Dear Mazenod Community,

This week we celebrated the Feast of the Oblate Spanish Martyrs who were murdered for their faith in 1939. This period of Spanish history (1936-1939) saw the Marxists murder and execute many members of the Catholic faith who they saw in opposition to their philosophy of life. Many of these Oblates were very young men who were prepared to remain loyal to their faith in God. They are inspiring men whose forgiveness of their murderers is very hard to imagine possible. The word “martyr” means witness and these young men certainly were witnesses of integrity, loyalty, compassion and faithfulness in the face of severe hatred and opposition. They are a constant inspiration to us all.

We have had many positive reports from our Students currently in Italy and China. Our boys are experiencing the many great aspects of Italian and Chinese culture. Both cultures love their food and there have been many fine meals had in each place. Both countries have a very rich and strong cultural background and each of the boys are experiencing that first hand. As the picture below shows, it seems that our Mazenod men are making the most of every moment.

We are now coming to the conclusion of our Academic Year and next week will be the final Newsletter for the year. You should also be receiving your copy of the Mazenodian and I thank Mrs Tanya Nowlan, Ms Carly Bird, Ricky Ruffolo, Ethan Jackson and Joshua Clifton for all of their fine editing and creative work to produce an outstanding reflection of our College year. I have enjoyed reading every page and found it another reminder of the incredible opportunity that each boy is given at the College. I sincerely hope that you all enjoy it as well.

Most of the exams have now concluded and many of the Students will be eagerly awaiting results. Some will be pleased and others will be disappointed because of opportunities missed. For many of the Year 7’s it was their first experience of exams and on the whole, they responded magnificently to the challenge. All of these experiences are developmental and we are keen to build on that with each Student. Whatever the results, it is important to remember that the value of every Student is not contained in a grade and every exam result is an opportunity to further develop.

The final results of the ACC (Associated Catholic Colleges) have emerged over the past week and I was incredibly proud of the record number of participants in the 18 Sports offered. When all results were tallied across all of the Sports, Mazenod finished in the top 2 of every age group (Year 7-12). We were the only School to achieve these consistent results. This is a sign of the great value each boy places on his involvement with the ACC. We are richly blessed to be a part of such a healthy and strong competition with some of the finest boys’ Schools in the State. Our friendly and healthy rivalries with these Schools are a highlight for many of the boys each week. I thank and acknowledge every boy who participated and encourage even more so to do that next year. I also thank every Staff Member who coached a team and encouraged the boys to participate and I would also like to thank every family who supported their boys in Sport.

This week also saw the solo performances of our Year 7 and 8 Music Instrumental Students. Music is such a wonderful part of our culture and it was truly a great experience to see the continued development of skills and talent in the boys. For some of the boys the instrument itself was larger than they were (double bass for a Year 7). The dedication to practice was obvious for all to see and hear and many of the boys had spent many hours preparing. That effort was well worth it and the performances showed that every student had progressed in ability, confidence and skills. It is such a daunting task to perform solo as every single aspect of the performance is on display. I once again acknowledge and thank all of the Staff, under the guidance of Mr Doug Leutchford for the commitment that they show to the boys. I thank the Parents who have had to be the audience for many of the rehearsals when things didn’t always quite go to plan and I especially thank each young man who braved nerves to perform to an exceptionally high standard. At any age a Student may begin learning an instrument and it is a desired goal for us to have at least 50% of our Students learning a musical instrument by the College’s 50th Anniversary in 2017. The current number is approx 40% so there is still more work to be done. Music equips the boys with so many life skills. I sincerely hope every Student considers taking up an instrument in 2013.

I ask you to please keep former Staff Member (15 years) Pat Kiley in your prayers as he passed away this week after a long illness. I will be leading his funeral today and he remains firmly in our prayers, as does Pauline his wife and family.

We also offer congratulations to James Hann (Year 12) who was recently awarded 3rd place in the Latin section of the Australian Dance Championships. As two New Zealand couples were placed 1 and 2, James and his partner were the highest ranked Australian pair. This is an excellent achievement and we are all very proud of him.

Take Care and God Bless
Fr Michael Twigg O.M.I.

Andiamo in Italia.
Buongiorno a tutti!
We have arrived safely in Italia and are immersing ourselves in the language and culture of the country. Days are busy as the boys study at School in the mornings and spend the afternoons touring the sites of the city. Highlights to date include:
Il Duomo, the Last Supper di Leonardo da Vinci and the very popular San Siro Stadium.

True to form, our Mazenod students are attempting to improve their Italian conversation skills both at school and “in giro”.

If you would like to follow our Italian study tour, please see our blog at:

ACC SPORT
The official ACC Season for 2012 has finished. What an outstanding year we have had. We have had just over 1000 students represent Mazenod in an ACC activity this year which is a new record for the College. It shows how passionate the students are to represent Mazenod. Considering how many students and games and activities we have been involved in, the students have at all times held up the values of the College to leave nothing undared but to also perform within the ACC values of fairness, sportsmanship and competitiveness.

Last Thursday we were involved in a number of Grand Finals and again Mr Damien Schumann has done a great job putting together our Volleyball Program. He has not only coached himself but also spent many hours working out the logistics of organising the training and playing in the numerous tournament around Australia. The Nationals Volleyball Titles begin in just over a weeks’ time and we wish all students and staff all the best in their pursuit of excellence. We will have over 100 students involved in this tournament and many hundreds of hours have been spent training and preparing.

We also send our Oblate Cricket team next week to Perth. We are sending a very strong team that we are hoping should perform well. The team has many talented students who have already played at representative levels. The team will play against our Brother Colleges to win the prestigious Oblate Cup.

As you can see from the photo below our ACC Swim Team has been hard at training for the past 14 weeks. The boys are very dedicated with the staff and turn up at 7 am 3 mornings a week to train at Monash University Pool. Our numbers have again been very good and it is also very exciting to see the new students for 2013 joining in with the squad. Training will continue through the holiday period on a Wednesday morning from 7.30 am to 9 am. Our wonderful coach Mr Emilio has put in. Below is a list of the students who excelled over their trophy or medal at the last assembly next week.

Next week I will have a table of our final aggregate standings for the year. This is a Colleges ranking for all Sports over the year. I have seen the preliminary listing and I am pleased to say that Mazenod has finished in the top 2 positions for every Year Level. I feel this is a greater reflection of the students efforts over the year and again only reinforces how committed our students are to performing at their best.

In Term 4, we have had 171 students represent Mazenod at Year 7 & 8 level for ACC Sport. Add the 125 students from Years 9 & 10 and we have nearly 400 students this term playing ACC Sport and this is without any Senior involvement. I thank every one of them for the time and effort they have put in. Below is a list of the students who excelled over the Term and were able to win Awards for specific teams. The Junior students will be announced at a Sports assembly and presented with their trophy or medal at the last assembly next week.

**NATIONALS VOLLEYBALL CHAMPIONSHIPS**

All our teams are in their final weeks of preparations as we prepare for the start of the National Championships on Monday 10th December. Again it will be a massive week with Mazenod being represented by 10 teams in all age groups. We have many teams playing for honours which are the top section in the competition. Mr Damien Schumann has done a fantastic job again organising the students. Big thanks must go to the many Old Boys who come in to coach most of these teams. All of them have been lucky enough to have been inspired by past Mazenod coaches and the inspiration of Mr Joe Moore. We are very fortunate that they come back willing to give so much of their time and energy. Thanks and best of luck to all our Old Boy coaches in Josh Cowan, Matt Young, Rob Verlardo, Kenny Lai, John Dal Santo, Anthony Smarrelli and Tim Crespin. All games will be played at either the Melbourne Sports and Aquatic Centre or Dandenong Basketball Stadium, Stud Road.

**ROUND ONE 2013 - ACC SENIOR SPORT**

As first Term next year is a short 9 week Term, the ACC has decided to make Round Fixture a floating round. That means with our Year 12 Retreat first week back we will play Parade College on Wednesday 5th December at Parade to start the season and free the first week. This will involve our Senior Cricket and Tennis squads. Our Seconds have a home game against St Bede’s. This will mean that Students in Years 11 & 10 can be selected in these teams. Coaches will confirm squad’s in the lead up to this game.

**OLD COLLEGIANS CRICKET CLUB NEWS**

Mixed results again for the Club and unfortunately some great efforts just fell short of the required amounts to win games. The fourth XI thinks they have found another budding School Cricketing Champion when Year 7 student Ruergan Braganza opened the batting for the first time and scored an unbeaten 40 not out. What a fantastic effort for a 13 year old student. The Club is still looking for players and training is every Tuesday and Thursday at the College.
