Dear Mazenod Community,

Welcome back for our final Term of the year and a period of great significance for our VCE Students in Year 11 and 12. During the holidays a series of Trial Exams were held and the aim of these is to assist in preparation for the final VCAA Examinations.

On Friday we welcomed back Kurt Kansley to the College to receive his award of entry into the ACC (Associated Catholic Colleges) Arts Hall of Fame. Kurt Kansley graduated in the Class of 1995 and went on to study Performing Arts at Monash University and Music at the Melba Conservatorium. Kurt has since had a successful career in professional theatre. In London he has been in A Midsummer Nights Dream, The Lion King. It was after a year's contract performing in the The Lion King that the Disney Theatrical group invited Kurt to be a part of the West End production in London in 2005. Kurt now lives in London where he continues performing and has also been in The Lion King, The 12 Tenors, Rock Around the Clock, Hair, A Midsummer Nights Dream, The Last of the Mohicans and Ragtime. Kurt also works as a singing and acting tutor at Bird's College and Arts Educational which are two of London's most established Tertiary courses in dance, theatre and Dramatic Arts.

The 12th of October is a very significant day within the life of the College and indeed within our community. On the 12th of October in 1988 two young Police Officers were murdered in the line of duty at Walsh Street, South Yarra.

Today, we held an Assembly in honour of Steve and also as a prayer of safety for all Police, Fire, Paramedics, SES and Armed Services. We welcomed back approximately 10 Old Boys. The theme of this year's assembly was “Uphold the Right”, which is the motto of Victoria Police. This motto is not only the challenge of the Police but also a challenge to us all. This Assembly was an important gathering for our College. We refuse to let the hatred of murder defeat the promotion of good. Invited every year are Police, Fire, SES, Paramedics and Armed Services. They are always in our prayers and we thank them for their service.

During the past week, our community here at the College became all too aware of why these prayers are important. Old Boy, Hayden McKeogh (2010) and brother of Kieran McKeogh in Year 10 was involved in an Army training accident at the Holdsworthy Army Base. Hayden, along with 18 other Army personnel were injured, some very seriously. Hayden has spent some time in the Army hospital and is expected to fully recover. I have assured him and his family that all involved will remain in our prayers. Unfortunately, one of Hayden’s friends has passed away.

Next Friday Night is a Trivia Fundraising Night for the China Little Flower Orphanage. This trivia night is a combined Mazenod/Killester event and is being organised by the students this year who will travel up for the service and mission project. All money raised will go directly to the Orphanage. Tickets are $15 and tables of between 10 to 12 should be organised. This will be held at the Founders’ Complex, starting at 6.30 pm.

Our College Badminton Team recently came 2nd in the State Championships. This Sport is one of the fastest in the world and has significant popularity here at the College. Sean Ryan in Year 10 has introduced the Sport to many of our boys, and was instrumental in constructing and preparing the teams. This initiative is proudly supported by the College and Sean’s enthusiasm is indeed to be commended. Well done.

The College Open Day will be held next Tuesday, 16th October from 4 pm – 8 pm. This is a very good opportunity for any family or friends to see the College as well as anyone who may be considering an education here at the College. You may have noticed some rather significant advertisements in our local papers. It is these local publications that we have concentrated on and we have avoided many of the highly expensive and glossy education productions. Every week we are contacted by at least 5-10 publications asking us to advertise in their. This year we had over 500 applications for Year 7 and the vast majority of those came along because they were recommended by our current families. This is pleasing on so many levels. Firstly it is a very clear endorsement that we have a community that is worth belonging to. Secondly, it indicates that our families are articulate and are listened to by members of the wider community. Our boys are in fact the best promoters of the College by what they say and do in the community. It is why we take so seriously the uniform, haircuts, behaviour on public transport and online internet activity. These can never be taken for granted and I am pleased that the vast majority of families support us in that. Finally, a great strength of the personal recommendations of our boys and families is that resources of the College can be spent supporting the programs here rather than helping Rupert Murdoch become even richer through our ads.

During the week, we met with the new Year 7 students and their families who will begin their educational journey at the College in 2013. It was evident that they were very nervous and excited about coming here and this enthusiasm is a precious treasure that we hope is retained for as long as possible. Each family seemed genuinely excited as well and we look forward to welcoming them at the Orientation Day in November.

There exists some opportunities for Football (Soccer) Training skills and these are being provided by Mazenod United Football Club free of charge to any boy or girl who would like to attend. With this
Newsletter is a flyer and every child is welcome (boys and girls). Swimming training has started and could you please give Emilio Montoya a call on 8561 1113 to get involved.

Our VCE students are all moving closer to the completion of their schooling. It is really important that we assist them in remaining focussed and determined to do well. I strongly encourage every boy and his family to make wise decisions regarding the work/social balance that is necessary for success. There will be direct communication with families on strategies that may be of help, including limiting time on the internet and being selective about the social gatherings that they are invited to. The message to the boys is that the sacrifices made now are worth the effort in gaining as wider selection of options as possible.

Finally, congratulations to all Melbourne Storm and Sydney (South Melbourne) Swans Supporters on your respective Premierships. Both teams were worthy winners and have been rather dignified in their celebrations.

During the week I have met or will meet with John Maddaluno (Old Boy 2005), Micaela Drieberg and Paul Kliaris who are all standing for election for the Mulgrave Ward of the Monash Council elections. I have been very pleased with their generosity of time in understanding some of the unique issues we face.

The Annual Speech Night will be held on Thursday 25th October. Further information can be obtained in this Newsletter.

Take Care and God Bless
Fr Michael Twigg O.M.I.

CAREERS & PATHWAYS

Welcome back to Term 4. At this stage of the school year there are lots of things students can be doing in order to put things in place to ensure plans for future university courses and careers are in place. It is not too late to start the ball rolling so even if you are in Year 9 to Year 12 and you would like to speak to Mr. Kenealy make an appointment via the intranet or simply drop in and speak with me about your subjects or tertiary study.

The focus over the next two weeks is clearly with Year 11 and 12 students who are preparing for examinations.

Year 12

VTAC Preferences for University entrance in 2013 are due by the 9th November. Applications now will incur a fee of $89 unless the application was completed before 28th September. A reminder about dates and costs:

- November 9th LATE applications $89
- December 7th VERY LATE APPLICATIONS $114

Obviously it is advisable to have applications done with instruction before the end of term to ensure that late fees do not apply. Students do have the opportunity to change preferences up until the 26th October free of fees and then from 18th December – 24th December after ATARS are released.

Go to www.vtac.edu.au to apply or make changes.

Year 12 students had the opportunity to listen to some advice and information from Student recruitment at Monash University on Wednesday regarding Scholarship applications and it was pleasing to see about 50 students give up their lunchtime to hear what was being said.

There are currently 18 pages of deleted courses, new courses and changes to course names that Year 12 students should be checking and cross matching with their own selections. Unfortunately the document was too big to include in the weekly newsletter but please find attached to link.
