ACC Sport that our games continue next week during the interview time. We have Semi-Finals in Basketball and Hockey, as well as an away game for Table Tennis. Students will be required here at Mazenod at 12 noon on the day to fulfil these commitments. Students should be back by 5 pm and interviews can be made for these later times or the Tuesday. It will also mean that some Staff will be unavailable in these blocks. Thank you for your support.

Congratulations to young Tom Riley in Year 8. On the weekend while playing for the Waverley Park Hawks in the Division 4 Grand Final, Tom kicked his 100th goal of the season. What a fantastic effort for an U/14 player. Tom kicked his 100 goals in 17 games with 13 in goals in one game his biggest haul in a week. We look forward to following Tom’s progress through the ranks and one day kicking 100 goals for the Old Collegians.

Running Club: Those interested are invited to come to the Mazenod Tan Monday and Friday lunchtimes and Wednesday mornings at 7.30 am. We will supply a warm breakfast for those who make the effort. We will have plenty of incentives for those who train regularly. Whether for fitness or competition I encourage all students to get involved. See Mr Cunningham or Mr May if interested.

Here is a look at our new running singlets. They can be purchased at the PE office for $10.

Mr Bradbury from the Science department is one of the major organisers of the Dingley Dozen Fun Run at Braeside Park. The run is on Sunday 15th September starting at 8.45 am. Students and Parents can register in the 12k, 6k and 3k Walk/Run events. If anyone would like to participate they can get registration forms from the PE Office.

Mr Montoya has invited students who are interested to start training with the Swim squad on a Tuesday or Thursday morning at 7 am at the Doug Ellis Pool Monash University. Students are asked to get their own way there and we will provide bus transfer back to Mazenod at 8.15 am. We supply a small breakfast for the boys and encourage the hunger boys to pack some extra food.

Numbers have been very good and we are averaging over 30 swimmers per session. Manuka has again accepted the challenge of coaching the boys each morning and we are grateful for her assistance.

This is another reminder to parents of interested sons that the Oblate Cricket Carnival will be hosted by Mazenod WA from Sunday 9th of December and Friday 14th of December. We have started to put together an initial squad to start training in Term 3 and Parents should have received a letter notifying you and your son. The early notice was to inform Parents that the trip will cost approximately $800 for everything, including team clothing and equipment. We hope to have our final squad of 13 selected by the end of Term 3. If your son did not receive a letter but would like to try out for the team they are most welcome to attend the sessions.

It seemed only weeks ago we were getting started, but as time flies the ACC season is starting to finish up for a number of teams. Year 10 Football and Soccer as well as Senior Football all finish their seasons in the coming weeks. Could I remind all students to please get their jumpers washed a returned to the College within 2 weeks. Students who do not return jumpers will be issued with an invoice for $100 to offset the cost of ordering replacement tops.

Mazenod United Soccer Club- The Senior team and Reserves both had good wins on the weekend to retain top position on the ladder. With 2 games remaining this is great for a Club in its first year. To make this first year even better, Football Federation Victoria on Tuesday sent a memo to all Clubs in the South-East Metro division informing them that due to some anomalies in the playing rosters of some Clubs, the season will now be decided on the ladder position of all teams after Rd 18. The final rounds will still be played as friendlies and the MAZENOD UNITED FOOTBALL CLUB ARE ANNOUNCED AS CHAMPIONS ON SOUTH –EAST METRO FOR 2012. What a fantastic effort for a Club in its first season.

The Club has an away game this weekend against Dandenong and we invite everyone down on September 1st to our last home game to celebrate our wonderful first season.

The Club has appointed former Old Boy Chamath Jayaweera as its new Captain will help coordinate training with the 3 new specific coaches who have also been appointed. Michael Hancock will oversee the batting, Jason Brown to take the bowlers and Chamath will also look after the fielding. Training begins on Sunday 2nd September here at Mazenod in the new nets and then every Wednesday night at the Clayton Indoor venue after that. All players are welcome especially any new players from within the College who would like to play Seniors or be part of the Junior teams.

Brendan’s this week at Central Reserve to secure 2nd place and a double chance in the finals. Old Boy John Paul Malietzis was given best afield honours. The seniors had a strong 51 point win over fellow finals aspirants Banyule. Mr Regan has started to hit top form again with a very good game and a goal. Mr Phibbs also played his part with a goal that he claimed was kicked from Springvale Rd. The seniors can secure a finals spot with a win against PEGS this Saturday at Essendon.
