After many months of patiently waiting, our new football, cricket and athletics facility is ready for general student use.

This new sporting feature has been created to enhance the sporting and recreation opportunities for the boys. It is a beautiful facility that complements our other great sporting facilities.

The boys will be expected to look after it by not having food or drink on it at any time. This will ensure its long term cleanliness and use.

The first Mazenod fixed sporting event occurred on the ground on October 5, with the following historic achievements.

First catch by Christopher Urban
First Run scored on it by Callum Hope
First 4 and 6 scored by Jarryd Dietzl
First wicket taken by Sean Bickers
First person bowled out was Harry Matthews-Tilley (he told me that that made him historic)
Mazenod defeated CBC St Kilda (140 all out to 67 all out)

During the week, our Year 10 Building Bridges students celebrated their Presentation Night. The Building Bridges Programme brings together Year 10 students from the great faiths of the world (Islam, Judaism, Christianity, Buddhism and Hinduism). I thank all of the boys as well as Mrs Mary Moore and Fr Andrew Chen O.M.I. for accompanying them. The boys have learned a lot about the other faiths as well as learning even more about their own.

Our 5 students and 4 staff who will be travelling to Rome as part of the Mary MacKillop Canonisation Tour went to a Commissioning Mass by the Archbishop on Wednesday night. This Pilgrimage Group from Mazenod will pray for each of our intentions and for our families.

The Father’s Association are promoting the Sportsman’s Night to be held on October 22 at 6:45pm. This evening will be to raise funds for our Solar Panel Project and promises to be a great evening. I strongly encourage as high an attendance as the guest invited will be inspirational. There are auctions and raffles and hopefully many good friendships will be created. Tickets are $70. For further information please contact Tony Patti on 0437 241 119 or John Macaulay on 0408 416 839 if you are interested.

We have received news of Killester College’s Open Day on Sunday the 17th of October from 1pm-4pm (433 Springvale Road, Springvale). There will be a ‘talk and tour’ session at 2:00pm and 3:00pm with an address by the Principal, Ms Leanne Di Stefano. I also strongly recommend that if you are interested in Killester College, then you should make the effort to attend their Open Day. I have been very impressed with their strong curriculum and caring environment and would have no hesitation in supporting any application. Killester’s fees are very reasonable which makes them accessible for many families. I am very pleased that we have such a strong relationship with Killester, Avila and Sacred Heart where the sisters of many of our boys receive a great education.

A reminder to all families of two very important events in our own calendar here at Mazenod. Next Wednesday, October 13 we have our Annual Speech Night. It is expected that every student and their families are at this occasion. This night is one of only two nights, (the other being the Inaugural Mass) where the entire College gathers together. It is a night to celebrate the achievements of the year and to receive the Report of 2010. You are asked to organise tickets through the front office on 9560 0911.

On Tuesday, October 19 is our own Open Day beginning at 4:00pm and continuing to 8:00pm. If you know of any family and friends who would like to have a look through the College, then please invite them. We do not spend a great deal of advertising and rely on the communication offered by our families to spread the good name of the College. It is important that any interested families have a good look at the school before they enrol.

It would be remiss of me not to congratulate the Collingwood faithful on their Grand Final Victory. It was clearly deserved and they were the best team of 2010. As with every team’s supporters, there are a variety of ways of celebrating and we are witnessing that from the boys and staff of the College. One consolation for the rest of us non-Collingwood fans is that as a result of the drawn Grand Final, they are Premiers for one week less than they would have been. Small things I know, but as one Magpie Supporter pointed out, “we’ll win it next year too...”, which would be tough to take. In congratulating Collingwood, special mention should be made of the longer-suffering Saint’s fans who endure another Grand Final loss. I have no idea what it feels like to have your team
lose a Grand Final (because Fremantle have not made one...yet), but it was a magnificent achievement to make it that far and I am sure they will try even harder for that elusive Premiership, as will all clubs.

Take Care and God Bless
Fr Michael Twigg O.M.I.

**OPEN DAY**

**TUESDAY 19 OCTOBER 2010**

4 pm – 8 pm

(last tour at 7 pm)

All families are welcome for a guided tour

**Parking in Murdoch Ave**

Over recent weeks several families have been fined for parking on the northern side of Murdoch Ave. This could occur even if your son is being dropped off.

The Council’s solution to our traffic problems is to have all vehicles, including buses operate in Monash Drive. This is not a school 40 km/hr zone because it is not deemed dangerous enough. The Murdoch Ave situation is being addressed because a few residents have made complaints.

Our concerns for many years have fallen on deaf ears. The council also suggests we have the student cars that are parked in Murdoch Ave be moved to the bottom of Kernot Ave which restricts buses and cars turning. Traffic Management said they were not aware of this.

If you would like to send an accompanying letter to the council when paying your fine or you would like to register your concern even if you are not the recipient of a fine please download the document by clicking here Please provides contact details and a summary of our frustrations.

Thank you for your support in this matter.

**THE SECOND HAND UNIFORM SHOP WILL BE OPEN**

Monday 11th October 12.00 pm – 1.30 pm

We are in need of more good condition school and sports uniforms, ties, school bags, new style blazers, sports bags etc. Only good condition items will be accepted. Clothing must be clean and blazers dry-cleaned. Items can be left at the Front Office with contact details clearly attached.

Deakin University Update:

FOOD AND NUTRITION AT DEAKIN HAS CHANGED

Are you interested in nutrition but not keen on chemistry and food science?
Deakin’s new Bachelor of Food and Nutrition provides students with greater flexibility while reducing the need to study chemistry and food science as core units within this three-year course.

How does the Bachelor of Food and Nutrition differ from the former Bachelor of Food Science and Nutrition?

- there’s only one core unit of chemistry in the first year
- food science is now offered as an elective major sequence
- students now have twice as many elective units of study, which can be selected from any area of the University.

After successfully completing this course, graduates will have the knowledge and skills to pursue careers in food policy, food regulation, nutrition and consumer education, private practice, community nutrition and nutrition awareness campaigns. Students interested in employment in food and sensory analysis, product development, human nutrition and food safety and food manufacturing are encouraged to take the food science elective major sequence as part of this course. Graduates and enrolled students of the Bachelor of Food and Nutrition are eligible for membership of the Nutrition Society of Australia.

**Bachelor of Food and Nutrition Prerequisites:**

VCE units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

**Campus:** Melbourne Campus at Burwood

**Duration:** three years full time

**Transferring to Deakin - CSP**

Guidelines for a Commonwealth Supported Place (CSP) from Diploma to Deakin University* – March 2012 intake

Students who successfully complete their Diploma course at MIBT in 2011 will be eligible to apply for a CSP at Deakin University in March 2012. The following transfer criteria apply:

- Students who achieve a Weighted Average Mark of 60% or higher, taking into account all units attempted at MIBT, will be offered a CSP at one of Deakin University’s Campuses.
- Students who achieve a Weighted Average Mark of 70% or higher, taking into account all units attempted at MIBT, will be offered a CSP at Deakin University’s Melbourne Campus at Burwood.

*Applicants for Bachelor of Laws must follow the application process outlined in the VTAC guide. This includes sitting the DULSAT.

**Information Session**

At Information Sessions MIBT provide students and their families with information about Diploma programs, entry requirements, progression to 2nd year University, enrolment procedures and practical information regarding tuition fees and FEE-HELP (HECS). The next session will be held at Deakin Burwood on 15 December (3-6pm). Visit the MIBT website to register.

**SPORTS NEWS**

No rest here in the sports department as round one of the ACC competition kicked off on Tuesday and Thursday. We have our Years 7, 8, 9 and 10 all competing in cricket, volleyball and tennis for Term 4. For most teams, the season will continue to the week beginning November 15 when Grand Finals will be played in all respective competitions. Thanks to all those students who have tried out and pushed students to perform at their best to secure a spot in their squads. I especially commend the Year 7 students who have tried out in large numbers. We never like to quell the enthusiasm of students who wish to represent the College, but it is impossible for development and continuity to have large numbers in our squads. Students should never feel unwanted, and should use the experience to improve their own talents at local level before trying out again next year.

I remind parents that students are expected to be available to represent the College at every opportunity. In particular we try extremely hard to work with students and their outside commitments so they can represent all teams at their best. As I have stated many times, the best practice anyone can have is under match conditions. I always find it disappointing when a student makes himself unavailable to play for Mazenod in order for him to prepare to play for a team outside of the school. We are always happy to contact coaches at local level and come up with a strategy that will allow your son to be able to represent both teams with the same amount of passion and enthusiasm.

All our carnival sports are finished for the year and big thanks to Mr Crabtree, Mr May and Mr Montoya for the outstanding efforts in helping to coordinate the preparation of these squads. It is an enormous job trying to manage students from all over the school, not to mention the numerous staff involved. Our training never stops here at Mazenod though, and already our swim squad under Mr Montoya have been training for the past 2 months. The boys have been hitting the water at 7am two mornings a week, and this has increased to 3 mornings (Tuesday, Thursday & Friday). The boys can be dropped off directly at the Monash University Pool and we will organise a small breakfast pack and bus trip back to the College.

We have the Oblate Cricket Carnival and the Nationals Volleyball Championships starting both on Monday 6 December. Both carnivals are very important, and preparations are in full swing for both. We thank Mr Schuman and Mr Regan for taking on the roles of coordinating both these important events at Mazenod.
While the Volleyball takes care of itself by and large, through the wonderful dedication of staff and parents, the Oblate Carnival will also need the same support. It is our turn to billet 2 teams from our brother schools in Queensland and Western Australia. Both schools do the same for us when we travel interstate. I intend to hold a parent information night later in the term and I would ask you to please kindly give some consideration to hosting one or two players for the 5 nights we require.

Congratulations to Jack Cummings who on the weekend won the Victorian Schools under 17 cycling event. Jack had the wonderful opportunity to ride prior to the World Championships in Geelong and no doubt has been inspired to follow his dream of becoming a professional cyclist.

OLD COLLEGIANS CRICKET
No play was possible on the weekend and hopefully with the new soccer/cricket oval, play will get started this Saturday. Training is now at the Mazenod nets on a Tuesday and Thursday night starting at 5.30pm. All new members are welcome to come down and roll the arm over or play a straight bat!

SPORTS NIGHT
Sorry for the confusion at the end of last term over the two events with similar names!! The Fathers’ Association have put together a sports night to run here at the College on Friday 22 October. I would encourage all sports lovers to come along to hear some quality speakers and enjoy a meal together. Details are in the newsletter.
