Dear Mazenod Community,

During the week a very important gathering took place. On Wednesday 5th September, we held the Year 12 Retreat Day and the Year 8 Reflection Day. Both of these days were moved so that the College could provide a full service to our families. They were also moved so that no Year 12 classes were lost while some Staff were involved a Day of Protest against the Baillieu Government and their broken promises on wages and conditions.

During the middle session of the day, all 400 students gathered in the Gym for an activity which ultimately provided a unique opportunity. The Year 12’s had earlier reflected on their time at the College, particularly in the areas of Sport, Music, Spirituality, Academics and Recreation. They then shared these experiences with the Year 8 students. Both the Year 8’s and the Year 12’s were able to share their experiences of Mazenod. This helped the Year 12’s confirm their memories of the College, while at the same time helping to grow the next generation of Mazenod Men. I was particularly pleased to see the genuine respect that existed between both groups and was also evidence that we genuinely believe that every student has a story to share. I thank all Staff involved as well as the NET Team for leading the boys so well.

Prime Minister’s Funding Response
This week the Prime Minister delivered the Australian Government response to the Gonski Review and outlined worthy aspirations for Australian education.

The Prime Minister has not given specific details about how funding might change as yet, but has stated that the Australian Government’s policy would include some recommendations made in the Gonski report.

The Gonski Review recommended that all disadvantaged students should be treated equally, with equal funding through loadings. This was a very positive proposal that will help meet the significant needs of disadvantaged students, particularly students with disability.

However, if adopted, the Gonski Review proposals would be disastrous for some Catholic primary schools. If the proposals were adopted, some Catholic primary schools would have to close and many parents would face big fee increases.

Any changes to school funding should be about delivering funding increases to schools, not fee increases to parents.

Catholic education is waiting for more detail on the Australian Government’s future funding policy. We will keep you informed on any updates when they become available.

Very shortly, an email will be sent asking Parents to participate in the Annual Schools Improvement Framework Survey. This survey looks at a wide range of activities in the College and is done annually across all Catholic Schools. We have found this a very effective way to receive family input and genuinely value the contributions. We have made some specific changes to Parent Teacher Interviews as a result of this feedback and no doubt there will continue to be more to come. Please keep an eye out for the email and feel free to respond. We have only been allocated 100 surveys for families so they will be allocated in order of receipt.

This week we have again experienced great results overall in the Basketball, Hockey and Table Tennis competitions of the ACC. We are very fortunate to be involved in this competition and it provides our boys with a great opportunity to compete against some very great Colleges. We were fortunate enough to make the Grand Finals in Year 9 Basketball, Year 9 Table Tennis, Year 10 Table Tennis, Senior Basketball A and B as well as Senior Table Tennis. I was very proud of the reports that I have heard about the performances and behaviour of the boys and I commend them on that. Premierships have been achieved so far in Senior Table Tennis and Year 9 Table Tennis and we congratulate the respective teams. This Term has seen the greatest Term 3 results with every team improving on their performances from the previous year. I have been particularly pleased with the progress of Hockey and thank every person involved in the delivery of our Sports Programs.

Last week the Senior ACC Chess Championships were held and Mazenod entered three teams in the Open Division 1. In a very successful day, we were able to occupy positions 1, 2 and 4 with our three teams. However, the Champion team on the day ended up being the Mazenod 2 team with Mazenod 1 coming 2nd. The boys were very fortunate to be involved in this competition and it provides our boys with a great opportunity to compete against some very great Colleges. the officials and their team mates with absolute respect. I was able to witness every aspect of all that is great about Sport and I congratulate every boy involved. The above mention attributes are more significant to our community than any result.

I would like to commend Ms Louise Gunther and the entire Avila College Music Department on a wonderful Music Festival held during the week. The students were extremely talented and dedicated and Avila has an excellent reputation for supporting the Arts. The theme of the night was Love and there was even a surprise performance from three of our boys, who seemed very happy among a few hundred girls. I thank Avila College for the continuing and ever growing friendship between our Colleges. We are indeed very fortunate to have an extremely positive relationship with Avila, Killester and Sacred Heart Colleges and we commit to keeping that relationship strong.

Our own Mazenod Music Gala Night is also coming up very soon on Wednesday 19th September at the Alexander Theatre. Tickets usually sell very quickly and many families miss out, so I sincerely encourage you to contact the College on 8561 1108 to secure your tickets. For the first time in the College’s history, we will see Bands, Orchestras, Hip Hop Dance Troupes, Choirs and Ensembles. The night showcases the tremendous Music Program of the College as well as the talent and dedication of the boys and Staff.

I sincerely hope that last week’s Newsletter highlighted the serious reasons why some Staff were involved in the Day of Protest against the Baillieu Government. The Government has ultimately made promises that it has not kept. Many are unsure if they ever intended to keep these promises on effectively paying teachers a fair and just wage. The other major point of concern is Performance Pay. This concept is disgraceful and provides no measured benefits in any way to students. In fact, applying performance standards based on Students’ marks can actually hinder Students’ progress. At Mazenod we definitely don’t want to see the day when Teachers are no longer sharing resources with each other. We definitely don’t want to see the day when a Teacher who teaches brighter Students is offered more pay and we don’t want to create a scenario where struggling Schools are forced to make Teachers take a pay cut because of struggling Students. This scenario is a horrible one for our society and hopefully will never be introduced. Clearly every profession needs to find ways at continuing to improve. At Mazenod, we have a comprehensive Professional Development Program. We have also invested heavily in building the capacity of every Teacher and we remain committed to doing so. We are indeed blessed here that the vast majority of our Teachers give well and above the call of duty. There are no doubts areas of continued improvement and learning and to believe otherwise would be false, misleading and arrogant. In spite of some of the negative press that Teachers may receive from some members of the community, I sincerely hope you remember the many good teachers who commit to guiding and caring for your sons each day. As a College, we remain very committed to fair and just wages for all of our Staff and also remain very opposed to some of the divisive performance indicators proposed by the Government. I would like to suggest that maybe you contact your local member to express any point of view you might have.

The following website lists all of our local members.

LIBRARY NEWS

Book Club Excursion
Last week, members of the Book Club visited the Melbourne Writers’ Festival. We saw a panel discussion involving John Boyne, Penni Russon and Cassandra Golds on the influence of Fairy Tales in their writing. This included a reading from John Boyne’s new book The terrible thing that happened to Barnaby Brockett. Afterwards, we visited the bookshop and had the opportunity to have our books signed. The second talk was a discussion with Vikki Wakefield and Julia Lawrinson, chaired by Adele Walsh from the Centre for Youth Literature. This session was both fascinating and hilarious at times, as both authors discussed their characters and their inspiration.
Here is what one participant had to say about the experience...
“The excursion that I went on was a lot of fun and very exciting. First we caught the train to the City which I think is great because I never get to do that. We got to walk around the city and see brand new places that I have never seen before. We got to go to two sessions and see 5 brilliant authors. Seeing these authors and hearing them tell us how they create stories is really interesting because a lot of it was from personal experience and I can take that in English class because when I tell a story or how I write now will definitely change because I got to see and hear these fantastic authors. Lots of the books these authors have written I had never heard of and now hearing them talk about how they wrote it is very interesting and I want to read lots of these books. Also coming out of this I now know which I have never known before the types of books I will enjoy and what books are aimed at me to read. I would definitely love to go on this trip again every year because you can take so much from these amazing authors and hopefully lots of other Mazenod boys will get to enjoy what I did on this trip.”

THE SECOND HAND UNIFORM SHOP
If your son has grown out of his GOOD quality School/Sports Uniforms. Now is not too early to start the ball rolling so even if you are in Year 9 or Year 12 make an appointment via the intranet or simply drop in and speak with Mr. Kenealy about your subjects or tertiary study.

CAREERS & PATHWAYS

There are plenty of opportunities available for students to sample different career opportunities at many of the tertiary institutions in Melbourne throughout the year. It is never too early to start the ball rolling so even if you are in Year 9 or Year 12 make an appointment via the intranet or simply drop in and speak with Mr. Kenealy about your subjects or tertiary study.

Subject Selections

Congratulations to ALL students who completed their subject selections last week. Nearly all students across Year 8, 9, 10 and 11 managed to input selections online. Students who have not completed in selections will be spoken to before the end of the term.

Year 12

VTAC Preferences for University entrance in 2013 are due by the 28th September. I would hope that all students will make the most of the lunchtime sessions that will commence on Thursday 6th for Registrations and Wednesday the 12th September for completing applications. Students will be walked through the process with Mr. Kenealy to ensure no mistakes are made. If a student submits their preferences with errors and has to notify VTAC an administration fee of $23 will be incurred. Students will require the following things to complete the application:
1. VTAC registration completed
2. Course preferences completed (up to a maximum of 12) on booklet provided for students
3. Proxy details in case you are unable to attend institution yourself to enrol (name, relationship to applicant, DOB, email, phone number)
4. VISA/Mastercard number including 3 digit number on back of card.
The cost of applying online is $26 for timely applications if paid by VISA/Mastercard at the time of application. If students request an invoice they risk dropping out of the system if not paid for by the due date.
VCAA candidate numbers are available from Mr Kenealy, Mr Mark Rolfe, Mr McPhail and Ms Caldwell. Students must have these to complete their VTAC registrations and then applications.
Interview times are continuing to fill up quicker than expected and already I am looking at interviews two weeks down the track. Students needing assistance must make an appointment time with Mr. Kenealy ASAP to ensure you get some advice before the end of term deadline for VTAC preferences.
Students are also reminded to register with VTAC as soon as they can on the VTAC website: www.vtac.edu.au

ACC SPORT

On Wednesday at MSAC, we had a number of teams compete in Grand Finals. Our Seniors in particular were in both the Basketball and Table Tennis Grand Finals. As you can see from the photo below, our Table Tennis team had a fantastic win coming from well behind to defeat St Bernard’s. After the 10 singles games were played we trialed 4 games to 6. With 5 double games to be played St Bernard’s only needed to win 2 more games to take the Title. The boys listened to the motivational words of our coach Mr Kenealy who asked the boys to have a go and leave no regrets. Well the boys played double like never before our doubles players went about playing the best they had ever done and we won 4 of the games to run out winners 8 games to 7. Well done to all involved.

Our Senior Basketball squad had both the A and B team in Grand Finals as well and though they were all disappointed in the final result they can all be proud of their effort. The A team played a very talented Whitefriar’s team who have a

Congratulations to Mr Fox for taking both sides to the Finals. Mr Fox has a wealth of knowledge and passion for the game and the boys will all be better people and players for the time spent with him. Mr Fox has coached 3 teams this year and is on track to get every team to the Grand Final.

ACC CROSS COUNTRY

Next Wednesday 12th September, we will send our best 90 runners off to Bundoora Park for the ACC Cross Country. You may not be aware that last year the ACC introduced a promotion and relegation system for all carnival sports as a way to encourage Colleges to perform at their best. Last year we finished 5th and avoided relegation and this year we hope to aim for a top 3 finish. The boys have certainly embraced the training this year and we have seen excellent numbers at training over the Term at lunchtimes and on Friday mornings.

No doubt the highlight of our season has been the special coaching appearance of former Old Boy and former World Champion Triathlete Peter Robertson. Peter came out and trained with the team last Monday. Not only did he offer some great advice he also jumped in and ran with the team. Peter was fantastic with his advice on pre-race build up and the boys certainly took all the information on board.

The Team will be announced on Monday and we will all be behind them as they try their best. We select 10 runners per age group and history shows that if you can get most of your runners in the top 50 you give yourself a great chance of a top 3 place.

2013 ACC SWIMMING CAPTAIN

Training has begun in earnest for 2013 ACC Swimming Championships with record numbers attending the early morning sessions. Mr Montoya has developed a great team culture and the boys are pushing themselves to be at the peak of their powers come late February. One student that has always committed to the swim team and shown the core values of teamwork, passion and courage is our 2013 Captain David Burgess. David is an exceptional student and swimmer and has always been willing to compete for the College even when in the middle of his own demanding swimming training. David is an exceptional swimmer and has swum at State and National level. We wish David every success and encouragement over the next months as we build up to the Carnival early next year.

MAZENOD OLD COLLEGIANS CRICKET ACADEMY

This Sunday at 10 am the Cricket Club is holding its 2012-13 Registration Day. The day will kick off at 10 am and go through to 12 noon. All participants will join in with some coaching from the senior players. The day will conclude with a sausage sizzle. The day will go ahead regardless of the weather.

The Club is running an under 11/13 & 15 team this year, and most games are played on a Friday night after School on the synthetic pitch or away venues. The first 50 people to register will also receive a show bag packed with goodies.

Luke Kenealy – Careers Coordinator

Mr Fox with the Senior team during one the time outs breaks.
RUN-BAESIDE PARK
Mr Bradbury for the Science Department is one of the major organises of the Dingley Dozen Fun Run at Braeside Park. The run is on Sunday 22nd September starting at 8.45 am. Students and parents can register in the 12k, 6k and 3k walk / run events. If anyone would like to participate they can get registration forms from the PE Office.

ACC SWIM SQUAD
Mr Montoya has invited students who are interested to start training with the Swim squad on a Tuesday or Thursday morning at 7 am at the Doug Ellis Pool Monash University. Students are asked to get their own way there and we will provide bus transfer back to Mazenod at 8.15 am. We supply a small breakfast for the boys and encourage the hungrier boys to pack some extra food.

Numbers have been very good and we are averaging over 10 swimmers per session. Manuka has again accepted the challenge of coaching the boys each morning and we are grateful for her assistance.

OBLATE CRICKET CARNIVAL
This is another reminder to parents of interested sons that the Oblate Cricket Carnival will be hosted by Mazenod WA from Sunday 9th of December and Friday 14th of December. We have started to put together an initial squad to start training in Term 3 and Parents should have received a letter notifying you and your son. The early notice was to also inform Parents that the trip will cost approximately $800 for everything, including team clothing and equipment. We hope to have our final squad of 13 selected by the end of Term 3. If your son did not receive a letter but would like to try out for the team they are most welcome to attend the sessions.

JUMPERS- FOOTBALL AND SOCCER – It seemed only weeks ago we were getting started, but as time flies the ACC season is starting to finish up for a number of teams. Year 10 Football and Soccer as well as Senior Football all finish their seasons in the coming weeks. Could I remind all students to please get their jumpers washed a returned to the College within 2 weeks. Students who do not return jumpers will be issued with an invoice for $100 to offset the cost of ordering replacement tops.

Old Collegians News –
Mazenod United Soccer Club - The boys had a friendly match against Aston Athletic Soccer Academy on the weekend having 2 good wins in the Seniors and Reserves. Playing on the adrenaline of being crowned Championship winners the boys played 2 very good games and recorded 2 excellent wins at home.

CRICKET CLUB: The Club is holding an Academy Clinic Day on Saturday 9th September for any student interested in developing his Cricket. Expert coaching and training will take place at the College in the new nets and on the oval. You can register your interest at the PE Office.

Old Collegians Football Club - The U/19’s won their second Semi Final by 5 goals on Saturday earning a week off and a spot in the Grand Final. The scores were 3 goals in favour of Mazenod at half time, and the team played some of its best football in the second half to kick away and record a great win. Liam Riley and John Paul Van Rensburg both played important roles in the win. Grand Final details will be in next week’s Newsletter once confirmed.

The Senior also beat top team Parkdale Vultures to secure 4th spot and set up a Final against Marcellin College Old Boys at Box Hill City Oval this Sunday at 2pm. Mr Regan was adjudged best afield in the exciting win. Mazenod will have all 3 Senior teams playing on the day.
