Dear Mazenod Community,

I read with great interest the article in The Age recently about the mixed opinions within the community regarding select-entry schools and their destructive nature within the educational landscape.

The article can be found here: http://www.theage.com.au/victoria/state-fails-gifted-pupils-20110828-1jpgn.html. We here at Mazenod consistently face the situation where the bright promise of a brochure, website or a car-park conversation leads good families to consider a select-entry school as a better option than here. Thankfully most families are wise enough to understand the destructive nature of these select-entry schools and steer right away from them. Sadly though, that is not always the case.

Mazenod College did make a submission via the Catholic Education Office to the Parliamentary Inquiry referred to in the above article and I have also expressed my concern to both Stephen Elder, Director of the Catholic Education Office and the Education Minister, Mr Martin Dixon MP. In his reply to me, Minister Dixon acknowledged and concedes that there is impact on our school via these select-entry schools.

At times we have had families who have only chosen Mazenod as a stepping-stone to these select-entry schools and this is utterly regrettable. I have made it explicit in the application forms, as well as the acceptance forms of new enrolments that if families are considering a select-entry school, then they should decline the offer of a place here within the College. We believe that we are more than a stepping stone to these select-entry schools.

While respecting parental choice in choosing the appropriate school for their children, I have great difficulty when the choice to accept a select-entry school is not researched and has been at the expense of other students wishing to attend here. Had we been aware then, of what we know now about the scholarship chasers, then it would have been better never to have accepted their enrolments in the first place.

The major area of concern is for the provision of a wider variety of educational options for all students, including music, academics, sport and spirituality. I thought it would be opportune here in the newsletter to once again highlight the commitment we have made in these areas.

As I hope you all know, Mazenod is a non-select-entry school. There is no test or scholarship offered for places here. We deliberately keep our fees as low as possible to make sure that families of varying economic circumstances are able to afford to send their sons here.

At the College, every effort is made to find appropriate pathways for each boy. Functioning side by side and with the best outcomes of students in mind we have a Special Education Department and an Enrichment and Enhancement Department. These programmes cater for a wide range of students. We also believe that: the quality of our teachers; the variety of our programmes; the proximity of the College to families; the affordability of the fees; the facilities; the multi-cultural nature of our student body and our ongoing commitment to pastoral care place us above any of the schools looking to lure students away from here with their select-entry scholarships.

It should also be noted that even those families who have decided that a select-entry school is the best option for their son do not comprise the brightest within any year level. On most occasions the families of the academically bright choose to stay with us here at Mazenod as they rightly believe that we will provide the appropriate pathway for their sons that encompass more than just marks, league tables and non-accurate rankings.

With over 500 applicants seeking entry into Year 7 for 2012, families have made a clear choice about the pathway that they would like for their sons.

Some schools reported in the Inquiry that bright students are bullied or harassed because of their intelligence. I do firmly believe that this is not the case here. Any visitor to the College on our 90+ Celebration Day would see the great pride and joy that every member of the community feels as we celebrate their success. Being academically motivated is one of the core values of the College.

Seeing over 200 Senior students within the past two weeks take advantage of the extra tuition that staff provide free of charge is testimony to the value that families place in this pastoral care and core value. Certainly no select-entry school is offering this service to its students at no cost.

I encourage any family within the College to communicate with us if they feel the lure to one of these select-entry schools. I understand and appreciate that there might be some external pressure to consider them, however, I am confident that on every level, there is nothing more that these schools are able to provide than what we can here. I am as equally sure that many of the things that we provide here will not be found within their grounds.

Some schools have reported families wishing to return back to their original schools after experiencing a difference to what a select-entry school promised to what it delivered. This has also been the case here at Mazenod, although the long waiting list looking to enrol, has meant that re-offering a place here is very difficult.

Families cite the following problems: distance from home; difference in teaching support; scattered friends all over the City; a lessening of curricular options; more difficulty accessing specialised courses with individual pathways; fees and levies; obviously non-existent Religious Education programme and a significantly less pastoral care programme.

Another issue that the Inquiry highlighted was the reluctance on some schools to identify giftedness and then to provide appropriate pathways for them. Here at Mazenod, we are not afraid of trying to help and assist those students considered gifted.

This is demonstrated by enhancement pathways for students in a variety of subjects within the curriculum. These pathways are negotiated with the Year Level Coordinators, Deputy of Curriculum, Enhancement and Enrichment Coordinators and subject teachers. Each decision takes fully into account the individual needs of our students. This is because we know each of the boys very well and have not chosen who we will assist or help based on an external test or ranking. We will assist them all.

EARLY ACHIEVERS’ PROGRAM UPDATE

ACU recognises that students have more to offer than their academic results. The Early Achievers’ Program (EAP) contributes to the students’ growth and provides an opportunity for them to make their communities stronger.

NEW COURSES FOR 2012 ENTRY

Faculty of Health Sciences
In response to the growing need and demand for a flexible and responsive health workforce across Australia, the Faculty of Health Sciences has introduced a variety of new courses to ACU.

- Bachelor of Occupational Therapy – Melbourne campus
- Bachelor of Applied Public Health – Melbourne campus
- Bachelor of Nursing/Bachelor of Business Administration – Melbourne campus
- Bachelor of Nursing (Practice Leadership) – Melbourne and Ballarat campuses
- Bachelor of Nursing (Mental Health)* – Melbourne and Ballarat campuses

*involves mental health units within the Bachelor of Nursing

The prerequisite subjects for all of the above courses are a study score of at least 25 in English (any) or 30 in English ESL with the exception of Occupational Therapy which ALSO has a prerequisite of one of: Maths, Biology, Physics or Chemistry.

Faculty of Business
The Faculty of Business will next year introduce a number of new streams to its suite of majors in the popular Bachelor of Commerce degree.

- Bachelor of Commerce with major in International Business – Melbourne campus
- Bachelor of Commerce with major in Accounting/Commercial Law – Melbourne campus
- Bachelor of Commerce with major in Occupational Health and Safety – Melbourne campus

The prerequisite subjects for all of the above courses are a study score of at least 25 in English (any) or 30 in English ESL.

Faculty of Arts and Sciences

The prerequisite subjects for all of the above courses are a study score of at least 25 in English (any) or 30 in English ESL.

For more information on any of these courses, visit the ACU website: www.acu.edu.au/courses/see_also/scholarships_and_bursaries/2020/
Silver and Bronze. Joel beat his best times in all the events and is ranked in the top 5 for his age in Australia. His times would also have him in the top 5 for the U/15 age group also. Brian Fogarty (Year 7) also competed in a number of events achieving personal bests in the 6 Finals he made. Brian in his best event freestyle won a Silver medal.

Last weekend we also had the Mazenod Volleyball Teams play in the Latrobe Valley Championships. We entered both our Year 8 and Year 9 Teams in the older U/17 category for some hardened match practice. Our Year 9 team was undefeated for the day claiming the Gold Medal. Trent Castledine, Kieren McKeogh and Vincent Nguyen were all recognised as our best players over the tournament.

Brandon Woods (Year 12) played his first game in the TAC U/18 competition on Saturday after a very frustrating year with injuries. Brandon was obviously very pumped for the game and showed how he has what it takes at that level being named as one of Eastern Rangers best players.

ACC Swimming Training
The 2012 defence of the ACC Title has begun every Tuesday and Thursday morning at the Monash University Pool. The session begins at 7 am and concludes at 8 am. Students are to get dropped off at the pool and we will organise a bus to return them. We do provide a breakfast pack but would encourage the boys to bring some of their own food. All students are invited to turn up and train.

Football and Soccer Jumpers
A reminder that as your season concludes all jumpers must be returned to your coach or Mr Bedwell. Coaches will collect jumpers after teams complete their last game, but some teams have just finished and some students due to injury may not play in these games. Student will be billed a $100 for any top not returned. Thanks for your support and cooperation.

Oblate Cricket Carnival
The Oblate Carnival for 2012 will be held in Queensland and hosted by our brother College Iona. The dates for the competition have been confirmed from Sunday 5th January to Thursday 19th January. It is hoped that there will be 4 days of cricket. At this point in time fellow ACC School Whitefriars will also be attending. We have made some preliminary bookings for flights, transport, clothing and equipment and it will cost each family approximately $800 for the trip plus any additional spending money. The boys will be billeted out to families from Iona, just as families from Mazenod generously took on students from our brother Oblate Colleges in December. We will have 2 to 3 staff members travelling with the party of 13 students. Training details will be given out soon as we begin our training and selection process. Training will be after school once a week at the indoor facility at Clayton.

MAZENOD OLD COLLEGIANS FOOTBALL NEWS-
Preliminary Final U/19’s vs. St Mary’s @ Scammell Res. //1st Semi Final Seniors vs. Old Camberwell @ Northcote Oval
The U/19’s had their first loss of the year against a fired up Old Xaverian’s in their Semi Final on Sunday. The boys collectively had their worst game of the year and we are all confident that they will put this behind them, learn from their mistakes and get back to the brilliant Football they can play. Our Year 12 students in the team, Patrick Flanagan, Stephen Welsford and Andrew Di Petta were amongst the few good players. They played St Mary’s Salesian this week in the preliminary final for a spot the Grand Final. The Seniors also had a poor day losing to Monash Uni. The loss did not change their position on the ladder and this week they will play Old Camberwell in the first semi-final at Northcote in a knock out game.

MAZENOD OLD COLLEGIANS CRICKET CLUB-PRE-SEASON TRAINING
Pre-Season training commences this Saturday at 10 am sharp at Mazenod College. Training will take place on the synthetic oval so we’d ask that you meet at the rooms. Mid-week training commences next week on Wednesday night at 7 pm at Duredin Street (where pre-season training usually is). If you have any queries please do not hesitate to contact me on 0400 099 070.

MOCJ JUNIOR PLAYERS
The Club is currently recruiting players for an Under 13 and an Under 15 team. The Juniors will play in the Ferntree Gully League, playing on Saturday mornings. If you know anyone that may be interested in playing, please contact the Junior Coordinator, Tom Stanley on 0431 461 227.

SPORTS NEWS
General News
Next week is looming as another great one for Mazenod Sport as we have 6 teams from our Year 9, 10 and Senior levels compete in Grand Finals. We have again made it through to every Table Tennis Grand Final and are yet to lose a game at any year level thus far. We have our Year 10’s in the Basketball Grand Final and no doubt the vast knowledge and passion for the game that Mr Fox displays has rubbed off on all his chargers. We wish them well. All these finals will be played at the Melbourne Sports and Aquatic Centre. The Year 9 Hockey team scored a match winning goal with 5 seconds to play over St Bernard’s to win its way through to a home Grand Final next week at Monash Uni.

ACC Cross Country – Trial Carnival
On Monday 5th September a number of students from Years 7 to 10 have been invited to run in the St Bede’s Invitational Event on the beach at Mentone. This event is our only practice event and will also go towards final selection of our squad for the ACC Carnival on Wednesday September 14th. Students will leave Mazenod at lunchtime and should be back here approximately 3.15 pm. If your son has received an invitation he is expected to run!

Semester One ACC Sport Awards
On September 20th after school, we will be holding our Semester One Sports Awards Evening. Unlike previous years we will be holding the afternoon here at the College with an awards ceremony and then a meal. The afternoon will start at 4 pm and conclude at approximately 6 pm. We realise this will make it difficult for parents to attend, but you are all most welcome!

Attached to this newsletter is a list of all the students that have won awards for Semester One.

As you can see it is a very extensive list and covers a big percentage of our School populations. We congratulate each and every one of them and will present them with their award here at the College.

ACC Swimming & Athletic Awards
Below is a list of all the students who won awards in our second Carnival Sports in Term 1. The Carnival Sports are obviously a major focus for all the Colleges as it is the only time we compete as one College rather than Year levels. As our Swimmers had such a fantastic night back in February we will acknowledge their efforts at a special awards ceremony in early Term 4, where we will assemble the whole squad including emergencies to relive that fantastic night and to acknowledge some individual efforts.

Our Athletes will be invited to the Sports Ceremony to be held here on September 20th.

Sore Bodies!
Many students present for PE and Sport with notes saying they cannot involve themselves due to soreness from weekend sporting commitments. It is common knowledge from numerous research projects that Athletes should involve themselves in some physical activity in the days after a game. It allows the body to break down the build-up of lactic acid (cause of muscle soreness) and remove it from the body. In particular swimming is a great way to recover. For students to feel better and get back to full training they should involve themselves in sporting activities for a quicker recovery, rather than sit idle for days.

Congratulations
Last weekend we also had a number of students here at Mazenod compete in the Victorian Short Course Swimming Championships at the Melbourne Sports and Aquatic Centre. There were some fantastic achievements from our students again and it only reinforces how good we thought many of our students are. Joel Watson (Year 8) in the U/14 level won 10 medals over the weekend; 4 Gold, 2
