Please remember in your prayers

All people who have died in order that our lives are free

All Family and Friends who have passed away

All Mazenod Old Boys and Staff who have passed away

All people who have no one to pray for them who have passed away

*Christians believe that death is a comma, not a full-stop*

Through your generosity so far, the Families, College and Government have contributed $18,600 to the Caritas East Africa Appeal. Donations are still being taken at [www.caritas.org.au](http://www.caritas.org.au)

Mazenod Old Collegians’ Association AGM

Notice is given that MOCA will hold its AGM on Monday 28 November 2011.

Registrations begin at 6.30 pm for a 7 pm meeting start. All positions will be declared vacant.

Nominations should be sent to the Executive Officer at sputrino@mazenod.vic.edu.au.

Immediately following the AGM, there will be a special farewell gathering for Steve Putrino, who is retiring at the end of the year.

Please contact Matthew Persico mpersico@mazenod.vic.edu.au to confirm your attendance.

**MOTHERS’ AUXILIARY**

Mothers’ Auxiliary Christmas Party for 2011 (please click here for invitation) is to be held on Wednesday 16th November. The evening will begin with a Special Christmas Mass in the School Chapel, followed by supper & drinks in the Founders Complex.

This night is a great opportunity to catch up with friends and to meet and welcome new Ladies into the Mazenod Community.

Great Door prizes to be won.

Please return your RSVP by Monday 14th November to the Front Office or email nancy.mete@optusnet.com.au as soon as possible for catering purposes.

If you are interested in singing with the choir at this year’s Christmas Party, please be at the school chapel at 6.30pm on the night and see Karen De Wilde.

**CAREERS AND PATHWAYS**

**RMIT Careers Update:**

**PRE-APPRENTICESHIPS—A GREAT WAY TO GAIN AN APPRENTICESHIP**

**Audience:** Year 10, 11 and 12 students. RMIT offers pre-apprenticeships in plumbing, electrical and refrigeration/air-conditioning. Students who complete their pre-apprenticeships have a higher success rate in gaining an apprenticeship. With multiple intakes throughout the year and a central location, RMIT is the ideal place to start a trade. For more information please visit www.rmit.edu.au/engineeringtafe/apprenticeships or call 9925 4468.

**NEW ENGINEERING DEGREES FOR 2012**

**ENGINEERING DEGREES FOR 2012**

A GREAT WAY TO GAIN AN APPRENTICESHIP

With multiple intakes throughout the year and a central location, RMIT is the ideal place to start a trade. For more information please visit www.rmit.edu.au/engineeringtafe/apprenticeships or call 9925 4468.
**AUDIENCE:** Year 10, 11 and 12 students

**Sustainable systems engineering** [www.rmit.edu.au/aeromecheng/sse](http://www.rmit.edu.au/aeromecheng/sse)

Sustainable systems engineering uses broad perspectives of engineering to deliver technical solutions on large-scale projects. It is focused on sustainable development of industrial systems and technical products. These include sustainable energy, transport and logistics as well as clean manufacturing. Students will study major areas of design and technology, focusing on sustainable engineering systems to become part of a new class of engineering professionals. Graduates will have the skills and knowledge to create, design, lead and manage sustainable solutions to complex problems that face our societies and communities world-wide.

**Biomedical engineering** [www.rmit.edu.au/eleceng/bioeng](http://www.rmit.edu.au/eleceng/bioeng)

Biomedical engineering is the bridge between clinical medicine and technology. Biomedical engineers deliver solutions that are able to enhance the lives of those affected by medical issues. The four-year biomedical engineering degree has been developed with industry consultation and draws on the combined expertise from multiple areas across the university. As a result, this well-rounded degree offers fascinating subjects as well as a wide range of opportunities for graduates. Attend RMIT’s Change of Preference Information Session on Monday 19 December for more information on these new programs or visit [www.rmit.edu.au/ach/cop](http://www.rmit.edu.au/ach/cop)

**SCIENCE EXPERIENCE — WEDNESDAY 18 TO FRIDAY 20 JANUARY 2012**

**Audience:** Year 9 students

The Science Experience is three fun-filled days of hands-on activities and pracs for students entering Year 10 in 2012. The school holiday program allows Australia’s next generation of scientists to go behind the scenes and sample the exhilarating world of science and technology. Students will perform experiments, participate in field trips, attend university lectures and experience three days of student life on campus. For further information and registration visit [www.rmit.edu.au/scienceexperience](http://www.rmit.edu.au/scienceexperience) or contact Sarah Morley, Tel. 03 9925 9570, Email: sarah.morley@rmit.edu.au

**SPORTS NEWS**

This week Tom Riley (Year 7) made his debut with the Old Collegians 4th XI thus following in the footsteps of his brother Liam, who also made his senior debut at the same age.

Captain Matt White threw Tom the new ball and with only his second ball he had the opening batsman out caught behind. Tom finished with the excellent figures of 2/14 off 6 overs. He follows a great line of wicket takers from the Riley Family, father Michael is currently second on the all-time wicket takers list at the Old Collegians with 475 wickets, while Uncles Peter and Paul have taken over 400 wickets between them. If that wasn’t enough, Tom followed up with the bat hitting a 6 with his first scoring shot in senior cricket ending with a valuable innings of 22.

It looks as though Tom will progress through the ranks just as quickly as brother Liam has.

**Athletics**

Over the weekend the 2011 Adidas All Schools Track and Field Athletics Championships were held at the new Athletics Track in South Melbourne. The Championship is held over three days and attracts the elite Junior Competitors from all around the State. This competition has a significant tradition and it has seen the emergence of many of our senior Australian Track and Field stars holding records at this event. This year Joshua Chia (Year 8) and Jack Minack (Year 8) competed in the both the 100m and 200m events. Daniel Shaw (Year 7) competed in both the 800m and 1500m events, and Patrick Djordjevic (Year 9) also competed in the 1500m event. The times for all the heats reflected the calibre of athletes who competed. Whilst our young men did not make it through to the finals in each of the events, the experience gained was invaluable. I congratulate these young men for daring to accept the challenge and put themselves up against the best school aged athletes in the state.

ACC Sport heads into its penultimate week with only Finals to be played after that. Where has the year gone? As we start to finish off the year we are also starting the process of organising next year and getting all our dates and venues confirmed for all our Sports Programs for 2012.

The Year 11 students begin exams and preparations for Year 12. From this body of student will become our new leaders not just at School but also Sport. Earlier this Term Mr May took 14 Year 11’s boys to a leadership workshop at Parade College. The day was initiated by Mr Paddy McKenna the CEO of ACC Sport. The day is professionally run by outside organisations and supported by all the Colleges and Sport Staff.

The day I have no doubt has a great impact on how the boys perceive leadership and act it. I have no doubt that the students we took will benefit enormously from the day and we will reap the rewards not only in Sport but also in the overall College community.

The 2012 defence of the ACC Title has begun every Tuesday and Thursday morning at the Monash University Pool. The session begins at 7am and concludes at 8am. Students are to get dropped off at the pool and we will organise a bus to return them. We do provide a breakfast
OBLATE CRICKET CARNIVAL
The Oblate Carnival for 2012 will be held in Queensland and hosted by our brother College Iona. The dates for the competition have been confirmed from Sunday 15th January to Thursday 19th January. It is hoped that there will be 4 days of cricket. At this point in time fellow ACC School Whitefriars will also be attending. We have made some preliminary bookings for flights, transport, clothing and equipment and it will cost each family approximately $800 for the trip plus any additional spending money. The boys will be billeted out to families from Iona, just as families from Mazenod generously took on students from our brother Oblate Colleges in December. We will have 2 to 3 staff members travelling with the party of 13 students. Training details will be given out soon as we begin our training and selection process. Training will be after school once a week at the indoor facility at Clayton.

MOCC JUNIOR PLAYERS
The Club is currently recruiting players for an Under 13 and an Under 15 team. The Juniors will play in the Ferntree Gully league, playing on Saturday mornings. If you know anyone that may be interested in playing, please contact the Junior Coordinator, Tom Stanley, on 0431 461 227.
