Dear Mazenod Families,

Welcome back to the last Term of the year. I am very glad to be back at school and looking forward to a great final Term of the year. Our Open Day is on next week on Tuesday 18th October from 4 pm-8 pm and everyone is welcome. There have been many new additions to the landscape and facilities of the College over recent months and these have greatly added to the atmosphere of our Community. I congratulate the entire Maintenance and Grounds Team for their hard work.

Of particular note is the addition of new fencing and paving in Kernot Avenue. These additions have significantly enhanced the safety for each and every Staff member and student. Along with the new arrangements in Kernot Avenue, I am much happier with the safety situation, however, fences and clearer roads are no substitute for common sense, careful consideration and diligent observance. We will keep trying to teach the boys these skills and trust that these will be re-enforced at home.

The 12th of October is a very significant day within the life of the College. On the 12th of October in 1988 two young police officers were murdered in the line of duty at Walsh Street, South Yarra.

The two police officers were Constable Steven Tynan, 22 (Mazenod Old Boy), and Probationary Constable Damian Eyre, 20. The officers were responding to a report of an abandoned car when they were gunned down at 4.30 am in Walsh Street, South Yarra, on 12th October 1988. It is believed they were murdered as a revenge attack against police.

On Wednesday 12th October, we held an Assembly in honour of Steve Tynan and also as a prayer of safety for all Police, Fire, Paramedics, SES and Armed Services. We welcomed back approximately 10 Old Boys and we were fortunate enough that Assistant Commissioner and Old Boy Stephen Fontana was able to address the Assembly on aspects of policing and why it is important to be a good citizen. This Assembly was an important gathering for our College. We refuse to let the hatred of murder defeat the promotion of good. This Assembly will occur every year and we will invite every member of the Police, Fire, SES, Paramedics and Armed Services Community to attend. They are always in our prayers and we thank them for their service.

I would also like to thank the Father’s Association for their recent purchase of an ID card making machine. This purchase is a very important one for all families of the College as it means that we are able to produce the ID cards for the students here on site at a considerably reduced price. I thank them for making a purchase that benefits so many families.

Over the course of the holidays, I travelled to Perth for the wedding of an Old Boy of Mazenod College, WA. While I was over there, I was fortunate enough to be able to witness and support Kale Murfett (Year 9) in the Under 15 National Lacrosse Championships. In what is perhaps the toughest, most brutal and skilful Sport I have ever seen, Kale and his Victorian Team did very well. In one of the games he was the Most Valuable Player and his Team received a Silver Medal, after the WA Team won in overtime. Mazenod College is very proud of Kale. Well Done.

Today, I will be with Avila College as they celebrate the Feast of St Theresa of Avila. I am very happy to support Avila on this wonderful day for them and hopefully re-enforce the strong relationship we have as Colleges. Both Colleges share much in common and we will always stand side by side with them. We are also very fortunate to have a very healthy and close relationship with Killester College and this will continue to grow and flourish.

Tonight I will travel to Mooroolbark Community Centre to support in a band our students are involved in called Somnium (Rhys De Wilde, Patrick Maslamoney, Lawson Kennard, Ben Feillafe and Daniel Lacey). I am unsure of the exact style of music however I have been told that it is very, very, very loud. I wish the boys well in their Regional Final.

I did not quite predict the Grand Final result as the many happy Cats have reminded me, however great congratulations needs to be given to both Clubs. With our new Coach, I am hoping that we at Fremantle get to experience ultimate success.

Take Care and God Bless

Fr Michael Twigg O.M.I.

General News

Wow, what a start to Term 4. In week one the very first day back for students, our young men represented the Mazenod Community in the First Round of ACC Competition for this Term. I must congratulate all our Athletes, Coaches and Staff for being well prepared and putting up such a strong performance across the board.

With the extension to the Cricket Turf Square ready for action, the Old Boys Cricket Club and our ACC Teams showed the cricket world that we are strong and competitive in this Sport. Our Year 10 Team certainly sent out a strong message with some incredible bowling statistics to make it the run chase for our batsmen an easier task. Whilst Mr David Regan lays claim to brilliant coaching of his bowling attack, I think you will all agree, the ability to put the ball in the right spot on the pitch by our young attacker gives the longer term outlook for Mazenod Cricket to be one of excitement and certainly very positive.

In a similar vein, our Year 10 Tennis Team had an impressive Round 1 performance against CBC. Whilst the scores reflect a one sided contest, each of the Mazenod players were provided an opportunity to show our Year 10 Coach (who also Coaches the Senior Team) that he has the job ahead of him in selecting this Team each week.

Whilst our Volleyball Teams continue in their preparation for the Schools National Championships in December, ACC Volleyball figures prominently this Term. The final scores were pleasing, but I was informed by Fr. Michael Twigg O.M.I. who was able to watch some of our Year 7 Volleyball games of very high standard of Sportmanship among our young men displayed towards their opponents irrespective of the score. This is a fantastic example and reminder to the rest of us as to our high regard is all about. We, the Mazenod Community often overlook this aspect as this is a core foundation to our approach to Sport and we do set a high standard. This is reflected in many comments I receive from those beyond our immediate community and certainly beyond the ACC affiliated Schools. This is a great reputation to have achieved and one to actively pursue in the future.

Well done to all Teams this week and we look forward to the remaining sides who are yet to play starting their season next week.

The 2012 Adidas Victorian All School Athletics Championships

It is that time of year again where the best of the best Athletics performers from all Schools across Victoria come together to test themselves. This year the event will be held at the new Athletics track in South Melbourne with events starting on Friday 4th November and continuing throughout the weekend. I was pleased to see a number of our young men enter this challenge last year in what was a great experience for them. This event has some of the best Australian Athletic names attached to its history with many careers being born from this event over the years. If any of our young men are interested in taking on this challenge, they should see Mr David May immediately to register. This is an awesome opportunity for the Mazenod Athletics Squad to get a start in our preparation for the ACC Athletics Carnival in Term 1 of 2012. Preparation is the key to success and more information will be provided in the near future regarding the season launch of our training for the Mazenod Athletics Squad.

Congratulations

Once again Scott Gilmore continues to show he is a man on the move in the Table Tennis world. Over the holidays he competed in the Australian Junior Table Tennis Open in Sydney. He once again proved his consistent and successful results are just rewards for a tremendous amount of time and hard work developing his talents. Scott won two Silver Medals in the State Teams and Under 15 Doubles. He also achieved a Bronze Medal in the Under 15 Singles and Mixed Doubles. Not happy with competing in his own age group, Scott stepped up to the Under 18 Singles, where he reached the Quarter Finals. Through his impressive performances, Scott has been selected in the Australian Team as a reserve for the Under 18 Division that will compete at the World Junior Championships in Bahrain this November.
We also congratulate Lajos Hun who has recently been invited to return to Argentina where he spent some time earlier in the year for Football (Soccer) tryouts. This is a very exciting step in his dream and ultimate goal to enter the elite professional Football ranks. Lajos will depart next Wednesday and we wish him well on his journey and trust he will continue to work hard over the next months and impress the Football fraternity.

ACC SWIMMING TRAINING
The 2012 defence of the ACC continues and the number of young enthusiastic Athletes attending has been extremely pleasing. Training continues in morning at the Monash University Pool. The session begins at 7 am and concludes at 8 am. Students are to get dropped off at the pool and we will organise a bus to return them. We do provide a breakfast pack but would encourage the boys to bring some of their own food. The challenge is in front of the Mazenod Swimming Squad once again and it is this new and exciting challenge we draw strength from, but we can only strive to realise our potential if all squad members are on board. Please see Mr Emilio Montoya if you have any queries or wish to join the squad. We will have a number of the 2012 Year 7 Athletes join the squad this Term. We openly welcome them and look forward to them being in the pool representing Mazenod College.

ACC SWIMMERS BREAKFAST
To commemorate our history making Carnival Victory back in February, the College has invited the whole squad to a special breakfast here at the College at swimming training on Wednesday 20th of October. At this breakfast we will recognise the efforts of the entire squad and also remember some of the special individual efforts. Invitations will be sent out to students and parents over the holidays.

FOOTBALL AND SOCCER JUMPERS
A reminder that as your season concludes all jumpers must be returned to your coach or Mr David Bedwell. Coaches will collect jumpers after teams complete their last game, but some teams have just finished and some students due to injury may not play in these games. Student will be billed a $100 for any top not returned. Thanks for your support and cooperation.

OBLATE CRICKET CARNIVAL
The Oblate Carnival for 2012 will be held in Queensland and hosted by our brother College Iona. The dates for the competition have been confirmed from Sunday 15th January to Thursday 19th January. It is hoped that there will be 4 days of cricket. At this point in time fellow ACC School Whitefriars will also be attending. We have made some preliminary bookings for flights, transport, clothing and equipment and it will cost each family approximately $800 for the trip plus any additional spending money. The boys will be billeted out to families from Iona, just as families from Mazenod generously took on students from our brother Oblate Colleges in December. We will have 2 to 3 staff members travelling with the party of 13 students. Training details will be given out soon as we begin our training and selection process. Training will be after school once a week at the indoor facility at Clayton.

MOCC JUNIOR PLAYERS
The Club is currently recruiting players for an Under 13 and an Under 15 team. The Juniors will play in the Ferntree Gully League, playing on Saturday mornings. If you know anyone that may be interested in playing, please contact the Junior Coordinator, Tom Stanley, on 0431 461 227.
